me to that world Well told and well written This book really kept me on my toes I cried so much not knowing what would happen I m so in love with this series This series is in the right century told in the right way and based on sound research plus it s just plain old great storytelling Tracy Cooper Posey has brought the Arthurian Legend alive I am so enjoying this series it seems each book gets better and draws me in deeper A simply fantastic series that is getting better and better with each new book The more I read of this series the more I want I can t say enough good things about the series I love the way the tapestry of the historical setting is pieced together bringing the sights and sounds of the dark ages alive So good I binged on these the first time as each individual book and now in this box set I binged on them again The spellbinding story telling provided tales so complex and yet so enthralling that I was completely addicted and transported There was often a delightful theme of strong women learning about and achieving their best selves And the sword I love Tracy s explanation for how the sword ends up in the stone Such a great idea It is so much more than the book blurb promises These fast paced plots with the action intrigue and romance thickens with each book and will keep you fully engaged and up all night Tracy has an amazing ability to make you feel anxious thrilled hurt relieved You become so involved with the characters that you feel their apprehension strength relief joy fighting for what they believe in

The Camelot Code: The Once and Future Geek Mari Mancusi,2024-09-24 Imagine The Sword in the Stone with a dash of Freaky Friday and a pinch of World of Warcraft this funny fast paced adventure is chicken soup for the geek s soul Zack Clark and Nick Eliopoulos authors of The Adventurers Guild series When young Arthur of Camelot accidentally time travels to the 21st century and Googles himself he discovers the not so happily ever after in store for him once he pulls the sword from the stone Yes he ll go from squire to sovereign basically overnight but he ll also lose the love of his life to his best friend and eventually die in battle What s a once and future king to do Easy stay in the future where he ll actually have a future and join the football team instead Now with the help of the great wizard Merlin modern day gamer geeks Sophie and Stu find themselves in a race against time to get that sword pulled from the stone and the stubborn soon to be king Arthur back to the past where he belongs

The Once and Future Arthur Edmund R. Meskys,1989 *The Once and Future Queen* Paula Lafferty,2025-12-16 Outlander meets The Princess Bride plus Camelot in a fresh big hearted feminist timeslip adventure reimagining the epic saga of King Arthur as told from the perspective of his spunky and surprising queen Vera complete with time travel and good running shoes Vera always knew she didn t fit in When she learns that she is meant to be in another time she leaps at the chance to embrace a new life in a world of valor intrigue and unexpected magic in this bold and romantic retelling of Arthurian legend 22 year old Vera is at a crossroads waiting tables grieving her previous relationship and jogging aimlessly each morning as if toward an uncertain future Then an odd man shows up at her workplace insisting that she was once the legendary Queen Guinevere of Camelot and that her lost memories hold the key to changing both the past and the present Somehow it all feels like the direction she s been looking for But when she asks the mysterious man to tell her more about Lancelot Arthur and a faithless

queen he can only say that much of what she's heard about Camelot is wrong. The truth he claims is something she must see for herself. After jumping through a portal in Glastonbury's historic center, Vera is not prepared for what she finds. Magic is everywhere, but a curse on the kingdom means it dwindles every day. She has no idea how to perform a queen's duties. Her fast friendship with Lancelot sets gossip flowing, and the stranger she must call husband often refuses to meet her eye. Arthur is a puzzle, cold, forbidding, and while angry to her face, keeps leaving secret tokens of tenderness in her chambers. Worst of all, Vera's memories and the answers locked within them show no signs of returning. If Vera is truly destined to save Camelot, she'll have to trust her instincts. And her king will have to trust her.

Once And Future Hearts Box Two: Arthurian Fantasy

Romance Tracy Cooper-Posey, 2021-08-31 I'm not sure how she does it, but Tracy continues to make each story more exciting than the last. I can't stop reading these, even when I should be sleeping. Reader Review: The next three books of the series that will keep you hooked until the end, featuring the myths, legends, and magic of the beloved King Arthur stories surrounding heart-rending romances of the men and women who lived and loved in these perilous times.

War Duke of Britain He is not the enemy she came to fight. Idris the Slayer is the champion of the northern kings. Undefeated in battle, the dark lone warrior who rides to war with a black wolf at his side, spreads fear before him, even among those counted his allies. When Rhiannon of Gallevea rides to her first battle with Emrys and Cai, she expects to fight the Saxon hoards pouring into Britain. She is not braced to defend herself against Idris' incursion into her heart.

High King of Britain All she wants is to fight for Arthur and Britain. Lady Mair is a daughter of Corneus, the house of perfect warriors, and wants only to serve Arthur.

