Robert R. Redfield

Marital Love Hate The Need For A Revised Marriage Contract:

Marital Love and Hate Israel W. Charny, 1972 Beloved Dust Robert Davis Hughes, III, 2008-08-15 There has been an explosion of interest in classical Christian spirituality over the past 50 years While a great deal of work has been done on the history of Christian spirituality there has been no full scale theological and pastoral treatment of Christian spiritual life since before the Second Vatican Council Beloved Dust takes a realistic contemporary view of human being as entirely physical dust and shows it immersed in three great tides of the Holy Spirit the traditional threefold rhythm of conversion transfiguration and glory What is unique about Robert Hughes s approach is the effort to root spiritual theology in the doctrine of the Spirit an outgrowth of the renewed interest in the Trinity among both Catholics Karl Rahner and Protestants Robert Jenson Also striking is Hughes s emphasis on ordinary life Here as a married Episcopal priest theologian who brings a distinctly Protestant perspective to a traditionally Catholic enterprise for so long the preserve of celibate priests What he achieves is a new presentation of the traditional teaching in the light of contemporary knowledge and practice Psychotherapy for a Democratic Mind Israel W. Charny, 2018-01-19 Psychotherapy for a Democratic Mind proposes that the optimal goal of psychotherapy lies in cultivating a free mind with integrity that will not seek to do major harm to one s life or to the lives of others This book looks at a wide range of psychiatric disorders including classic conditions of neurosis personality disorders and psychoses through a different lens Rather than simply enumerating symptoms namely how a person is addressing the opportunity of his her life and the lives of others and whether a person is doing harm to themselves and or others This book proceeds to grapple with several critical life experiences and styles tragedy violence and evil all of which often have posed insurmountable problems in therapy American Book Publishing Record Cumulative, 1950-1977 R.R.
