Why we fear Henri Hyppönen, 2015-12-14 Why We Fear gets to grips with the essence of fear in life and in business Why We Fear uncovers the mechanisms of fear and the huge role this often misunderstood emotion plays in our daily lives At the same time it dismantles fear into understandable and actionable parts When fear is divided into its constituent parts the hidden workings of fear and fear based habits become visible In this way the book charts a road map for how to deal with this often destructive emotion and the heavy cost of fear in life and in business Fear has always been at the very core of human experience and yet people generally seem to believe that it is a force of nature outside their own control Fear is often seen as a mystical poorly understood influence that creeps up on us at the worst possible moment wrecks our performance dulls our wits and makes our lives shrink Why We Fear robs fear of this mystique In addition as Henkka Hyppönen points out fear is not always a disastrous and destructive force Sometimes a little injection of fear helps us to perform better as individuals and as teams

Hän nautitaan raakana kirjansa 2011 oli myyntimenestys The Devil's Work Garry Linnell, 2022-10-18. The Devil's Work is a gothic journey into the twisted mind of one of history's most depraved serial killers. Set in an era when science and religion collided and many powerful figures believed in ghosts and an afterlife, it raises fresh questions about Demming's role in the Jack the Ripper murders. **Buckley's Chance** Garry Linnell, 2020-02. He fought Napoleon's army and survived. He was sent to the gallows and escaped the noose. Now he is in chains and on his way to the other side of the world. What happens next will become one of the most remarkable survival stories in history. The 19th century has just begun. The world is at war. England, ruled by a mad king, is exiling thousands of criminals to an old land that has become its newest dumping ground. One of those prisoners is William Buckley, barely 21, a former soldier sentenced to life for stealing two small pieces of cloth. He's a giant for his times. But it's not just his towering frame that sets him apart. It's his desire for freedom that will make his story so unique, even in an era famous for outrageous acts of bravery and heroism. On a moonlit night, Buckley escapes and disappears into the Australian bush. Discovered and adopted by an aboriginal tribe who regard him as a ghost, he is initiated into their rich and complex culture. Given up for dead by his white captors, he will not be seen again for more than 30 years until he emerges one day carrying a spear, dressed in animal skins and having forgotten the English language. Buckley's Chance is a profound journey into a turning point in history where cultures clash, bitter rivals go to war, and the body count mounts. It's also the story of a man who refuses to be held down. A man prepared to defy all odds and take a chance. Buckley's chance. *Moonlite* Garry Linnell, 2022-05. A gay bushranger with a love of poetry and guns. A grotesque hangman with a passion for flowers and gardening. A broken young man desperate for love and respect. These men, two of them, lovers, are about to bring the era of Australia's outlaws to a torrid and bloody climax. Moonlite is the true and epic story of Andrew George Scott, an Irish-born preacher who becomes, along with Ned Kelly, one of the nation's most notorious and celebrated criminals. Charismatic, intelligent, and prone to bursts of madness, Scott captivates churchgoers with his fiery sermons before dubbing himself Captain Moonlite, brazenly holding up a bank and staging one of the country's most audacious jailbreaks. After falling in love with fellow prisoner James Nesbitt, Scott finds himself unable to shrug off his criminal past. Pursued by the police, he stages a dramatic siege and prepares for a final showdown with the law and a macabre executioner without a nose. Meticulously researched and told at a cracking pace, Moonlite is set amid the violent and sexually repressed era of Australia in the second half of the 19th century. With a cast of remarkable characters, it reveals the extraordinary lives of our bushrangers and the desperation of a young nation eager to remove the stains of its convict past. But most of all, Moonlite is a tragic love story. *Never Victorious, Never Defeated. Abridged* Taylor Caldwell, 1957.
