Maritime Solidarity Pacific Coast Unionism 1929-1938:

Maritime Solidarity Ottilie Markholt, 1998 Solidarity Stories Harvey Schwartz, 2015-08-03 The International Longshore and Warehouse Union born out of the 1934 West Coast maritime and San Francisco general strikes under the charismatic leadership of Harry Bridges has been known from the start for its strong commitment to democracy solidarity and social justice In this collection of firsthand narratives union leaders and rank and file workers from the docks of Pacific Coast ports to the fields of Hawaii to bookstores in Portland Oregon talk about their lives at work on the picket line and in the union Workers recall the back breaking humiliating conditions on the waterfront before they organized the tense days of the 1934 strike the challenges posed by mechanization the struggle against racism and sexism on the job and their activism in other social and political causes Their stories testify to the union's impact on the lives of its members and also to its role in larger events ranging from civil rights battles at home to the fights against fascism and apartheid abroad Solidarity Stories is a unique contribution to the literature on unions There is a power and immediacy in the voices of workers that is brilliantly expressed here Taken together these voices provide a portrait of a militant corruption free democratic union that can be a model and an inspiration for what a resurgent American labor movement might look like The book will appeal to students and scholars of labor history social and economic history and social change as well as trade unionists and anyone interested in labor politics and history Monthly Labor Review United States. Bureau of Labor Statistics, 2006 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews **Labor's Cold War** Shelton Stromquist, 2008 How the Cold War affected local level union politics Harry Bridges Robert W. Cherny, 2023-01-10 Winner of a Silver Medal from the Independent Publisher Book Awards Won Honorable Mention for 2023 ILHA Book of the Year International Labor History Association The iconic leader of one of America's most powerful unions Harry Bridges put an indelible stamp on the twentieth century labor movement Robert Cherny's monumental biography tells the life story of the figure who built the International Longshore and Warehouse Union ILWU into a labor powerhouse that still represents almost 30 000 workers An Australian immigrant Bridges worked the Pacific Coast docks His militant unionism placed him at the center of the 1934 West Coast Waterfront Strike and spurred him to expand his organizing activities to warehouse laborers and Hawaiian sugar and pineapple workers Cherny examines the overall effectiveness of Bridges as a union leader and the decisions and traits that made him effective Cherny also details the price paid by Bridges as the US government repeatedly prosecuted him for his left wing politics Drawing on personal interviews with Bridges and years of exhaustive research Harry Bridges places an extraordinary individual and the ILWU within the epic history of twentieth century labor radicalism Joe Hill Franklin Rosemont, 2015-12-18 A monumental work expansive in scope covering the life times and culture of that most famous of the Wobblies songwriter poet hobo thinker humorist martyr Joe Hill It is a journey into the Wobbly culture that made Hill and the capitalist culture that killed him Many aspects of the life and lore of Joe Hill

receive their first and only discussion in IWW historian Franklin Rosemont's opus. In great detail the issues that Joe Hill raised and grappled with in his life: capitalism, white supremacy, gender, religion, wilderness, law, prison, and industrial unionism are shown in both the context of Hill's life and for their enduring relevance in the century since his death. Collected too is Joe Hill's art plus scores of other images featuring Hill inspired art by IWW illustrators from Ralph Chaplin to Carlos Cortez as well as contributions from many other labor artists. As Rosemont suggests in this remarkable book, Joe Hill never really died. He lives in the minds of young and old rebels as long as his songs are sung, his ideas are circulated, and his political descendants keep fighting for a better day.

A Global Union for Global Workers Nathan Lillie, 2013-10-08. This is a book about how global unionism was born in the maritime shipping sector. It argues that the industrial structure of shipping and specifically the interconnected nature of shipping production chains facilitated the globalization of union bargaining strategy and the transnationalization of union structures for mobilizing industrial action. This in turn led to global collective bargaining institutions and effective union participation in global regulatory politics. This study uses a variety of source and analytical techniques relying heavily on interviews with union officials and other maritime industry people in many countries.

Historical Dictionary of Organized Labor Sjaak van der Velden, 2021-04-22. From the start of its existence, organized labor has been the voice of workers to improve their economic, social, and political positions. Beginning with small and very often illegal groups of involved workers, it grew to the million member organizations that now exist around the globe. It is studied from many different perspectives: historical, economic, sociological, and legal, but it fundamentally involves the struggle for workers' rights, human rights, and social justice. In an often hostile environment, organized labor has tried to make the world a fairer place. Even though it has only ever covered a minority of employees in most countries, its effects on their political, economic, and social systems have been generally positive. Despite growing repression of organized labor in recent years, membership numbers are still growing for the benefit of all employees, including the non-members. *Historical Dictionary of Organized Labor*, Fourth Edition, makes the history of this important feature of life easily accessible. The reader is guided through a chronology, an introductory essay, 600 entries on the subject, appendixes with statistical material, and an extensive bibliography including Internet sites. This book gives a thorough introduction into past and present for historians, economists, sociologists, journalists, activists, labor union leaders, and anyone interested in the development of this important issue.

