Too Late to Weep R. Dwain Burton, 2009-09 Not too Late to Weep is the story of a boy who faces unsurmountable trials as he grows into manhood and yet somehow manages to overcome them without tears It is not until he is in his sixties that he begins to face them as though for the first time This brings a flood of memories with abundant tears and he cries Oh God my loss is greater than I can bear He faces these failures and successes honestly and without reservation and lets the written pages record the beautiful and the ugly the gains and the losses and the unforgiveness and the forgiven Weakened by kidney disease the boy and later the man tries to compete in a world that is unrivaled and alien to him and feels he is inadequate in every trial Come along with him as he shares the adventures of a boy constantly reaching for the next greater rush or to reach for something that is continually out of reach And as a man finds he cannot hold on to his dream and watches it sift through his fingers like flour through a sieve And yet the latter years are better than the former as inner healing takes place

nor her proper parents would ever forget It was a night that shattered stereotypes and their hopes for a romance But it didn't derail the long distance friendship that would sustain them both through thirty years of love affairs heartbreaking disappointments social change divorce and the loss of a cherished friend as they negotiated the passages from youth to middle age And with each move the packet of precious letters traveled too These letters form the heart of a wonderful memoir that captures not just the hopes of a generation and the soul of the South on the brink of inexorable change but the experience of being young bright and passionate Younger Than That Now is as achingly expressive as Janis Joplin singing Me and Bobby McGee as revealing of youth's wild yearnings as a Woodstock documentary It is sharp funny and true a mirror for a generation both then and now
