Managing Information Technology Investments With Outsourcing

**Information Resources Management
Association. International Conference**

Managing Information Technology Investments With Outsourcing:

Managing Information Technology Resources in Organizations in the Next Millennium Information Resources Management Association. International Conference, 1999-01-01 Managing Information Technology Resources in Organizations in the Next Millennium contains more than 200 unique perspectives on numerous timely issues of managing information technology in organizations around the world This book featuring the latest research and applied IT practices is a valuable source in support of teaching and research agendas

Managing Information Technology Investments with Outsourcing Mehdi Khosrowpour, 1995 This work is designed to help managers conduct an investigation of the issues that influence the outsourcing decisions An examination of the topics related to outsourcing is enhanced with prescriptive frameworks and recommendations based on empirical evidence

Information Technology Investment Marc J. Schniederjans, Jamie L. Hamaker, Ashlyn M. Schniederjans, 2004 From the individual to the largest organization everyone today has to make investments in information technology Making a good investment that will best satisfy all the necessary decision criteria requires a careful and inclusive analysis Information Technology Investment Decision Making Methodology is a textbook that will provide the understanding of methodologies available to aid in this area of complex multi criterion decision making It presents a detailed step by step set of procedures and methodologies that readers can use immediately to improve their IT investment decision making Unique to this textbook are both financial investment models and more complex decision making models from management science so users can extend the analysis benefits to confirm and enhance the ideal IT investment choices

Measuring Information Technology Investment Payoff Mo Adam Mahmood, Edward J. Szwczak, 1999-01-01 It would seem that business investment in information technology IT is at root no different from business investment in anything else After a careful consideration of the costs of the investment and its anticipated benefits a decision is made as to whether the benefits of the investment outstrip the costs and by how much If the benefits are competitive with other investment alternatives say a major marketing campaign then the business will commit financial resources to the IT proposal Otherwise it won't This decision making process is at the heart of capital budgeting Senior executives have been making IT investment decisions for well over three decades So why is the measurement of IT investment payoff so difficult and controversial Why do we need a book dealing with contemporary approaches to measuring IT investment payoff Why have earlier approaches to measuring IT investment payoff proven unsatisfactory In what respects have earlier approaches fallen short Do we need to scrap earlier approaches entirely or can we find important improvements to these approaches such that they can be newly applied to effectively measure IT investment payoff in ways that are convincing to senior management This book will help you to find improvements in existing methods for measuring IT investment payoff as well as to find new innovative methods for addressing the value of emerging IT

0000 0 **Cases on Information Technology Management in Modern Organizations** Jay Liebowitz, Mehdi Khosrowpour, 1997-01-01
