

# Make CONNECTIONS

## How do readers make connections?

Good readers make connections by using what they already know to connect a text to their life experiences, another text, or the world.

### Text to Self:

This reminds me of when I...

Connecting the story to your life & experiences

### Text to Text:

This reminds me of a book I read...

Connecting the story to another book

### Text to World:

I heard about this on the news when...

Connecting the story to the real world

**Acts of Reading** Hiroshi Nara,Mari Noda,2002-09-30 Students who have completed a year of German read Brecht in their second year those of Spanish read Cervantes Teachers of first and second year Japanese can often find nothing comparable Why aren t your students reading literature they are asked Why not Soseki Or Murakami What are instructors of Japanese doing wrong Nothing according to the authors of this volume Rather they argue such questions exemplify the gross misunderstandings and unreasonable expectations of teaching reading in Japanese In Acts of Reading the authors set out to explore what reading is for Japanese as a language and how instructors should teach it to students of Japanese They seek answers to two questions What are the aspects of reading in Japan as manifested in Japanese society What L2 second language reading problems are specific to Japanese In answering the first and related questions the authors conclude that reading is a socially

motivated purposeful act that is savored and becomes a part of people's lives Reading instruction in Japanese therefore should include teaching students how to work with text as the Japanese do in Japanese society The second question relates more directly to traditional concerns in L2 reading The authors begin with a general theory of reading They then offer a welcome glimpse into the rich and complex perspectives sometimes conflicting other times symbiotic on what reading is and how it is performed in L1 and L2 and most importantly on the web of interconnections between the phenomenology of reading and the demands it places on teaching approaches to reading in Japanese With essays by Charles J Quinn Jr Fumiko Harada and Chris Brockett Foreword by J Marshall Unger *Resources in Education* ,2001-10 *Opening the Common Core* Carol Corbett Burris, Delia T. Garritty, 2012-03-13 The CCSS open the door to success Do you wish you could leverage the Common Core State Standards CCSS to equip all students not just high achievers with the higher level thinking skills they need You can and this book will show you how The authors helped lead their district Rockville Centre in Long Island New York in closing achievement gaps and increasing the number of students who completed four year college programs The results of their efforts show a remarkable increase in both excellence and equity in English language arts math and science This book outlines the authors research based ACES framework for instructional improvement to help achieve similar results Acceleration rather than remediation Critical thinking Equity in education for all students Support Educators will find practical strategies that are applied and developed in model lessons linked to the CCSS and KSUS Knowledge and Skills for University Success standards Understanding why we need to prepare all children to be college and career ready is easy Making it happen is not Learn from those who have succeeded and your students will reap the rewards
