Finger Lakes Patti Unvericht, 2018-07-16 New York s Finger Lakes region is filled with compelling characters tragic disasters and fascinating mysteries Famed daredevil Sam Patch known as the Yankee Leaper thrilled audiences at Niagara Falls but took his last jump into the Genesee River with his pet black bear plummeting to his death The first ever Memorial Day was celebrated in Waterloo in 1866 and inspired a nation to adopt the holiday Seneca Lake claims its fair share of ships including the Onondaga which was blown up with dynamite as part of a spectacle to commemorate the sinking of the USS Maine Author Patti Unvericht reveals the forgotten history of the Finger Lakes region **Capitalism by Gaslight** Brian P.

Luskey, Wendy A. Woloson, 2015-03-18 While elite merchants financiers shopkeepers and customers were the most visible producers consumers and distributors of goods and capital in the nineteenth century they were certainly not alone in shaping the economy Lurking in the shadows of capitalism s past are those who made markets by navigating a range of new financial instruments information systems and modes of transactions prostitutes dealers in used goods mock auctioneers illegal slavers traffickers in stolen horses emigrant runners pilfering dock workers and other ordinary people who through their transactions and lives helped to make capitalism as much as it made them Capitalism by Gaslight illuminates American economic history by emphasizing the significance of these markets and the cultural debates they provoked These essays

reveal that the rules of economic engagement were still being established in the nineteenth century delineations between legal and illegal moral and immoral acceptable and unsuitable were far from clear The contributors examine the fluid mobility and unstable value of people and goods the shifting geographies and structures of commercial institutions the blurred boundaries between legitimate and illegitimate economic activity and the daily lives of men and women who participated creatively and often subversively in American commerce With subjects ranging from women s studies and African American history to material and consumer culture this compelling volume illustrates that when hidden forms of commerce are brought to light they can become flashpoints revealing the tensions fissures and inequities inherent in capitalism itself Contributors Paul Erickson Robert J Gamble Ellen Gruber Garvey Corey Goetsch Joshua R Greenberg Katie M Hemphill Craig B Hollander Brian P Luskey Will B Mackintosh Adam Mendelsohn Brendan P O Malley Michael D Thompson Wendy A Woloson