Dock Workers Sam Davies, Colin J. Davis, David de Vries, Lex Heerma van Voss, Lidewij Hesselink, Klaus Weinbauer, 2017-09-29. Workers who loaded and unloaded ships have formed a distinctive occupational group over the past two centuries. As trade expanded, so the numbers of dock labourers increased and became concentrated in the major ports of the world. This ambitious two-volume project goes beyond existing individual studies of dock workers to develop a genuinely comparative international perspective over a long historical period. Volume 1 contains studies of 22 major ports worldwide. Built around an agreed framework of issues, these port studies examine the type of workers who dominated dock labour, their

race class and ethnicity the working conditions of dockers and the role of government as employer arbitrator and supporter The studies also detail how dockers organized their labour patterns of strike action and involvement in political organizations The structure of the port city is also outlined and descriptions given of the waterside environment These areas of investigation form the basis for a series of 11 thematic studies which comprise Volume 2 Drawing on the information provided in the port studies these essays identify important aspects and recurring themes and explain how and why particular cases diverge from the rest The final chapter of the book synthesizes the various approaches taken to offer a model which suggests several configurations of dock labour and presents suggestions for future research This major scholarly achievement represents the most sustained attempt to date to provide a comparative international history of dock labour An annotated bibliography completes this essential reference work

Historical Dictionary of Organized Labor James C. Docherty, Sjaak van der Velden, 2012-06-14 Organized labor is about the collective efforts of employees to improve their economic social and political position It can be studied from many different points of view historical economic sociological or legal but it is fundamentally about the struggle for human rights and social justice As a rule organized labor has tried to make the world a fairer place Even though it has only ever covered a minority of employees in most countries its effects on their political economic and social systems have been generally positive History shows that when organized labor is repressed the whole society suffers and is made less just The Historical Dictionary of Organized Labor looks at the history of organized labor to see where it came from and where it has been This is done through a chronology an introductory essay appendixes a glossary of terms and an extensive bibliography The dictionary section has over 400 cross referenced entries on most countries international as well as national labor organizations major labor unions leaders and other aspects of organized labor such as changes in the composition of its membership This book is an excellent access point for students researchers and anyone wanting to know more about organized labor

In the Interest of Others John S. Ahlquist, Margaret Levi, 2013-09-08 A groundbreaking study of labor unions that advances a new theory of organizational leadership and governance In the Interest of Others develops a new theory of organizational leadership and governance to explain why some organizations expand their scope of action in ways that do not benefit their members directly John Ahlquist and Margaret Levi document eighty years of such activism by the International Longshore and Warehouse Union in the United States and the Waterside Workers Federation in Australia They systematically compare the ILWU and WWF to the Teamsters and the International Longshoremen's Association two American transport industry labor unions that actively discouraged the pursuit of political causes unrelated to their own economic interests Drawing on a wealth of original data Ahlquist and Levi show how activist organizations can profoundly transform the views of members about their political efficacy and the collective actions they are willing to contemplate They find that leaders who ask for support of projects without obvious material benefits must first demonstrate their ability to deliver the goods and services members expect These leaders must also build

governance institutions that coordinate expectations about their objectives and the behavior of members In the Interest of Others reveals how activist labor unions expand the community of fate and provoke preferences that transcend the private interests of individual members Ahlquist and Levi then extend this logic to other membership organizations including religious groups political parties and the state itself *Archie Green* Sean Burns,2011-11-01 Archie Green The Making of a Working Class Hero celebrates one of the most revered folklorists and labor historians of the twentieth century Devoted to understanding the diverse cultural customs of working people Archie Green 1917 2009 tirelessly documented these traditions and educated the public about the place of workers culture and music in American life Doggedly lobbying Congress for support of the American Folklife Preservation Act of 1976 Green helped establish the American Folklife Center at the Library of Congress a significant collection of images recordings and written accounts that preserve the myriad cultural productions of Americans Capturing the many dimensions of Green s remarkably influential life and work Sean Burns draws on extensive interviews with Green and his many collaborators to examine the intersections of radicalism folklore labor history and worker culture with Green s work Burns closely analyzes Green s political genealogy and activist trajectory while illustrating how he worked to open up an independent political space on the American Left that was defined by an unwavering commitment to cultural pluralism **Citizen Docker** Andrew Parnaby,2008-01-01 After the First World War many Canadians were concerned with the possibility of national regeneration Progressive minded politicians academics church leaders and social reformers turned increasingly to the state for solutions Yet as significant as the state was in articulating and instituting a new morality outside actors such as employers were active in pursuing reform agendas as well taking aim at the welfare of the family citizen and nation Citizen Docker considers this trend focusing on the Vancouver waterfront as a case in point After the war waterfront employers embarked on an ambitious program welfare capitalism to ease industrial relations increase the efficiency of the port and ultimately recondition longshoremen themselves Andrew Parnaby considers these reforms as a microcosm of the process of accommodation between labour and capital that affected Canadian society as a whole in the 1920s and 1930s By creating a new sense of entitlement among waterfront workers one that could not be satisfied by employers during the Great Depression welfare capitalism played an important role in the cultural transformation that took place after the Second World War Encompassing labour and gender history aboriginal studies and the study of state formation Citizen Docker examines the deep shift in the aspirations of working people and the implications that shift had on Canadian society in the interwar years and beyond Living Devotions Mary Clark Moschella,2008-01-01 Living Devotions explores how a particular community has creatively negotiated its religious bonds of connection in the context of immigration These matters cannot be studied in the abstract Religious practice is not something separate from the economic cultural and psychological dimensions of life but rather something integral which shapes and is being shaped by all of these other realities The author examines these dynamics through an ethnographic case study of the

