Speaking to the Soul Vicki K. Black, 2009-10-01 The flourishing website EpiscopalCafe.org produced by the Diocese of Washington attracts several thousand visitors a day. Its popular column *Speaking to the Soul* which contains a concise well developed spiritual reflection for every day of the year draws from many different sources including scripture church history saints biographies books of prayers liturgies and ancient and contemporary theologians and spiritual writers. This daily reader grew out of that column. It follows the Episcopal Church's liturgical seasons and includes observation of major feast days as well as saints days. The reading for a particular saint's day might be taken from the saint's writings prayers or biography or might develop a theme such as martyrdom or growth in the spirit. Other readings focus on particular emphases of the seasons the Incarnation during Advent and Christmas spiritual disciplines during Lent or speak more generally to the Christian life prayer discipleship ministry the sacraments conflict and reconciliation and so on. Readings are taken from every century of the church's life with particular attention to how the writings and experiences of earlier Christians can shed light on the difficulties joys and concerns of the church today. Excerpts are long enough to give a satisfying and complete context of the writer's intended meaning

Sourcebook for Sundays, Seasons, and Weekdays , 2012 God's Word in Human Words Kenton L. Sparks, 2008-03-01 The conclusions of critical biblical scholarship often pose a disconcerting challenge to traditional Christian faith. Between the two poles of uncritical embrace and outright rejection of these conclusions is there a third way? Can evangelical believers incorporate the insights of biblical criticism while at the same time maintaining a high view of Scripture and a vital faith? In this provocative book Kenton Sparks argues that the insights from historical and biblical criticism can indeed be valuable to evangelicals and may even yield solutions to difficult issues in biblical studies while avoiding pat answers. This constructive response to biblical criticism includes taking seriously both the divine and the human aspects of the Bible and acknowledging the diversity that exists in the biblical texts

The Ecclesiastical gazette, or, Monthly register of the affairs of the Church of England , 1847 Inside the Whirlwind Jason Alan Carter, 2016-12-09 How would ordinary African Christians interpret the figure and book of Job the quintessential biblical book on suffering from contexts of extreme poverty tropical disease and rampant suffering? How do African Christians culturally understand issues of theodicy and the nature of evil? What role does the devil play in African Pentecostalism? How does the biblical lament empower faith and foster hope for people living with HIV/AIDS? In what way does a theology of eschatological hope inform the spirituality and prayers of ordinary African believers?

in the midst of suffering Inside the Whirlwind offers insight on these fascinating questions Based upon the perspectives of Fang Christians in Spanish speaking Equatorial Guinea Central Africa the thematic and theological reflections on evil suffering and hope emerging from sermons and Bible studies on the book of Job offer a remarkable window to view the main theological issues shaping grassroots African Christianity in the twenty first century **Reading the Bible outside the Church** David G. Ford,2018-07-12 In many places in the Western world churchgoing is in decline and it cannot be assumed that people have a good grasp of the Bible s content In this evolving situation how would the person on the street read the Bible Reading the Bible Outside the Church begins to answer this question David Ford spent ten months at a chemical industrial plant providing non churchgoing men with the opportunity to read and respond to five different biblical texts Using an in depth qualitative methodology he charts how their prior experiences of religion sense of non religious identity attitudes towards the Bible and beliefs about the Bible all shaped the readings that occurred **Forthcoming Books** Rose Army,2002

Cunningham,2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn t have to be that way Challenging the arguments that perpetuate that conflict Open Wide the Gates presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God s kingdom here on earth for all people regardless of their sexual orientation The Christian's monthly news and British Protestant ,1889 **An Uncertain Certainty** Graham Buxton,2014-09-25 Many people in Christian

ministry are tired of simplistic certainties what they need is permission to live with uncertainty with mystery ambiguity and paradox Because we live in a world that is far removed from the modernist version of reality with its rational clinical and superficial presentation of life we need the courage and wisdom to embrace the presence of uncertainties in the midst of certainty In this book the author offers snapshots of a number of central Christian topics God the gospel the church salvation ministry inviting us to treat them as features of a landscape to explore rather than a set of propositional statements to sign up to Each chapter short enough to provoke interest and curiosity will be a catalyst for deeper reflection and enquiry inviting us to discover a new freedom in ministry as we embrace a more generous both and perspective in place of a more narrow either or interpretation of the Christian faith In the process we may find ourselves rediscovering the Life we have lost in living as we imaginatively participate in the life ministry and mystery of the triune God of grace in our midst
