Marguerite Yourcenar Inventing A Life:

Marguerite Yourcenar Josyane Savigneau, 1993-10 One of the most respected writers in the French language and best known as the author of *Memoirs of Hadrian* and *The Abyss* Yourcenar received countless literary honors and became the first woman to be elected to the Académie Française An uncompromising and intimate portrait 50 halftones **Marguerite Yourcenar and the USA** Bérengère Deprez, 2009 This is a very welcome contribution to the debate on the real effect of the United States on Yourcenar's life and thought a good read on a fascinating subject which critics have often treated dismissively Future scholarship will be obliged to weigh Bérengère Deprez's arguments and evidence seriously and thank her for her clearheaded thoroughness Prof Brian Gill University of Calgary Canada [The Documentary Imagination in Twentieth-Century French Literature](#) Alison James, 2020-09-03 The *Documentary Imagination in Twentieth Century French Literature* identifies a documentary impulse in French literature that emerges at the end of the nineteenth century and culminates in a proliferation of factual writings in the twenty-first Focusing on the period bookended by these two moments it highlights the enduring concern with factual reference in texts that engage either with current events or the historical archive Specifically it considers a set of ideas and practices centered on the conceptualization and use of documents In doing so it contests the widespread narrative that twentieth-century French literature abandons the realist enterprise and argues that writers instead renegotiate the realist legacy outside or at the margins of the fictional space of the novel Analyzing works by authors including Gide Breton Aragon Yourcenar Duras and Modiano the book defines a specific documentary mode of literary representation that records assembles and investigates material traces of reality The document is a textual visual or material piece of evidence repurposed through its visual insertion textual transcription or description within a literary work It is a fact but it also becomes a figure standing for literature's confrontation with the real The documentary imagination involves a fantasy of direct access to a reality that speaks for itself At the same time it gives rise to concrete textual practices that open up new directions for literature by interrogating the construction and interpretation of facts

procedures of conventional Roman biographers Revealing how and why M moires d Hadrien is as it is Marguerite Yourcenar s Hadrian illustrates how imaginative literary recreation is often little different from historical speculation **How To Do**

Re-Embroidering the Robe Suzanne Bray, Adrienne E. Gavin, Peter Merchant, 2009-10-02 Religious faith myths and legends have always been present in literature However their role has changed over time Since the middle of the nineteenth century with the diminishing role of religion in European society writers with some kind of belief system whether religious or political have tended to use myth in two different ways They have either retold the old familiar myths of the past so that they carry fresh messages relevant to a contemporary audience or created their own new myths as modern vehicles of traditional truths Many writers have combined the two techniques Such is the transforming artistry which the eighteen essays in Re-Embroidering the Robe examine the remaking or new minting of myth in literature from 1850 to the present day so that what it embodies and expresses speaks powerfully to the modern reader In widely differing ways therefore all of the texts analysed here compel attention

Walking Since Daybreak Modris Eksteins, 2021-05-12 An account of one family's displacement and the tragic history of twentieth century Latvia Lithuania and Estonia Deeply moving Los Angeles Times Winner of the Pearson Prize for Nonfiction The immense cataclysm of World War II devastated the Baltic republics of Lithuania Latvia and Estonia sending many of their inhabitants to the ends of the earth Part history part autobiography Walking Since Daybreak tells the tragic story of the Baltic nations before during and after the war Personal stories of the survival or destruction of Modris Eksteins's family members lend an intimate dimension to this vast narrative of those who have surged back and forth across the lowlands bordering the Baltic Sea In the tradition of books that redefine our historical understanding such as Huizinga's The Waning of the Middle Ages and Burckhardt's The Renaissance in Italy Eksteins's narrative is a haunting portrait of national loss and the struggle of a displaced family caught in the maw of history An authoritative and moving mélange of historical analysis family legend and memoir The Boston Globe Eksteins has astutely and thrillingly braided together the tortured history of

modern Latvia his own personal story of being born there in 1943 and the fate of his family as they and countless millions made their way to and through the refugee camps of postwar Europe The Washington Post Book World This unconventional account of the fate of the Baltic nations is also an important reassessment of WWII and its outcome the pivotal character is Eksteins s maternal great grandmother Grieta The tale of this Latvian chambermaid made pregnant and then rejected by her Baltic German baron serves as a mirror of Latvian German relations over the centuries In addition the family history opens up the subject of displacement and the struggle and hope of the immigrant experience Kirkus Reviews [Reference Guide to World Literature](#) Tom Pendergast,2003 Covers writers from the ancient Greeks to 20th century authors Includes biographical bibliographical entries on nearly 500 writers and approximately 550 entries focusing on significant works of world literature Each author entry provides a detailed overview of the writer s life and works Work entries cover a particular piece of world literature in detail **The Intersecting Realities and Fictions of Virginia Woolf and Colette** Helen Southworth,2004 What might the author of Mrs Dalloway and A Room of One s Own have in common with the author of the Claudine series and The Pure and the Impure Resisting long held interpretations that Colette and Virginia Woolf had little in common Southworth shows here the links between the two famous writers both real and imagined Often cast in their diametrically opposed roles of elitist bluestocking and risque music hall performer critics have overlooked the many ways in which the lives and works of Woolf and Colette intersect This study provides a broad ranging introduction to the biographical stylistic and thematic ties that link the lives and works of Britain s and France s first ladies of letters of the early twentieth century Situating the two writers within an international network of artists and literati including Jacques Emile Blanche Radclyffe Hall and Una Troubridge Winnie de Polignac Gisele Freund Sylvia Beach and Adrienne Monnier Vita Sackville West and Violet Trefusis this study complicates conceptions of the differences national sexual cultural and intellectual which have kept these two women apart by placing these same differences at its center Southworth develops work already undertaken on Woolf s contacts with France and adds to the body of comparative work on Woolf and her contemporaries This study also highlights as yet unexplored connections between Colette and her British and American peers Southworth s book makes a significant contribution to gay and lesbian studies and the study of modernist culture It also demonstrates the potential of social network theory for literary studies [A Blue Tale and Other Stories](#) Marguerite Yourcenar,1995-10-16 Three short stories by a Belgian writer 1903 1987 written in her youth The title story is on Greek treasure hunters who kidnap a deaf mute girl to lead them to a cave of sapphires and are punished for it while An Evil Spell is on sorcery in an Italian village [American Classicist](#) Victoria Houseman,2023-10-03 Flanders who led the movement in the Senate to censure Joseph McCarthy and inspired Hamilton s depiction of Demosthenes in her final book The Echo of Greece Houseman also situates Edith Hamilton s writing in relation to contemporary events such as the Great Depression the rise of fascism American involvement in the Second World War the dropping of the atomic bombs and American foreign policy during the Cold War

among others She argues that Hamilton s writing and themes were often a response to these events Even Mythology intended as a modern version of Bulfinch s Mythology was partly written during the fascist Italian invasion of Greece and makes many arguments for the special claims of Greece in Western history Her work has influenced generations of readers as well and was even said to have been a favorite of Robert Kennedy s who drew on The Greek Way for inspiration in drafting speeches
