

Enlightenment, Revolution, & Romanticism

*The Genesis of Modern
German Political Thought
1790 - 1800*

Frederick C. Beiser

Political Thought Of The German Romantic

Alexei Pimenov

Political Thought Of The German Romantic:

The Political Thought of the German Romantics, 1793-1815 Hans Reiss, 1955 Political Ideas in the Romantic Age Isaiah Berlin, 2014-05-25 This new edition features the previously unpublished delivery text of Berlin's inaugural lecture as a professor at Oxford which derives from this volume and stands as the briefest and most pithy version of his famous essay *Two Concepts of Liberty* *Political Ideas in the Romantic Age* is the only book in which the great intellectual historian Isaiah Berlin lays out in one continuous account most of his key insights about the period he made his own. Written for a series of lectures at Bryn Mawr College in 1952 and heavily revised and expanded by Berlin afterward, the book argues that the political ideas of 1760-1830 are still largely ours, down to the language and metaphors they are expressed in. Berlin provides a vivid account of some of the era's most influential thinkers including Rousseau, Fichte, Hegel, Helvetius, Condorcet, Saint-Simon, and Schelling. Written in Berlin's characteristically accessible style, this is his longest single text. Distilling his formative early work and containing much that is not to be found in his famous essays, the book is of great interest both for what it reveals about the continuing influence of Romantic political thinking and for what it shows about the development of Berlin's own influential thought. The book has been carefully prepared by Berlin's longtime editor Henry Hardy and Joshua L. Cherniss, provides an illuminating introduction that sets it in the context of Berlin's life and work.

German Nationalism and Indian Political Thought Alexei Pimenov, 2020-01-22 This book examines the influence of Indian socio-political thought, ideas, and culture on German Romantic nationalism. It suggests that, contrary to the traditional view that the concepts of nationalism have moved exclusively from the West to the rest of the world, in the crucial case of German nationalism, the essential intellectual underpinnings of the nationalist discourse came to the West not from the West. The book demonstrates how the German Romantic fascination with India resulted in the adoption of Indian models of identity and otherness and ultimately shaped German Romantic nationalism. The author illustrates how Indian influence renovated the scholarly design of German nationalism and at the same time became central to pre-modern and pre-nationalist models of identity which later shaped the Aryan myth. Focusing on the scholarship of Friedrich Schlegel, Otmar Frank, Joseph Goerres, and Arthur Schopenhauer, the book shows how, in explaining the fact of the diversity of languages, peoples, and cultures, the German Romantics reproduced the Indian narrative of the degradation of some Indo-Aryan clans which led to their separation from the Aryan civilization. An important resource for the nexus between Indology and Orientalism, German Indian Studies, and studies of nationalism, this book will be of interest to researchers working in the fields of history, European and South Asian area studies, philosophy, political science, and IR theory.

German Political Thought and the Discourse of Platonism Paul Bishop, 2019-01-18 Taking Plato's allegory of the cave as its starting point, this book demonstrates how later European thinkers can be read as a reaction and a response to key aspects of this allegory and its discourse of enchainment and liberation. Focusing on key thinkers in the tradition of European and specifically German political thought, including Kant,

Marx Hegel Nietzsche Heidegger and the Frankfurt School it relates them back to such foundational figures as Rousseau Aristotle and in particular Plato All these thinkers are considered in relation to key passages from their major works accompanied by an explanatory commentary which seeks to follow a conceptual and imagistic thread through the labyrinth of these complex yet fascinating texts This book will appeal in particular to scholars of political theory philosophy and German language and culture

The Political Thought of the German Romantics, 1793-1815 Hans Siegbert Reiss, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Legacy of Roman Law in the German Romantic Era James Q. Whitman, 2014-07-14 Well after the process of codification had begun elsewhere in nineteenth century Europe ancient Roman law remained in use in Germany expounded by brilliant scholars and applied in both urban and rural courts The survival of this flourishing Roman legal culture into the industrial era is a familiar fact but until now little effort has been made to explain it outside the province of specialized legal history James Whitman seeks to remedy this neglect by exploring the broad political and cultural significance of German Roman law emphasizing the hope on the part of German Roman lawyers that they could in some measure revive the Roman social order in their own society Discussing the background of Romantic era law in the law of the Reformation Whitman makes the great German tradition of legal scholarship more accessible to all those interested in German history Drawing on treatises already known to legal historians as well as on previously unexploited records of legal practice Whitman traces the traditions that allowed nineteenth century German lawyers like Savigny to present themselves as uniquely impartial and unpolitical This book will be of particular interest to students of the many German thinkers who were trained as Roman lawyers among them Marx and Weber Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Early Political Writings of the German Romantics Frederick C. Beiser, 1996-03-14 The Early Political Writings of the German Romantics contains all the essential political writings of Friedrich Schlegel Schleiermacher and Novalis during the formative period of romantic

thought 1797 to 1803 While the political thought of the German romantics has been generally recognised as important it has been little studied and most of the texts have been until now unavailable in English The early romantics had an ambition still relevant to contemporary political thought how to find a middle path between conservatism and liberalism between an ethic of community and the freedom of the individual Frederick C Beiser's edition comprises all kinds of texts relevant for understanding the political ideas of the early romantic circles in Berlin and Jena essays lectures aphorisms chapters from books and jottings from notebooks All have been translated anew many for the first time

