**Marine Sniper** Charles Henderson,2001-10-01 The explosive true story of Sergeant Carlos Hathcock a legendary Marine sniper in the Vietnam War There have been many Marines There have been many marksmen But there has only been one Sergeant Carlos Hathcock He stalked the Viet Cong behind enemy lines on their own ground And each time he emerged from the jungle having done his duty His record is one of the finest in military history with ninety three confirmed kills This is the story of a simple man who endured incredible dangers and hardships for his country and his Corps These are the missions that have made Carlos Hathcock a legend in the brotherhood of Marines They are exciting powerful chilling and all true INCLUDES PHOTOGRAPHS

**Silent Warrior** Charles Henderson,2003-01-01 The sequel to Marine Sniper 93 Confirmed Kills continues the story of U S Marine Corps sniper Carlos Hathcock and his accomplishments as a veteran of the Vietnam War detailing his most difficult and dangerous missions Reprint

The Great Sniper Delmar Savko,2021-09-14 Few Vietnam era Marines are more storied than legendary sniper Carlos Hathcock He didn t just his success by confirmed kills or the longest shots taken though he held both records in his lifetime Others tend to judge a sniper in those ways but that didn t matter to Gunny Hathcock He didn t enjoy the killing he enjoyed the hunt With 93 confirmed kills and over 300 unconfirmed Carlos had sealed his place among the world s deadliest snipers Crawling his way to the den of his target waiting in the prowl embracing the stillness of the dead pulling his trigger with immaculate precision and returning his way to his tent on the hilltop undetected with such finesse and expertise that Carlos makes it all look effortless But knowing the nuanced details of his painfully sluggish mode of transport that would take at least days before he worms his way through the swampy and muddy rice fields during day and night one cannot stop to think what a harrowing experience it would have been Carlos himself was homesick and lonely but that didn t dent his resolve to butcher the men who had no qualms in firing away at his fellow marines The lonely nights that Carlos spends ruminating on his bunker on the hilltop listening to the wind howling through every chink on the makeshift roof he was reminded of his grandma s cottage in the countryside in Arkansas How lovely and boisterous had those days been Carlos was nostalgic and his heart had doddered off to a place of remove It happens often on nights like these This is a riveting tale of an US marine who was enamored by his profession lived and died completely surrendering to the sport of sniping His tale of scaling great heights and eventually losing it all is equally inspiring and heart breaking

were forced to learn during decades of on the job training in continuous wars with unwelcomed invaders My own Military Police experience after leaving the infantry revealed these incidents vividly In later chapters Dusty moves into our own veterans profound resolve and toughness North Vietnam s famed General Giap called us an honorable enemy One could suggest from this writing that our enemy taught us well We did things in the Vietnam War the average person would have to go to the movies to believe After reading Trimmer s descriptions I must conclude that indeed this book could be one for the movie industry Dusty Trimmer brings to life our days and nights living and fighting in these foreboding jungle warfare conditions After reading this fine work and reflecting on my own experiences I cut away a little more of the pain Pride swells for having served with all of these wonderful veterans of the Vietnam War Pain for our terrible losses For myself these experiences culminated in wisdom I would otherwise have failed to achieve God bless Dusty for telling our story Forward march Brothers
