Ritchie Fitz Sci Fi Murder Mysteries Murder on the Intergalactic Railway For Murdina Ritchie acceptance at the Oymyakon
Foreign Service Academy means one last chance at her dream of becoming a diplomat for the Union of Free Worlds For
Shackleton Fitz IV it represents his last chance not to fail out of military service entirely Strange that fate should throw them
together now among the last group of students admitted after the start of the semester They had once shared the strongest
of friendships But that all ended a long time ago But when an insufferable but politically important woman turns up
murdered the two agree to put their differences aside and work together to solve the case Because the murderer might strike
again But more importantly solving a murder would just have to impress the dour colonel who clearly thinks neither of them
belong at his academy Murder in the Skies Murdina Ritchie put everything on the line to earn one chance to prove herself at
the Oymyakon Foreign Service Academy Just one chance Despite the bad reputation that comes with her family name despite
the bullies desperate to see her fail she refuses to back down from any opportunity to show her worth Everyone at the
academy knows her skill knows her inability to compromise in the pursuit of excellence and knows her drive for success at all
costs that borders on desperation But all of that common knowledge works against her when a bullying upper class cadet
dies in a freak training accident that looks a lot like murder Because now everyone knows that Murdina Ritchie tops any
possible list of suspects Suddenly she finds a goal beyond proving her worth proving her own innocence The Body in the
Catacombs Murdina Ritchie and Shackleton Fitz IV start their junior year at the Oymyakon Foreign Service Academy finally
feeling like they belong in that world They stand as equals among the other cadets And the crushing load of schoolwork
Surprisingly manageable when you re not trying to solve a murder at the same time But the rumors of big changes in the

political universe reach even the depths of the Academy Distrust and secretiveness invade the minds of all of the cadets
Something dark and tumultuous hangs over all of them and not just the ever present storms of Oymyakon Then someone
finds a body in the lower levels and the accusations fly A murder but committed decades before Long before the time of any
of the cadets But not before the time of the instructors In fact exactly at the time Colonel Hansen was Cadet Hansen Can
