Females in the Frame Penelope Jackson, 2019-07-29 This book explores the untold history of women art and crime It has long been widely accepted that women have not played an active role in the art crime world or if they have it has been the part of the victim or peacemaker Women Art and Crime overturns this understanding as it investigates the female criminals who have destroyed vandalised stolen and forged art as well as those who have conned clients and committed white collar crimes in their professional occupations in museums libraries and galleries Whether prompted by a desire for revenge for money the instinct to protect a loved one or simply as an act of quality control this book delves into the various motivations and circumstances of women art criminals from a wide range of countries including the UK the USA New Zealand Romania Germany and France Through a consideration of how we have come to perceive art crime and the gendered language associated with its documentation this pioneering study questions why women have been left out of the discourse to date and how by looking specifically at women we can gain a more complete picture of art crime history

lifestyle that is uniquely Southern Californian *Mark Ryden Yakalina Secrets* Mark Ryden, 2024-08-27 Mark Ryden's *Yakalina Secrets* is the wondrous second installment in the artist's incredible gallery of creatures. Foreword by Takashi Murakami. In his Pacific Northwest studio during the isolation of COVID 19 Mark Ryden began a series of his iconic half animal half plush creatures that further explored his reverence for these beings who are guides through a landscape of the unknown. The figures in these paintings are neither human nor animal; they are spiritual entities that create a bridge between the human and animal worlds in which so much disharmony exists. This book features all of the original portraits of Ryden's mysterious and mythical creatures. The resulting gallery of enchanted characters embodies the artist's meticulously realized signature blend of archetype kitsch and narrative mysticism. Mark Ryden's *Yakalina Secrets* features works from two of the artist's exhibitions organized in collaboration with Emmanuel Perrotin and Kasmin Gallery: *Animal Secrets* in Paris and *Yakalina 9* in Tokyo.
