Looking for Mr. Goodbar Judith Rossner,1975 *Looking for Mr. Goodbar* Judith Rossner,2014-07-01 Based on a harrowing true story the groundbreaking 1 New York Times bestseller *Looking for Mr Goodbar* is a story of love power sex and death during the sexual revolution of the 1970s Theresa Dunn spends her days as a schoolteacher whose rigid Catholic upbringing has taught her to find happiness by finding the right man But at night her resentment of those social mores and fear of attachment lead her into the alcohol and drug fueled underworld of singles bars where she engages in a pattern of dangerous sexual activity that threatens her safety and ultimately her life *Looking for Mr Goodbar* is uncommonly well written and well constructed fiction easily accessible but full of insight and intelligence and illumination The New York Times Book Review With more than four million copies in print this seminal novel a lightning rod for controversy upon its publication has become a cultural touchstone that has forever influenced our perception of social rebellion and sexual empowerment *Looking for Mr. Goodbar* Judith Rossner,1997-10 By day she is a caring school teacher with her favourites By night she is a drug abusing heavy drinking hooker chasing rough sex in bars and picking up whatever is available

renderings of white working class masculinity actually tell us more about the crises facing the middle class during the 1970s than about working class experience itself *Hard Hats* thus demonstrates how these representations of the working class serve as fantasies about a class Other fantasies that offer imaginary resolutions to middle class anxieties provoked by the decade's upheavals Drawing on examples of iconic films from the era *Saturday Night Fever* *Cruising* *Five Easy Pieces* and *Walking Tall* among others Nystrom presents an incisive evocative study of class and American cinema during one of the nation's most tumultuous decades **New York Magazine**, 1977-09-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Stuff of Spectatorship** Caetlin Benson-Allott, 2021-04-06 Film and television create worlds but they are also of a world a world that is made up of stuff to which humans attach meaning Think of the last time you watched a movie the chair you sat in the snacks you ate the people around you maybe the beer or joint you consumed to help you unwind all this stuff shaped your experience of media and its influence on you The material culture around film and television changes how we make sense of their content not to mention the very concepts of the mediums Focusing on material cultures of film and television reception *The Stuff of Spectatorship* argues that the things we share space with and consume as we consume television and film influence the meaning we gather from them This book examines the roles that six different material cultures have played in film and television culture since the 1970s including video marketing branded merchandise drugs and alcohol and even gun violence and shows how objects considered peripheral to film and television culture are in fact central to its past and future Diane Keaton Deborah C.
