Marguerite and William Zorach Marilyn Friedman Hoffman,1987 Marguerite and William Zorach Marguerite Zorach,1987 **Marguerite and William Zorach** ,1987 **Marguerite & William Zorach** Jessica Nicoll,Marguerite Zorach,Roberta K. Tarbell,2001 The Women of Provincetown, 1915-1922 Cheryl Black,2002 In this work Cheryl Black argues that Provincetown has another largely unacknowledged claim to fame it was one of the first theatre companies in America in which women achieved prominence in every area of operation At a time when women playwrights were rare women directors rarer and women scenic designers unheard of Provincetown s female members excelled in all these functions making significant contributions to the development of modern American drama and theatre In addition to playwright Glaspell the company s female membership included the likes of poets Edna St Vincent Millay Mina Loy and Djuna Barnes journalists Louise Bryant and Mary Heaton Vorse novelists Neith Boyce and Evelyn Scott and painter Marguerite Zorach London's Women Artists, 1900-1914 Mengting Yu,2020-09-16 Drawing on untapped archives as well as aggregating a wide range of existing published sources this book recalibrates the understanding of women artists roles outputs and receptions in London during what was indubitably a vibrant and innovative period in the history of British art and in which the work of their male contemporaries is so well understood The book takes its starting point from Alicia Foster s article Gwen John s Self Portrait Art Identity and Women Students at the Slade School published in 2000 where the expression a talented and decorative group was coined to describe common attitudes towards women artists in the late 19th and early 20th century London This pejorative attribution strongly implied a status less significant to that of their male counterparts The author challenges this statement s basic tenet by casting a wide net in examining women s art education from the Slade School of Fine Art through to the role of its graduates within a selection of London s exhibition groups societies and publications This book also reconstructs from scratch the role of the Women s International Art Club WIAC hitherto entirely overlooked in art historical studies of the era This book will be of interest to students and researchers in art and cultural history gender studies and in sociological studies of pre War World War Britain **The Grove Encyclopedia of American Art** Joan M.
