Greenberg,2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F Greenberg s careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B Dirks New York Times Book Review **Better to Reign in Hell, Than Serve In Heaven** Allan Wright,2018-01-15 In this monograph the author argues that Satan was not perceived as a universal malevolent deity the embodiment of evil or the ruler of Pandemonium within first century Christian literature or even within second and third century Christian discourses as some scholars have insisted Instead for early Christian authors Satan represented a pejorative term used to describe terrestrial tangible and concrete social realities perceived of as adversaries To reach this conclusion I explore the narrative character of Satan selectively within the Hebrew Bible intertestamental literature Mark Matthew Luke Q the Book of Revelation the Nag

Hammadi texts and the Ante Nicene fathers He argues that certain scholars such as Jeffrey Burton Russell Miguel A De La Torre Albert Hernandez Peter Stanford Paul Carus and Gerd Theissen homogenized reconstructions of the New Testament Satan as the universalized incarnation of evil and that God s absolute cosmic enemy is absent from early Christian orthodox literature such as Mark Matthew Luke Q the Book of Revelation and certain writings from the Ante Nicene Fathers Using Jonathan Z Smith s essay Here There and Anywhere the author suggests that the cosmic dualist approach to Satan as God s absolute cosmic enemy resulted from the changing social topography of the early fourth century where Christian insider and outsider adversaries were diminishing With these threats fading early Christians universalized a perceived chaotic cosmic enemy namely Satan being influenced by the Gnostic demiurge who disrupts God s terrestrial and cosmic order Therefore Satan transitioned from a here insider and there outsider threat to a universal anywhere threat This study could be employed as a characterization study New Testament theory and application for classroom references or research purposes
