Reading In The Dark A Novel:

Reading in the Dark Jessica R. McCort, 2016-04-28 Contributions by Rebecca A Brown Justine Gieni Holly Harper Emily L Hiltz A Robin Hoffman Kirsten Kowalewski Peter C Kunze Jorie Lagerwey Nick Levey Jessica R McCort and Janani Subramanian *Dark novels shows and films targeted toward children and young adults are proliferating wildly It is even more crucial now to understand the methods by which such texts have traditionally operated and how those methods have been challenged abandoned and appropriated Reading in the Dark fills a gap in criticism devoted to children s popular culture by concentrating on horror an often neglected genre These scholars explore the intersection between horror popular culture and children s cultural productions including picture books fairy tales young adult literature television and monster movies Reading in the Dark looks at horror texts for children with deserved respect weighing the multitude of benefits they can provide for young readers and viewers Refusing to write off the horror genre as campy trite or deforming these essays instead recognize many of the texts and films categorized as scary as among those most widely consumed by children and young adults In addition scholars consider how adult horror has been domesticated by children s literature and culture with authors and screenwriters turning that which was once horrifying into safe funny and delightful books and films Scholars likewise examine the impetus behind such re envisioning of the adult horror novel or film as something appropriate for the young The collection investigates both the constructive and the troublesome aspects of scary books movies and television shows targeted toward children and young adults It considers the complex mechanisms by which these texts communicate overt messages and hidden agendas and it treats as well the readers experiences of such mechanisms* **The Dark Side of Literacy** Benjamin Bennett, 2008 A radical critique of the concepts of reading and the reader as they are commonly used in literary criticism The book sketches in broad terms the historical provenance of the reader in an argument that includes discussions of Dante Boccaccio Cervantes Marlowe and German idealist philosophy [How Can a Brilliant Detective Shine in the Dark? \(Novel Study\) Gr. 4-7](#) Ron Leduc, 2009-01-01 *How Can a Brilliant Detective Shine in the Dark is the story of Stevie Diamond who solves the mystery of her missing Uncle Archie While on a family reunion on Catriola Island Stevie and her best friend Jesse start on solving the mystery of her missing Uncle who ran off to Europe to join the circus While solving the mystery Stevie finds a map in The Adventures of Tom Sawyer that leads to hidden gold in Bat Cave From there the Uncle Archie present at the family reunion is revealed to be an imposter while the reason for the real Uncle Archie s disappearance is discovered This Novel Study provides a teacher and student section with a variety of activities discussion questions and answer key to create a well rounded lesson plan* **Middlebrow Modernism** Melinda J. Cooper, 2022-10-01 *Eleanor Dark 1901 85 is one of Australia s most innovative 20th century writers Her extensive oeuvre includes ten novels published from the early 1930s to the late 1950s and represents a significant engagement with global modernity from a unique position within settler culture Yet Dark s contribution to 20th century literature has been undervalued in the fields of both Australian*

literary studies and world literature Although two biographies have been written about her life there has been no book length critical study of her writing published since 1976 Middlebrow Modernism counters this neglect by providing the first full length critical survey of Eleanor Dark s writing to be published in over four decades Focusing on the fiction that Dark produced during the interwar years and reading this in the context of her larger body of work this book positions Dark s writing as important to the study of Australian literature and global modernism Melinda Cooper argues that Dark s fiction exhibits a distinctive aesthetic of middlebrow modernism which blends attributes of literary modernism with popular fiction It seeks to mediate and reconcile apparent binaries modernism and mass culture liberal humanism and experimental aesthetics settler society and international modernity The term middlebrow modernism also captures the way Dark negotiated cosmopolitan commitments with more place based attachments to nation and local community within the mid 20th century Middlebrow Modernism posits that Dark s fiction and the broader phenomenon of Australian modernism offer essential case studies for larger debates operating within global modernist and world literature studies providing perspectives these fields might otherwise miss **The Victorian Railways Magazine** ,1924 *DARK* Aleatha
