Mark of the Werewolf Jeffrey Sackett, 1990-01-01 A neofascist group seeks to tap into the immortality of Janus Kaldy a man werewolf condemned to an eternity of killing in order to breed a race of hatemongers impervious to death *The Mark of the Wolf* JS Groves, 2018-01-17 When a Margaret is attacked by what she believes to be a werewolf her life is turned upside down Confused and afraid the only people she feels safe going to for help are the strange goth kids that everyone says are witches Dominic and Aaron are Pagans not fools and smell a trap But Jacob insists they take her seriously When they agree to help her they and all their friends are swiftly drawn into a larger world of monsters and magic more dangerous than they had ever suspected was real **The Alpha's Soulmate** Raven Hart, 2025-06-09 In a world where mythical creatures rule

humans are nothing more than slaves subjugated powerless and without rights They live in the shadows bound by the whims of their supernatural masters The only glimmer of hope in this oppressive world is the belief that someday they might become the soul mate of one of these creatures But not her She has always despised the very thought of mythical beings especially werewolves the monsters who are both feared and revered in equal measure Every bone in her body rejects the idea that she could ever be connected to one of them To her they are nothing but predators their power and cruelty leaving nothing but destruction in their wake The idea of being anyone's soul mate let alone a werewolf's is a notion that repulses her But fate has a twisted sense of humor When she discovers that she is in fact the soul mate of one of these so called monsters everything she thought she knew about the world and herself shatters To make matters worse the werewolf she's destined for isn't just any creature he's the Alpha the most powerful and feared leader in the region He holds dominion over not just werewolves but all the mythical creatures who have long held sway over humanity Now she is caught in a battle she never asked for Her hatred for these creatures is torn apart by the undeniable bond growing between them a bond that calls to her soul even as it repels her heart She's faced with a choice reject the mate bond and risk everything her life her freedom and her very identity or embrace it and become the Alpha's mate in a world where power and control reign supreme Will she overcome her deep seated hatred and accept the truth of her soul's connection to the very monster she's spent her life despising Or will the weight of the bond prove too much tearing her apart in ways she never imagined *Kissed the Mark*

The Summer of 1964 Leo Mount, 2019-02-05 Childhood summer vacations are always special, but the summer before a life-changing event like your first year of high school can be particularly memorable. The great unknown of venturing out of your neighborhood comfort zone and meeting new friends can be stressful, but also holds out the promise of meeting lifelong friends. The Summer of 1964 tells the story of Marty McAlynn, a fourteen-year-old boy as he experiences his last summer before entering secondary school. As the summer develops, it is shaping up as the greatest summer of his young life for several reasons. His favorite team, the almost always hapless Philadelphia Phillies, are defying all expectations and are in the thick of a red-hot pennant race. Marty is also indulging his creative passion and love of the classic Universal horror movies by making his very own home movie, a monster film about Frankenstein and the Wolfman. Marty lives in the heart of South Philadelphia with his large family headed by his dad, Martin Senior, a Philadelphia fireman; his mom, Veronica, a stay-at-home mother of ten children; and his maternal grandfather, Adolph, a World War I veteran and refugee from the Austro-Hungarian Empire. Marty discovers the joys and heartache of a summer that will never be forgotten. It is also a bittersweet tale of how baseball can bind three generations with agonizing thrills, heartbreaking defeats, and lifetime memories.

The exorcism of the demon caused a fracture in the very nature of magic itself that only they can fix. Can they trust this mysterious new player? While this is going on, Omar begins to distance himself from the brotherhood. What or who is behind this new direction? And will the Potent Four be able to overcome the mounting complications in their lives to heal the rift in magic using each other's powers? It's a supernatural switcheroo with only the world at stake.
