Maria Nadie:

Subversive Silences Helene Carol Weldt-Basson, 2009 Weldt Basson Spanish Wayne State U investigates how seven Latin American women writers of the twentieth and twenty first centuries have used the concept of submissive silence in their works as a sign of women's rebellion against the passive silence imposed by patriarchy Using different theoretical perspectives in each chapter she demonstrates how Marta Brunet Maria Luisa Bombal Rosario Castellanos Isabel Allende Rosario Ferre Laura Esquivel and Sandra Cisneros have used silence thematically and stylistically through hyperbole coding irony parody and cultural symbol and how silence reflects different time periods and countries Passionate Subjects/split Subjects in Twentieth-century Literature in Chile Bernardita Llanos M., 2009 Throughout the literary imaginaries of the twentieth century there is a reiteration of an authoritarian patriarchal pattern that permeates the social arena as well as the female subject revealing the contradictions of the Chilean modernity modernization process The nation appears invariably determined by semi feudal and semi modern structures as well as split female modern subjects Noticing this has led the author to write this book and investigate specifically the ways the discourse of modernity conflicts with the marriage contract in the construction of feminine subjectivity Marriage is one of the modern protocols that resolve sexual difference through a pact that proclaims male protection in exchange for female obedience Subordination of difference becomes the overarching feature guiding an incomplete modernity and its attainment in a hierarchical society **Diamela Eltit** Michael J. Lazzara, Mónica Barrientos, Rosa Olivera-Williams, 2023-12-14 Diamela Eltit's literary work emerged on the Chilean cultural scene in the 1980s when the Pinochet regime 1973 1990 had consolidated its project of extermination censorship and neoliberal shock therapy Forced to write in a suffocating atmosphere of restriction and violence Eltit boldly cultivated a radical insurrectional poetics aimed at questioning the very underpinnings of authoritarian power and discourse While Eltit's novels published between 1983 and the present provide a remarkable vision of Chile that has evolved over the past decades she offers a different vantage point through her prolific and rigorous cultivation of literary essays Translated for the first time into English this collection of Eltit's essays allows readers to delve into her key concerns as a writer and intellectual the neoliberal marketplace the marginalization of bodies in society questions of gender and power struggles for memory truth and justice after dictatorship and the ever complex relationships among politics ethics and aesthetics Latin-American Women Writers Myriam Yvonne Jehenson, 1995-01-01 This book describes how Latin American women writers of all classes from the beginning of the twentieth century to the present ironize masculinist classicist and racist clichés in their narratives **Escritoras chilenas** Benjamín Rojas Piña, Patricia Pinto Villarroel, Patricia Rubio de Lértora, 1994 *The Columbia Guide to the Latin American Novel Since 1945* Raymond L. Williams, 2007-09-21 In this expertly crafted richly detailed guide Raymond Leslie Williams explores the cultural political and historical events that have shaped the Latin American and Caribbean novel since the end of World War II In addition to works originally composed in English Williams covers novels

Patagonia Chris Moss,2016-08-09 Patagonia is the ultimate landscape of the mind Like Siberia and the Sahara it has become a metaphor for nothingness and extremity Its frontiers have stretched beyond the political boundaries of Argentina and Chile to encompass an evocative idea of place A vast triangle at the southern tip of the New World this region of barren steppes soaring peaks and fierce winds was populated by small tribes of hunter gatherers and roaming nomads when Ferdinand Magellan made landfall in 1520 A fateful moment for the natives this was the start of an era of adventure and exploration Soon Sir Francis Drake and John Byron and sailors from Europe and America would be exploring Patagonia s bays and inlets mapping fjords and channels whaling sifting the streams for gold in the endless search for Eldorado As the land was opened up in the nineteenth century a crazed Frenchman declared himself King A group of Welsh families sailed from Liverpool to Northern Patagonia to found a New Jerusalem in the desert Further down the same river Butch and Sundance took time out from bank robbing to run a small ranch near the Patagonian Andes All these and later travel writers have left sketches and records memoirs and diaries evoking Patagonia s grip on the imagination From the empty plains to the crashing seas from the giant dinosaur fossils to glacial sculptures the landscape has inspired generations of travellers and artists

Limits of Liberation Elina Vuola,2002-09-19 How far are the real lives of millions of poor women really catered for in liberation and feminist theologies Vuola argues here that traditional liberation theology s notion of praxis as in L Boff and E Dussel is limited by its essentialist notion of poor and its neglect of the issue of poor women s reproductive rights Classical feminist theologies on the other hand are fraught with their own essentialist notions women s experience Both discourses are inadequate to deal with poor women s suffering widespread maternal mortality high rates of botched illegal abortions and an overall lack of reproductive rights As a response to this lack Vuola nurtures a form of Latin American feminist liberation theology that addresses directly the suffering and death of these millions of women