Kierkegaard's Influence on Social-political Thought Jon Bartley Stewart, 2011 Kierkegaard has been traditionally characterized as a Christian writer who placed supreme importance on the inward religious life of each individual believer His radical view seemed to many to undermine any meaningful conception of the community society or the state In recent years however scholars have begun to correct this image of Kierkegaard as an apolitical thinker The present volume attempts to document the use of Kierkegaard by later thinkers in the context of social political thought It shows how his ideas have been employed by very different kinds of writers and activists with very different political goals and agendas Many of the articles show that although Kierkegaard has been criticized for his reactionary views on some social and political questions he has been appropriated as a source of insight and inspiration by a number of later thinkers with very progressive indeed visionary political views

On Mechanism in Hegel's Social and Political Philosophy Nathan Ross, 2008-03-15 In this erudite study Ross considers the role of the concept of mechanism in the social and political philosophy of G W F Hegel and his immediate predecessors in German political thought

The Palgrave Macmillan Dictionary of Political Thought Roger Scruton, 2007-02-07 This new edition takes stock of the revolutionary changes that have taken place since the dictionary was first published in 1982 1790 entries cover every aspect of political thought providing an indispensable guide to the thought the wisdom and the folly of modern politics by one of the most lucid philosophers of our time

The Romanticism Handbook Sue Chaplin, Joel Faflak, 2011-03-10 A one stop resource containing introductory material through to practical case studies in reading primary and secondary texts to introducing criticism and new directions in research

A World History of Political Thought James Babb, 2025-02-12 In this revised and improved second edition of A World History of Political Thought the comprehensive comparative analysis of political thought from 600 BC to the present day is given even more depth and context The result is an intriguing and accessible journey through world history and culture

Plato and the Mythic Tradition in Political Thought Tae-Yeoun Keum, 2020-12-08 Winner of the Gustave O Arlt Award in the Humanities Winner of the Istvan Hont Book Prize An ambitious reinterpretation and defense of Plato's basic enterprise and influence arguing that the power of his myths was central to the founding of philosophical rationalism Plato's use of myths the Myth of Metals the Myth of Er sits uneasily with his canonical reputation as the inventor of rational philosophy Since the Enlightenment interpreters like Hegel have sought to resolve this tension by treating Plato's myths as mere regrettable embellishments

irrelevant to his main enterprise Others such as Karl Popper have railed against the deceptive power of myth concluding that a tradition built on Platonic foundations can be neither rational nor desirable Tae Yeoun Keum challenges the premise underlying both of these positions She argues that myth is neither irrelevant nor inimical to the ideal of rational progress She tracks the influence of Plato's dialogues through the early modern period and on to the twentieth century showing how pivotal figures in the history of political thought More Bacon Leibniz the German Idealists Cassirer and others have been inspired by Plato's mythmaking She finds that Plato's followers perennially raised the possibility that there is a vital role for myth in rational political thinking

Friedrich Schlegel and the Emergence of Romantic Philosophy Elizabeth Millán, 2012-02-01 This book addresses the philosophical reception of early German Romanticism and offers the first in depth study in English of the movement's most important philosopher Friedrich Schlegel presenting his philosophy against the background of the controversies that shaped its emergence Elizabeth Millán Zañabert begins by distinguishing early German Romanticism from classical German Idealism under which it has all too often been subsumed and then explores Schlegel's romantic philosophy and his rejection of first principles by showing how he responded to three central figures of the post-Kantian period in Germany Jacobi Reinhold and Fichte as well as to Kant himself She concludes with a comprehensive critique of the aesthetic and epistemological consequences of Schlegel's thought with special attention paid to his use of irony

