

SOCIAL INJUSTICE AND THE MOURNING OF THE EARTH: ECOLOGICAL READING OF PROPHETIC TEXTS

Nicoletta Gatti

Abstract: *In the encyclical letter Laudato Si, Pope Francis proposed an integral ecology, able to listen to the cry of the poor and the cry of the earth. This intuition is present in the ancient prophetic books of Israel where “the earth mourns” (Isa. 24:4) for the social injustice, for human inability to build a fraternal relationship. The article explores how the ecological reading of prophetic texts can become educational tools to guide Christian communities living in the Ghanaian context towards an ‘ecological conversion.’*

Key Words: Isa. 5:8-10; Isa. 24:1-7; Land grabbing; Ghana Ecological Crisis; Mic. 2:1-2.

Introduction

Africa is a biblical continent. The term כּוֹשׁ (*kûš*) occurs no less than 28 times in the Tanak:¹ Abraham (Gen. 12:10), Jacob and his family (46:6-7) found refuge on our continent; soldiers of African descent served King David (2 Sam. 18:21-32); the Queen of Sheba brought Solomon a gift of the fragrances and tastes of Africa (1 Kings 1-13), while in the psalms, African peoples recognise the lordship of YHWH (Ps. 67:32; 87:24). Perhaps because of these historical roots, and the great cultural affinity, the Old Testament is much loved in Africa. For example, in Ghana, several ethnic groups consider themselves as descendants of the lost tribe of Israel,² while restaurants and political parties, kiosks and *tro-tros* habitually use Old Testament verses for advertising purposes and as amulets.

¹ “The meaning of the word is not clear. It is used for the people and land of the southern-Nile valley or Upper Egypt, extending from Syene (Ezek. 29:10) indefinitely to the South. In the Hebrew Scripture the word *Kûš* has been used in a dual sense: as a geographical location (cf. Isa. 5:14; 11:11; 18:4; Ezek. 29:10; Zeph. 3:10; Job 28:19; etc.) or as a collective name for people with African descent (*Cushites* – 2 Sam. 18:21; 20:4; Jer. 38:6; 46:9; etc.). It is interesting but also significant to note how the uncertainty concerning the meaning of the term, reflects in the different English versions.” N. Gatti and G. Ossom-Batsa, *Journeying with the Old Testament* (Frankfurt am Main: Peter Lang, 2011), 164-165.

Reading Prophetic Texts:

On Reading Prophetic Texts Dijkstra, Bob Prof. Dr. Becking, 2021-09-06 The articles in this volume have been written in memory of the feminist biblical scholar Fokkelien van Dijk Hemmes who died at the early age of 50 The authors endeavour to continue and advance the dialogue with her by evaluating and interacting with her scholarly legacy Their concern is with various aspects of her work on the Hebrew Bible and they respond in particular to the feminist hermeneutics she developed for reading biblical texts Several articles test her method in application to specific prophetic texts Other contributions focus on aspects of the role of women in the cults of Ancient Israel A third group of essays confronts Fokkelien van Dijk Hemmes approach with more traditional ways of biblical interpretation This book is an important contribution to the ongoing debate on feminist insights into aspects of the literature culture and religion of Ancient Israel

Gentry, 2017-06-20 A Concise Guide to Reading the Prophetic Books The Prophetic Books of the Bible are full of symbolic speeches dramatic metaphors and lengthy allegories a unique blend of literary styles that can make them hard to comprehend How can we know if we are reading them the way God intended them to be read In this accessible guide leading Old Testament scholar Peter Gentry identifies seven common characteristics of prophetic literature in the Bible that help us understand each book's message With illustrations and clear examples Gentry offers guidance for reading these challenging texts teaching us practical strategies for deeper engagement with the biblical text as we seek to apply God's Word to our lives today

Reading Prophetic Books Marvin A. Sweeney, 2014-07-15 In this volume Marvin A Sweeney builds upon his former work *Form and Intertextuality in Prophetic and Apocalyptic Literature* FAT 45 2005 He introduces further studies that take up several key issues including the reading of prophetic books in their final literary form and the significance of textual versions for this reading He also observes the intertextual relationships between the prophets and other works of biblical and post biblical literature and the reception of the prophetic books Following an introduction that lays out methodological perspective it includes the title essay for the volume *Reading Prophetic Books* as well as selections of papers devoted to Isaiah Jeremiah in both its Masoretic and Septuagint forms Ezekiel individual books from the Twelve Prophets and the reading of biblical texts in Qumran Rabbinic and Targumic literature

