Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31

1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008      Kansas Troubles Earlene Fowler, 1997-03-01 After a whirlwind marriage to San Celina Police Chief Gabe Ortiz Benni Harper is excited to visit her Kansas hometown At a rowdy backyard barbecue she meets Tyler Brown an aspiring country singer with a promising future and a fascinating past Once Tyler had lived the simple Amish life Now she s determined to make it on her own selling her exquisite handmade quilts But Tyler s gifts and her life are cut short when she s murdered Out of his jurisdiction Gabe is frustrated to sit on the sidelines while his friends are investigated by his own sleuthing wife And Benni realizes that her hasty marriage will be much like Kansas weather unpredictable and bound to be stormy