living devotions of a group of Italian Catholic immigrants to San Pedro California The narrative describes how the group's historical experiences of immigration and fishing find expression in their particular forms of prayer art artifacts and food The healing and transformative power of these shared religious practices is explored As contemporary theologians pastors and congregations seek to welcome and care for immigrants and other strangers in a shifting social landscape we need ways to engage in care full and attentive relationships The ethnographic method employed here suggests a way to lift up the voices of ordinary people allowing them to tell their own stories while piecing together emerging bits of theological wisdom and compelling care practices While the particular insights of any community are situated and specific theological reflection in one context can animate a broader discussion of transformative pastoral theology and practice

Environnements portuaires Anne-Lise Piétri-Lévy, Que savons nous aujourd'hui des ports de leur histoire et de leur fonctionnement Une des approches les plus fructueuses passe par l'étude des environnements portuaires Des spécialistes français britanniques américains belges allemands et italiens nous apportent le résultat des recherches qu'ils développent depuis de longues années Historiens sociologues géographes professionnels nous livrent leurs réflexions sur ce milieu si important pour l'évolution de nos civilisations Les exemples sont tirés de toutes les mers du globe de San Francisco Montevideo d'Anvers Gioia Tauro Les ports français bien représentés sont de Dunkerque Fos avec une attention toute particulière pour la Basse Seine Le Havre Rouen Honfleur Dives et la Bretagne Mais l'ouvrage va au-delà des études de cas puisque l'une de ses originalités est de regrouper plusieurs articles marqués par la dimension comparative Dans une première partie les auteurs examinent les représentations et la culture des ports Dans la deuxième des réalités plus matérielles telles que les espaces les aménagements et les règlements occupent le premier plan La troisième partie enfin la plus longue est dédiée à la foule des milliers de la mer marins manutentionnaires pêcheurs pilotes et surtout dockers Ces derniers sont étudiés par des chercheurs qui ont consacré des années d'études ce milieu complexe et fascinant

The Encyclopedia of Strikes in American History Aaron Brenner, Benjamin Day, Immanuel Ness, 2015-01-28 Strikes have been part of American labor relations from colonial days to the present reflecting the widespread class conflict that has run throughout the nation's history Against employers and their goons against the police the National Guard local state and national officials against racist vigilantes against their union leaders and against each other American workers have walked off the job for higher wages better benefits bargaining rights legislation job control and just plain dignity At times their actions have motivated groundbreaking legislation defining new rights for all citizens at other times they have led to loss of

workers lives This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America To provide the analytical tools for understanding strikes the volume includes two types of essays those focused on an industry or economic sector and those focused on a theme Each industry essay introduces a group of workers and their employers and places them in their economic political and community contexts The essay then describes the industry s various strikes including the main issues involved and outcomes achieved and assesses the impact of the strikes on the industry over time Thematic essays address questions that can only be answered by looking at a variety of strikes across industries groups of workers and time such as why the number of strikes has declined since the 1970s or why there was a strike wave in 1946 The contributors include historians sociologists anthropologists and philosophers as well as current and past activists from unions and other social movement organizations Photos a Topic Finder a bibliography and name and subject indexes add to the works appeal

Maritime Solidarity Pacific Coast Unionism 19291938 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Maritime Solidarity Pacific Coast Unionism 19291938 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Maritime Solidarity Pacific Coast Unionism 19291938 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Maritime Solidarity Pacific Coast Unionism 19291938 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Maritime Solidarity Pacific Coast Unionism 19291938 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Maritime Solidarity Pacific Coast Unionism 19291938 is one of the best book in our library for free trial. We provide copy of Maritime Solidarity Pacific Coast Unionism 19291938 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Maritime Solidarity Pacific Coast Unionism 19291938. Where to download Maritime Solidarity Pacific Coast Unionism 19291938 online for free? Are you looking for Maritime Solidarity Pacific Coast Unionism 19291938 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Maritime Solidarity Pacific Coast Unionism 19291938. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Maritime Solidarity Pacific Coast Unionism 19291938 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Maritime Solidarity Pacific Coast Unionism 19291938. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Maritime Solidarity Pacific Coast Unionism 19291938 To get started finding Maritime Solidarity Pacific Coast Unionism 19291938, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds

of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Maritime Solidarity Pacific Coast Unionism 19291938 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Maritime Solidarity Pacific Coast Unionism 19291938. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Maritime Solidarity Pacific Coast Unionism 19291938, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Maritime Solidarity Pacific Coast Unionism 19291938 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Maritime Solidarity Pacific Coast Unionism 19291938 is universally compatible with any devices to read.
