Lor Des Sables:

The Cambridge Global History of Fashion: Volume 1 Christopher Breward, Beverly Lemire, Giorgio Riello, 2023-08-17
Volume I surveys the long history of fashion from the ancient world to c 1800 The volume seeks to answer fundamental questions on the origins of fashion challenging Eurocentric explanations that the emergence of fashion was a European phenomenon and shows instead that fashion found early expressions across the globe well before the age of European colonialism and imperialism It sheds light on how fashion was experienced in a multitude of ways depending on class gender and race and despite geographical distance fashion connected populations across the globe Fashions flowered and were reseeded through entanglements of empire forced and voluntary migration evolving racial systems burgeoning sea travel and transcontinental systems
