History of Indianapolis and Marion County, Indiana, Volume 1 Berry Robinson Sulgrove,2021-08-06 In a history mainly composed of the incidents that indicate the growth of a community and the direction and character of it where few are important enough to require an extended narration and the remainder afford little material it is not easy to construct a continuous narrative or to so connect the unrelated points as to prevent the work taking on the aspect of a pretentious directory In this case however the author presents us an almost perfect history of the town of Indianapolis including all townships and Marion County Indiana This is
