# Mark Twain Murders A Beth Austin Mystery

**Edith Skom**

## **Mark Twain Murders A Beth Austin Mystery:**

**The Mark Twain Murders** Edith Skom, 1990 Skulduggery was afoot in the campus library at Midwestern University. Sinister students were razoring pages from periodicals and stealing obscure essays for their term papers. A bookish thief was making a bundle smuggling out valuable first editions for resale. And in the South Tower a killer was stalking a coed. Even so Professor Beth Austin was shocked and intrigued to find a handsome FBI agent in the English Department. Soon they had joined forces delving into the lives of her eccentric colleagues and straying into the dark shadows of the groves of academe where someone's hands were stained with blood. Mystery Women, Volume Two (Revised) Colleen Barnett, 2011-12-31

Many bibliographers focus on women who write. Lawyer Barnett looks at women who detect at women as sleuths and at the evolving roles of women in professions and in society. Excellent for all women's studies programs as well as for the mystery hound. Look at the popularity of such reading guides as Willetta Heising's *Detecting Women* 3rd ed 0 9644593 7 X or Amanda Cross fiction *Honest Doubt* 0 345 44011 0 11 00. *The Charles Dickens Murders* Edith Skom, 1998 Edith Skom returns better than ever with another clever tale of English professor and amateur sleuth Beth Austin. With her unique ability to twist a plot with humor, style, and flair, Skom is certain to meet her fans' great expectations. *The Charles Dickens Murders* is perfect for readers who enjoy the books of Amanda Cross and Elizabeth Peters. On a sweltering summer night a woman is murdered in her hospital bed in New York City. Almost a thousand miles away, Midwestern University professor Beth Austin is leading a class through the complete works of Charles Dickens. The framework that connects this tale of two cities begins to unfold when Beth learns something she never could have imagined forty years ago: her mother was involved in a treacherous love triangle at the University of Chicago. Disturbed by her mother's past of painful lies, secrets, and murder, Beth is determined to find out the truth, no matter the cost. As she delves into the story of the man her mother loved and her rival for his affections, Beth discovers that these old deadly secrets may well destroy her own dreams for the future. Edith Skom is the author of *The Mark Twain Murders* and *The George Eliot Murders* and has been nominated for the Agatha Macavity and the Anthony Award. She lives outside of Chicago, Illinois, where she is a lecturer at Northwestern University. **Academe in Mystery and Detective Fiction** John E. Kramer, 2000 This bibliography provides citations for and annotations of 486 full-length works, detective or mystery fiction that are either set on a college campus or else feature key characters acting in their academic roles off campus. Annotations include plot summaries with special emphasis on the academic content and biographical information on the author. Entries are listed chronologically by the first date of publication. They are indexed by author, by title, by character, and by college. A brief annotated bibliography of books, journal issues, and essays about college mysteries is also included. Annotation copyrighted by Book News, Inc., Portland, OR. *The George Eliot Murders* Edith Skom, 1995 A dress designer fails to her death in the hotel lobby. A body is found on the jogging trail. Not what Professor Beth Austin had in mind when she left Midwestern's icy February campus for a sabbatical at Hawaii's Royal Aloha hotel to prepare a seminar on

George Eliot's *Middlemarch* Suddenly Beth finds herself smack in the middle of another case To solve the crimes she teams up with a retired lawyer and a very famous very handsome writer Life begins to imitate art when Beth realizes the super-rich guests of the Royal Aloha one of whom may be a murderer bear an uncanny resemblance to the characters in *Middlemarch* When a fierce storm closes off the outside world trapping panicked guests inside with an unknown killer Beth's budding romance takes a backseat as the tension escalates and she becomes a target for murder

Names such as Sherlock Holmes Hercule Poirot and Sam Spade are perhaps better known than the names of the authors who created them The woman detective has also had worldwide appeal yet with the exception of Christie's Miss Marple the names of female detectives and their authors have only recently gained wide attention through the popularity of Marcia Muller Sue Grafton and Sara Paretsky The essays in this collection grapple with a wide range of issues important to the female sleuth the most important perhaps being the oft heard challenge to her suitability for the job Not surprisingly gender issues are the main focus of all the essays indeed in detective novels with a woman protagonist these issues are often right at the surface Some of the papers see the female sleuth as an important force in popular fiction but many also challenge the notion that the woman detective is a positive model for feminists They argue that fictional female sleuths have lost the otherness that a feminine approach to the genre should encourage Collectively the essays also reveal the differences between British and American perspectives on the woman detective *The Lantern's Core*, 1993 **Book Review Digest**, 1997

**Bowker's Guide to Characters in Fiction 2007**, 2008-02 *The New York Times Book Review*, 1989-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback *The Fast Death Factor* Virginia Crosby, 1990

*Alternative Library Literature*, 1992 **Olderr's Fiction Index**, 1989 Murder...By Category Tasha Mackler, 1991-11 For the first time here is an annotated bibliography of murder mysteries that is organized by the category of the mystery and lists only contemporary publications including an extensive listing of titles that are paperback originals Categories range from Academic Getting Away with Murder and Old Crimes and Murders to Writers and Their Conventions Because an interesting annotation should be available for reading contemporary publications were chosen With the exception of a few favorites each entry was in print in either a paperback or a hardcover edition in 1985 and listings continue through late 1991 *Murder By Category* is the companion to take for library and bookstore browsing *What Do I Read Next?* Gale Group, Barron, Barton, Steven A. Stilwell, 1996-06 This annual selection guide covers new novels in the mystery fiction science fiction fantasy horror western fiction and romance genres By identifying similarities in various books it seeks to help readers to independently choose titles of interest published during 1995 1996 Entries are arranged by author within six genre sections and provide publisher and publication date series name and number description of characters time geographical setting review citation genre and setting notations and related books *Jim Kobak's Kirkus Reviews*, 1989 *Kirkus Reviews*, 1989 Adult books are categorized by genre i.e. fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children's section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical
