Margaret Thatcher A Tory And Her Party:

Margaret Thatcher Patrick Cosgrave,1978 Margaret Thatcher. A Tory and Her Party ,1978 **Margaret Thatcher, the Conservative Party and the Northern Ireland Conflict, 1975-1990** Stephen Kelly,2021-01-14 Winner of the 2022 CHOICE Outstanding Academic Titles The first woman elected to lead a major Western power and the longest serving British prime minister for 150 years Margaret Thatcher is arguably one the most dominant and divisive forces in 20th century British politics Yet there has been no overarching exploration of the development of Thatcher s views towards Northern Ireland from her appointment as Conservative Party leader in 1975 until her forced retirement in 1990 In this original and much needed study Stephen Kelly rectifies this From Thatcher s no surrender attitude to the Republican hunger strikes to her nurturing role in the early stages of the Northern Ireland peace process Kelly traces the evolutionary and sometimes contradictory nature of Thatcher s approach to Northern Ireland In doing so this book reflects afresh on the political relationship between Britain and Ireland in the late 20th century An engaging and nuanced analysis of previously neglected archival and reported sources Margaret Thatcher the Conservative Party and the Northern Ireland Conflict 1975 1990 is a vital resource for those interested in Thatcherism Anglo Irish relations and 20th century British political history more broadly

British Party Politics Stephen Driver,2011-05-16 This is an excellent text which charts a safe path for students through the minefield that is contemporary British party politics in a wonderfully efficient yet engaging way Colin Hay University Of Sheffield

The Anatomy of Thatcherism Shirley Robin Letwin,2018-04-17 The Anatomy of Thatcherism explains how for

the first time in British history a prime minister's name has become an Ism a symbol of a profound social change Letwin argues that Thatcherism promoted a moral agenda rather than an economic doctrine or a political theory in order to achieve a fundamental realignment in British politics She introduces a new term the vigorous virtues to describe what Thatcherites have aimed to cultivate in Individual Britons and In the country as a whole Her definition of Thatcherism is supported by a detailed analysis of the principal Thatcherite policies and the grounds on which they were advocated and opposed Inside and outside the Conservative Party Without departing from a lucid and lively style or resorting to technical jargon Dr Letwin explains such innovations as schools opting out budget holding by GPs and the creation of the first ever competitive spot market in electricity Just how did the Thatcherite administrations shape the reform of the unions How is the Thatcherite attitude to the family connected with Thatcherite policies on schools Why does monetarism appear wrongly to be at the heart of Thatcherism The Anatomy of Thatcherism is a bold and searching book about how Britain changed between 1979 and 1992 It challenges many truisms about British politics and Is indispensable reading both for those who believe in the future relevance of Thatcherism and for those who want to demolish it And it will be of particular interest to those concerned with the history of British politics as It shows how Thatcherism both arose out of and confronted trends that had permeated Conservatism for the entire twentieth century
