Tait-Zeller,2012-05-09 Hoof Prints on My Heart is a poignant and heartwarming recollection of the authors experiences with
horses her own and those she came in contact with over the last thirty two years Her horse experiences shared with family
and friends are fondly remembered from a now experienced heart and often in a humorous light From a wee girl madly in
love with horses to the horsewoman she is today she recalls the humor the heartbreak and the obstacles that could not deter
her love of the equine species Her dreams and goals change as her horse and life experiences evolve Mount up and ride with
the author on the backs of the horses that have left hoof prints on her heart *Florida Horse Owner's Field Guide* Marty

menagerie of animals Roth coauthor of the New York Times bestseller *From Baghdad with Love* writes vividly movingly and
often humorously of the chaos that descended into her life One of her new tenants was a wild mustang broken but not bowed
his restless spirit propelling him to escape the fences and pens that enclosed him a far different life than before he was
violently captured by a government sponsored round up Ultimately these two fiercely independent characters each provide
the catalyst for the other s life changing and life affirming decisions *Mestengo* is a captivating emotional account that taps
