You Are Today'S Women of the Bible and I Can Prove It Darci Jeffries,2018-03-26 When Jesus was on earth he did nothing to indicate women were second class citizens For example he asked Mary Magdalene at one of the most critical times in his life to be the disciple to announce his resurrection Yet somewhere in history women have been made to feel like they shouldn't be pastors or leaders of the church because of their gender In You Are Today's Women of the Bible and I can prove it author Darci Jeffries shows women are just as much a child of God as anyone no better than men and no worse than men Through a variety of Biblical entries and scriptures she recognizes the important roles women played in the Bible and how today's women still have significant impact influencing people for God's kingdom Jeffries notes the influential female of the Bible such as Jochebed Moses mother Esther and Rebekah and shares how it's because of those women and the roles they played in Biblical history that today's women have the same level of influence Inspiring today's women to achieve all they can You Are Today's Women of the Bible and I can prove it seeks to get more women working with others for God's kingdom and to help them understand how important they are in God's workplace

Praying When Prayer Doesn't Work Jack Corbin Getz,2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that's not a red warning flag that prayer has a serious public relations problem what is Praying When Prayer Doesn't Work is a thoughtful often witty account of the author's journey to find prayer's elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer's four public relations problems identifies the perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seekers of the truth how to get personal with God and make praying a choice not a chore

Trinity Dr. Jason Byassee,2015-05-19 Most people assume they know what they mean when they use the word God They mean a powerful old guy in the sky ready to obliterate us if we do wrong but basically benevolent if a little senile The Christian doctrine of the Trinity shows us God is vastly more interesting God is actually fleshed among us in Jesus poured out on us in the Holy Spirit's intoxication of the

church God is three divine persons in perfect harmony and beauty and God invites us into that unimaginable intimacy We don't know this God but we should Trinity uses scripture the Early Church tradition and some modern theology to argue that God is a mystery whom we can't understand but who can shape our misunderstanding to allow for faithful living and holy love of God and neighbor Jason Byassee thinks like a theologian writes like a journalist and communicates like a storyteller We live in a time of trinitarian dissonance when the central doctrine of the Christian faith is strangely neglected by most Christians Byassee's wonderful exploration of the Trinity offers a remedy for that by providing a meat and potatoes introduction to the God who is at once Father Son and Holy Spirit An excellent spiritual guide for both mature Christians and those brand new to the Christian faith Rev Dr Andrew C Thompson Assistant Professor of Historical Theology Wesleyan Studies Memphis Theological Seminary Memphis TN and Wesley Scholar for the Arkansas Conference of the United Methodist Church In trying to communicate the trinitarian relationship Byassee succeeds in making the indescribable a little more coherent while reminding us of the all consuming love of God Trinity is a little book of rigorous thought and deep devotion It is rare these days to find a work of theology that stirs the intellect the heart and the spirit And I have to admit in reading this book I fell in love with the Holy Spirit all over again Enuma Okoro Nigerian American writer speaker and award winning author of *Reluctant Pilgrim* *Silence and Common Prayer* *A Liturgy for Ordinary Radicals* **Work Hard, Pray Hard** Lt. Gen. (Ret.) Rick Lynch, Mark Dagostino, 2017-04-04 **What Makes This Day Different?** David J. Schlafer, 1998-01-25 Schlafer looks at the preacher's task at the high times of the church and the secular year those occasions on which expectations run high and emotions can be intense He explores the temptations and pitfalls of preaching at weddings and funerals baptisms and ordinations civic holidays like Memorial Day and Thanksgiving and the high holy days of Christmas and Easter He also discusses preaching at times of tension and conflict in the church the responsibilities of a guest preacher and how to handle preaching missions and retreats Included in each chapter are helpful summaries of what to include and avoid in sermon preparation as well as excerpts of sermons illustrating the principles he outlines **Jesus the Way and Truth to a Successful Happy Life!** Rick Nelson, 2019-12-17 Are you claiming all of God's promises and benefits to live the abundant joyful life Learn the four key principle steps Jesus taught that promises to give you peace joy and happiness in every aspect of your life Jesus said I am the way and truth to that life John 14:6 I wasted 40 years of my life trying to find happiness in all the wrong ways with drugs and alcohol and never found it You'll hear a lifetime of experience and stories of how Jesus dramatically changed my life by following his steps He has a blessed journey planned ahead for you too [Prayers of Faith](#) Faith Annette Sand, 1996 A powerful prayer life is available to everyone claims author mother of ten eight adopted children At age 24 I suddenly found myself deep in the jungles of Brazil the mother of eight children whose ages ranged from not quite two up to nine But the really hard part was being married to an abusive unfaithful missionary husband explains Ms Sand when describing what made her turn to prayer None of my academic training or experience in the church prepared me

to face the rigors of jungle living under these adverse circumstances We had no electricity for eleven of the 15 years I lived in Brazil raising my family The missionary community was either in denial about what was happening or implied that I deserved the abuse Discovering that God was willing to answer prayers began Ms Sand on a wonderful odyssey of learning to trust God for the smallest details of her life in bringing up her family In her book *Prayers of Faith On Learning to Trust God* she points out the basic principles of prayer that anyone can use to develop a bold relationship with the Creator of the Universe

I Could Use a Miracle Right Now John Webb Kline, 2004 The movie *The Passion of The Christ* dramatically conveyed the price that Jesus paid on the cross to redeem the sins of the world John Webb Kline's new book *I Could Use a Miracle Right Now* profoundly brings the message of the cross and what it means to us in the 21st century into perspective in a way that few books can It is a story about one man's life long encounter with the Living Christ a story that one might call *The Passion of the Christian* It is a must read for any true seeker of truth or follower of Christ Author John Webb Kline describes his inspiring new book as a *Workingman's Theology* a theology that helps us to find God in the midst of our everyday struggles and which helps us to make sense out of the seemingly senseless trials and tribulations we all face Based on stories from his own often tumultuous yet miracle filled life Webb brings us to the amazing discovery that not only is God's intervention for our lives real but it is also there for each and everyone of us hidden only by our rational worldviews and unbelief This is a book about hanging on to faith when it would seem perfectly reasonable not to a book for the faithless and faithful alike it is a book for those who are feeling so hurt so angry or so left out of God's will that they have nothing left but the desire to curse God and die In today's world it very well could be your own handbook for survival *Heart to Hand Ministries* director Woody Wolfe has this to say about *I Could Use a Miracle Right Now* Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives even when the world had blurred our vision Webb's uncanny ability to put into words that which is at the heart of the true Gospel message has been such a blessing to me I wish this book would have been around during those first days of my full time ministry when I was still looking to the world for affirmation To truly understand that God is already knocked out about us gives us the freedom to be just who we are and Webb has brought that vision of the uncompromising love of God to these pages Please visit the [Miraclenews website](http://Miraclenews.com)
