Looking Back James F. Queenan, 2011-08-11 Judge Queenan tells a very human story of his life family and travels withholding no family secrets Included is an account of his diverse and evolving career as a lawyer who handled business transactions drafted estate plans tried cases and at the end found greatest satisfaction in representing corporations reorganizing under chapter 11 He tells of the losing party in one case sending a bomb in the mail to his client We also learn of the disastrous results of a Ponzi scheme that used ruses similar to those of Bernard Madoff Judge Queenans high values and commitment to due process of law are apparent throughout He is still troubled by the prejudicial effect of the press conferences held by the district attorney in the Brinks armed robbery

case which came before the Supreme Judicial Court of Massachusetts when he was a young law clerk with the court In giving an account of his years on the bench a time when he was also teaching in law school Judge Queenan makes law and trials understandable to the layman He rejects the notion that bankruptcy is a refuge for the dishonest and lazy and he decries the countrys toxic fascination with debt taking special aim at abusive leveraged buy outs of corporations He recalls memorable witnesses and lawyers tells how he determined who was lying and explains what he did to reduce the length of trials Perhaps most informative of all he describes how a judge makes law rather than just grabbing a rule off the shelf A former campaign worker for Robert Kennedy Judge Queenan shows his passion for politics He gives a critique of the Supreme Courts 2000 decision in Bush v Gore which handed the presidency to George W Bush As one who demonstrated against the war in Iraq before the war began he examines the wars terrible consequences and traces its long political fallout that contributed to the election of Barack Obama for whom the judge delivers a unique panegyric
