The Gendering of Men, 1600-1750 Thomas Alan King, 2004 Taking on nothing less than the formation of modern sexual and gender identities King examines the way masculinity in the 17th and 18th centuries was reconfigured and how heterosexuality in turn became naturalized This is a crucial work by one of the field's leading scholars *The Gendering of Men 1600-1750* traces the transition from a society based on alliance which had subordinated all men women and boys to higher ranked males to one founded in sexuality through which men have embodied their claims to personal and political privacy King proposes that the male body is a performative production marking men's resistance to their subjection within patriarchy and sovereignty Emphasizing that categories of gender must come under historical analysis *The Gendering of Men* explores men's participation in an ongoing struggle for access to a universal manliness transcending other biological and social differentials

Roll Over, Tchaikovsky! Stephen Amico, 2014-06-15 Centered on the musical experiences of homosexual men in St Petersburg and Moscow this ground breaking study examines how post Soviet popular music both informs and plays off of a corporeal understanding of Russian male homosexuality Drawing upon ethnography musical analysis and phenomenological theory Stephen Amico offers an expert technical analysis of Russian rock pop and estrada music dovetailing into an illuminating discussion of homosexual men's physical and bodily perceptions of music He also outlines how popular music performers use song lyrics drag physical movements images of women sexualized male bodies and other tools and tropes to implicitly or explicitly express sexual orientation through performance Finally Amico uncovers how such performances help homosexual Russian men to create their own social spaces and selves in meaningful relation to others with whom they share a nontraditional orientation *Journal of the History of Sexuality*, 2001 *The Gendering of Men, 1600-1750: The English phallus* Thomas Alan King, 2004

Queer Word- and World-Making in South Africa Taylor Riley, 2021-05-03

Focusing on everyday experiences of sexuality in the South African province of KwaZulu Natal this book considers personal narratives and other queer artefacts to shed light on linguistic and performative strategies of resistance referred to as queer word and world making Questions of non normative expressions of gender and sexuality in South Africa refer to the politics of words and to their contested meanings and valuations reflected in the way that they roll off tongues If sexualities are not merely acts feelings or identities but embodiments of desires which invoke and influence social contexts assumptions about sexuality as a realm of situated knowledge cannot be trusted at face value Taylor Riley considers the meanings coded in words used to depict same sexualities and the productive silences which surround them and how those meanings are embraced altered and resisted through labors of everyday existence The volume sheds new light on and personalizes the

highly contested meanings which surround queer life and LGBTI rights in South Africa It will be of interest to scholars and upper level students of anthropology queer studies and African studies

Gender, Sexuality and National Identity in the Lives of British Lifestyle Migrants in Spain Laura Dixon,2021-03-28 This book takes an intimate look at the lives of British migrants in Sitges an affluent coastal tourist town in Northern Spain and investigates ideas of gender sexuality and national identity as they are brought to life through the voices of British lifestyle migrants Situating Sitges as a specifically affluent and middle class location representing a particular form of lifestyle migration this rich and detailed study explores how the experiences of British migrants re inscribe culturally specific understandings of the relationship between space place culture and identity What ultimately emerges is an account of the complex structural constraints of identity as British migrants find themselves stuck within the stereotype of badly behaved Brits Abroad and entangled in highly conservative conceptualisations of gender and sexuality that leave them unable to live the kind of cosmopolitan lifestyles that they so purposefully sought This is a fascinating study suitable for researchers in gender and sexuality studies tourism sociology and anthropology *The Publishers Weekly* ,2000 *Identities and Place* Katherine Crawford-Lackey,Megan E. Springate,2019-11-01 With a focus on historic sites this volume explores the recent history of non heteronormative Americans from the early twentieth century onward and the places associated with these communities Authors explore how queer identities are connected with specific places places where people gather socialize protest mourn and celebrate The focus is deeper look at how sexually variant and gender non conforming Americans constructed identity created communities and fought to have rights recognized by the government Each chapter is accompanied by prompts and activities that invite readers to think critically and immerse themselves in the subject matter while working collaboratively with others
