NARRATIVE REPORT ON THE CLASS OPENING FOR SCHOOL YEAR 2022-2023

Lambol Labnig! As the motto says the Labnig National High School continues developing and improving and so whatever challenges it may face it will always strike forward and never hold back. With the full support of the faculty and staff, the community and stakeholders the Labnig NHS opened the school for the School Year 2022-2023 with a blast!

At exactly 6:30 in the morning the Labnig NHS gate opened and welcome the students for School Year 2022-2023 who are very eager and excited to enter the school go to the classrooms meet their new classmates that soon will be their friends and finally learned something from the teachers that they've missed for the past two (2) years. To welcome the students the Labnig NHS faculty and staff followed the health protocols to avoid spreading of unknown virus but unfortunately with the large number of students in a small school a social distancing of one (1) meter was really hard to realize. But it doesn't hinder for the successful conduct of the very first flag ceremony for this school year.

After the flag ceremony, Ma. Medy A. Castromayor, Head Teacher I, reminded the students of the school's rules and regulations written in the student handbook and encourages them to wear their school uniforms. Afterwards, the teachers were introduced starting from the lower grades. The excitement didn't end there because the school prepared a Q & A portion in which they can receive a small grocery package. It was hot, it was exciting and it was fun! Everybody enjoyed the first flag ceremony and "hugyaw" after the two (2) years of staying at home and answering module.

The "hugyaw" didn't take long and the students finally enter their respective classrooms and undergone with their orientation and psychosocial activities.

Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