The Literature of German Romanticism Dennis F. Mahoney, 2004 Sharply focused essays on the most significant aspects of German Romanticism This volume of sharply focused essays by an international team of scholars deals not only with the most significant literary philosophical and cultural aspects of German Romanticism one of the most influential albeit highly controversial movements in the history of German literature but also with the history and status of scholarship on the literature of the period The introduction and first section establish an overall framework by placing German Romanticism within a European context that includes its English counterpart Goethe and Schiller are considered as are the Jena Romantics The second section is organized according to the traditional distinctions between epic dramatic and lyric modes of writing while realizing that particularly in the Romantic novel there was an attempt to blend these three A final group of essays focuses on German literary Romanticism's relation to other aspects of German culture folklore studies politics psychology natural science gender presentation and representation music and visual art Contributors Gerhard Schulz Arnd Böhm Richard Littlejohns Gerhart Hoffmeister Ulrich Scheck Claudia Stockinger Bernadette Malinowski Fabian Lampart Klaus Peter Gabriele Rommel Martha B. Helfer Kristina Muxfeldt Beate Allert Paul Bishop and R. H. Stephenson Nicholas Saul Dennis F. Mahoney is Professor of German and Director of the European Studies Program at the University of Vermont

History of Western Political Thought John Morrow, 2019-04-27 The third edition of this highly regarded core textbook offers an accessible and impressively comprehensive account of Western Political Thought over the last two millennia Structured in four main parts the chapters are organised around a wide range of key themes covering everything from

Absolute Government and Revolutionary Political Thought to Politics and Freedom and Theories of Civil Disobedience This new edition concludes with an Epilogue that considers the challenges posed to the history of Western political thought by the perspectives of post colonialism and post modernism The use of boxes throughout the book to explain key thinkers in more detail as well as the author s ability to express complex ideas in clear and jargon free language makes this the perfect text for helping students to understand the key debates issues and continuities in the long history of political ideas For undergraduate and postgraduate students studying courses on the history of political thought and theory this is an indispensable guide New to this Edition Expanded material on the history of international relations thinking race consciousness diversity and gender politics A completely new Epilogue which focuses on a discussion of post colonialism and post modernism in relation to political theory Additional Thinker boxes alongside revised and updated suggestions for further reading

Political Writings Immanuel Kant,1991 First published in 1970 this much acclaimed collection of the political writings of Immanuel Kant has now been revised and expanded for publication in Cambridge Texts in the History of Political Thought Three important texts are translated here for the first time and Professor Reiss has added in addition to an extended bibliography a substantial postscript looking at recent developments in Kantian scholarship and the changes that these have wrought in our understanding of Kant s political thought

History of Political Thought in Germany 1789-1815 Reinhold Aris,2013-10-28 First Published in 1965 This study deals with the history of political thought in Germany from 1789 to 1815 It is the story of a nation awaking from a long sleep commencing to think for itself to modernize its institutions to formulate its ideas of the pattern of society and the duties of the State Modern German literature begins with Klopstock and Lessing German political thinking comes even later for it is the child of the French Revolution

Kant: Political Writings Immanuel Kant,1991-01-25 The original edition of Kant Political Writings was first published in 1970 and has long been established as the principal English language edition of this important body of writing In this new expanded edition two important texts illustrating Kants s view of history are included for the first time his reviews of Herder s *Ideas on the Philosophy of The History of Mankind* and *Conjectures on the Beginning of Human History* as well as the essay *What is Orientation in Thinking* In addition to a general introduction assessing Kant s political thought in terms of his fundamental principles of politics this edition also contains such useful student aids as notes on the texts a comprehensive bibliography and a new postscript looking at some of the principal issues in Kantian scholarship that have arisen since first publication

Hannah Arendt and the History of Thought Daniel Brennan,Marguerite La Caze,2022-06-14 Hannah Arendt and the History of Thought edited by Daniel Brennan and Marguerite La Caze enriches and deepens scholarship on Arendt s relation to philosophical history and traditions Some contributors analyze thinkers not often linked to Arendt such as William Shakespeare Hans Jonas and Simone de Beauvoir Other contributors treat themes that are pressing and crucial to understanding Arendt s work such as love in its many forms ethnicity and race disability human rights politics and

statelessness The collection is anchored by chapters on Arendt's interpretation of Kant and her relation to early German Romanticism and phenomenology while other chapters explore new perspectives such as Arendt and film her philosophical connections with other women thinkers and her influence on Eastern European thought and activism The collection expands the frames of reference for research on Arendt both in terms of using a broader range of texts like her *Denktagebuch* and in examining her ideas about judgment feminism and worldliness in this wider context

Thank you unquestionably much for downloading **Political Thought Of The German Romantic**. Most likely you have knowledge that, people have seen numerous times for their favorite books later than this Political Thought Of The German Romantic, but end in the works in harmful downloads.

Rather than enjoying a fine PDF gone a cup of coffee in the afternoon, otherwise they juggled in the same way as some harmful virus inside their computer. **Political Thought Of The German Romantic** is manageable in our digital library and online access to it is set as public fittingly you can download it instantly. Our digital library saves in multiple countries, allowing you to get the most less latency period to download any of our books subsequent to this one. Merely said, the Political Thought Of The German Romantic is universally compatible later any devices to read.