War Duke of Britain as her brothers Lucan and Bedivere do. Yet King Alun of Broc liande wants to make her his queen, which would mean leaving Britain and Arthur's court. Alun's younger brother and Mair's best friend Rawn sees things as Mair does: nothing is more important than being the best warriors they can be. But Rawn is hiding secrets of his own that run counter to Mair's desperate wish to be free to fight for Britain.

Battle of Mount Badon Their every encounter gives off sparks of contempt and misunderstanding. Bedivere is one of King Arthur's companions, his marshal and war duke of his army. Handsome, remote, traditional, and honor-bound, all he wants is to be a perfect warrior and serve Arthur. Only Arthur's people face another dark winter of deprivation and defeat at the hands of the ruthless Saxons. How can Bedivere find victory for Arthur when there is no hope?

Cara of Brynaich is half Saxon, the younger daughter of a reviled family. Her facial scars keep her apart from everyone. Her heart holds only hatred for the Saxons who betrayed her mother, murdered her father, and brought her and her kin to such misery. She has no time for honor and tradition. Hope is for blind fools.

Twain A Biography by Albert Bigelow Paine The Boys Life of Mark Twain by Albert Bigelow Paine My Mark Twain by William Dean Howells Samuel Langhorne Clemens 1835 1910 better known by his pen name Mark Twain was an American writer humorist entrepreneur publisher and lecturer The Worlds of Back to the Future Sorcha Ní Fhlainn,2014-01-10 A critical examination of the cultural cinematic and historical contexts of the Back to the Future trilogy this book provides a multi focal representation of the trilogy from several interdisciplinary fields including philosophy literature music pop culture and media and gender studies Topics include sexual symbolism in the trilogy and the oedipal plotting of the first film nostalgia and the suburban dream in the cultural climate of the 1980s generic play and performance throughout the trilogy the emotional and narrative force provided by the films renowned musical scores the trilogy s post modern references and allusions to the Western genre female representations across the trilogy and the Lacanian philosophical constructs in the characterizations of Doc Brown and George and Marty McFly Fantasy Richard Mathews,2016-01-29 Using a broad definition of fantasy to include myth folklore legend and fairy tale this survey of the genre will entice as well as inform any student interested in the mysterious mystical or magical Beloved authors like J R R Tolkien Ursula K Le Guin William Morris and Robert E Howard are examined closely *All the Wonder that Would Be* Stephen Webb,2017-05-03 It has been argued that science fiction SF gives a kind of weather forecast not the telling of a fortune but rather the rough feeling of what the future might be like The intention in this book is to consider some of these bygone forecasts made by SF and to use this as a prism through which to view current developments in science and technology In each of the ten main chapters dealing in turn with antigravity space travel aliens time travel the nature of reality invisibility robots means of transportation augmentation of the human body and last but not least mad scientists common assumptions once made by the SF community about how the future would turn out are compared with our modern understanding of various scientific phenomena and in some cases with the industrial scaling of computational and technological breakthroughs A further intention is to explain how the predictions and expectations of SF were rooted in the scientific orthodoxy of their day and use this to explore how our scientific understanding of various topics has developed over time as well as to demonstrate how the ideas popularized in SF subsequently influenced working scientists Since gaining a BSc in physics from the University of Bristol and a PhD in theoretical physics from the University of Manchester Stephen Webb has worked in a variety of universities in the UK He is a regular contributor to the Yearbook of Astronomy series and has published an undergraduate textbook on distance determination in astronomy and cosmology as well as several popular science books *Shadows of the Future* Patrick Parrinder,1995-09-01 H G Wells the inventor of the concept of the time machine and the phrase the Shape of Things to Come described his life s work as one of critical anticipation Shadows of the Future identifies the attempt to imagine possible futures as the unifying principle behind Wells s diverse and sometimes wayward literary career The book unravels the complex layers of meaning in The Time Machine and shows how throughout his life he sought to exploit the potential of literary and cultural prophecy in new ways Described by

John Middleton Murry as the last prophet of bourgeois Europe he was also its first futurologist In *Shadows of the Future* Wells's assumption of the prophet's role is related to his championship of the modern scientific outlook and to the theory and practice of science fiction and utopian literature Parrinder explores the connections between novelty and repetition between imagining the future and imagining the past and between prophecy and parody as literary modes Wells's science fiction is reexamined both as a projection of the cosmology implicit in the writings of Darwin and Huxley and as a new variation on the Romantic and Enlightenment themes of such earlier authors as Blake Gibbon and Mary Shelley Later chapters relate Wells's fiction to his nonfiction and look at the uneasy relationship of his utopianism to literary prophecy and at the paradoxes inherent in the militant internationalism of the prophet at large Finally Wells's influence is traced in a study of the antiutopian fictions of Zamyatin and Orwell and in a broad account of the connections between science fiction and the scientific outlook down to our own time
