The Rays Collection Said Nursi, 2015 **A Compendium of the Theological Writings of Emanuel Swedenborg** Emanuel Swedenborg, 1875 **The Rays** Bediuzzaman Said Nursi, In the course of his twenty five years of exile Bad uzzaman suffered three terms of imprisonment together with varying numbers of his students and the treatises he wrote during each of these he later included in the Ris la i N r In The Rays Collection are fruits from all three of his sojourns in the Madrasa i Y sufiya as he called prison recalling the unjust imprisonment of Joseph UWP and that prison is essentially a place of education and training The Second Ray was the final fruit of Eski ehir Prison 1935 36 while The Eleventh Ray has as its name Meyve Risalesi The Fruits of Belief and was written for his fellow prisoners in Denizli Prison 1943 44 It consists of eleven Topics which offer irrefutable proofs of the six main pillars of faith The last two of the Topics however were written in Emirda Bad uzzaman s place of compulsory resi dence after Emirda The Cloak and the Parchments Frank P. Spinella Jr., 2009-10-01 Told in the first person by the author of the Gospel of Mark The Cloak and the Parchments relates the story of how the earliest gospel came to be written against the backdrop of emergent Christianity s doctrinal tensions But it is also the story of one man s struggle of faith especially with the remarkable notion at least for a first century Jew steeped in

monotheistic tradition of the divinity of Jesus Christ The year is 64 CE and Paul has summoned Mark and Timothy from Ephesus to his prison cell in Rome On their journey the travelers discuss many of Paul s teachings including that Jesus is truly the Son of God After reaching Italy they meet up with Peter whose own account of Jesus s ministry quickly poses a challenge to Paul s views But there will be no opportunity to hear Peter and Paul debate their differences for they arrive in Rome at the outbreak of the Great Fire Amid the turmoil of the resulting Christian persecution Paul urges Mark to escape and write Peter s account of Jesus s ministry consistently with Paul s own teaching Mark finds himself conflicted by his promises to both men and by the disparity between Peter s eyewitness testimony and Paul s claim to direct revelation In the end he finds the answer he seeks hidden in the depths of his own soul as ultimately we all must

The Cloak and the Parchments brings these New Testament characters to life in all of their humanity and presents a cogent argument for the necessity of mystical experience in religious belief

Flourishing in Community Joel A. Kime,2024-12-27 When observing culture the word together frequently occurs The normal usage of the word together seems to assume that if people just get together they will heal the division in their culture Unfortunately Christians have too often behaved poorly together sometimes causing further division while unfaithfully representing the gospel What kind of togetherness then brings human flourishing Flourishing in Community will guide the reader in a study of the Scriptures through the lens of theology to learn how the church can together learn and live according to God s heart which leads to human flourishing The American church especially needs to learn this togetherness in these divisive times