Reading Prophetic Poetry Barbara Bakke Kaiser, 2019-10-08 This volume seeks to guide students in religious or literary studies or other interested readers toward understanding and appreciation of biblical prophetic poetry Each of the three sections of the book includes a chapter examining one of the literary features with brief examples from prophetic texts followed by another chapter of applied criticism of a full prophetic poem Joel 2 on parallelism Jeremiah 4 on voice and Isaiah 24 on design Among the distinct

features of the book are diagrams of parallel lines promoting two dimensional binocular reading of the poems Of all the literature of the Bible prophetic poetry has probably been least accessible to the modern reader Language is dense images are obscure and logical development of ideas seems almost inaccessible Reading Prophetic Poetry seeks to help readers appreciate the luminous beauty of the language and the austere power and surprising relevance of the ideas in these relatively obscure biblical texts It introduces an accessible approach to prophetic poetry which invites readers to turn to the biblical texts on their own with new ideas for appreciating the riches of these ancient poems Reading the Prophets as Christian Scripture (Reading Christian Scripture) Eric J. Tully, 2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture Although it covers critical issues such as authorship background and history its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon Particular attention is given to literary issues such as the structure of each prophetic book Full color illustrations diagrams and artwork bring the text to life Additional resources for instructors and students are available through Textbook eSources Interpreting Prophetic Literature James D. Nogalski, 2015-09-30 Exegeting a text burrowing deep into its history language and literary structure is an indispensable skill for any serious student of the Bible Given their theological richness and poetic power the prophetic texts of the Hebrew Bible would seem to be prime candidates for exegetical examination but they often pose difficulty In this book James Nogalski offers solid practical guidance on how to read and exegete a prophetic text in its literary historical and conceptual contexts Assuming no prior knowledge of Hebrew Nogalski devises an exegetical method that focuses on the distinctive elements of prophetic literature rather than on the narrative material one finds in practically all introductions to exegesis He provides clear examples for understanding poetic texts prophetic genres changing voices and other important aspects of these texts This book offers essential tools to help readers navigate the particular challenges and opportunities of interpreting the prophets

Interpreting the Prophets Aaron Chalmers, 2014-07-17 Aaron Chalmers equips the reader with the knowledge and skills they need to interpret the Prophets in a faithful and accurate fashion Providing the basic contextual and background information needed for sound exegesis and sensitive interpretation he also gives guidelines for practical application and preaching and teaching the Prophets today *Redirected Travel* Roland Boer, Edgar W. Conrad, 2003-11-01 What if biblical scholars traveled to the Antipodes for an international conference instead of to Europe or North America The essays in this volume originally written for such a conference explore the implications for biblical studies of such a change in direction In fact they travel in a host of different directions exploring the alternative journeys and places of biblical studies developing connections in the rhizomatic fashion as delineated famously by Deleuze and Guattari The vehicles used in such travel include postcolonialism feminism Marxism gay theory semiotics political theory and poststructuralism Journal for the Study of the Old Testament Supplement series Volume 382 Reading the Latter Prophets Edgar W. Conrad, 2004-04-01 Edgar W.

Conrad focuses on the prophetic books as composite collections and shows that 1 prophets are characters in the text depicted as figures of the past whose words are significant for a later time 2 reading and writing play a central role in the depiction of prophets 3 prophetic books are presented as written words available to later generations through reading 4 that read as a whole the latter prophets depict the end of prophecy and the emergence of messengers of the Lord Reading the Latter Prophets is an important contribution to the problems of both the formation and function of the prophetic literature

prophets are based upon the careers and experiences of some of the most talented and provocative individuals of their time the books must be read first as literature Each book displays its own unique organization literary characteristics and theological outlook in presenting the prophets In the case of Jeremiah for example interpreters must even consider two distinctive forms of the book in the Hebrew Bible and the Greek Septuagint By guiding the reader through the literary structure and language of each of the prophetic books as well as the social roles of the individual prophets this volume opens the reader to greater understanding and appreciation of the prophets of Israel and Judah Dictionary of the Old Testament: Prophets G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

Constructing the Adolescent Reader in Contemporary Young Adult Fiction Elisabeth Rose Gruner, 2019-05-17 This book examines the way young adult readers are constructed in a variety of contemporary young adult fictions arguing that contemporary young adult novels depict readers as agents Reading these novels suggest is neither an unalloyed good nor a dangerous ploy but rather an essential occasionally fraught by turns escapist and instrumental deeply pleasurable and highly contentious activity that has value far beyond the classroom skills or the specific content it conveys After an introductory chapter that examines the state of reading and young adult fiction today the book examines novels that depict reading in

school gendered and racialized reading reading magical and religious books and reading as a means to developing civic agency These examinations reveal that books for teens depict teen readers as doers and suggest that their ability to read deeply critically and communally is crucial to the development of adolescent agency **The Evasive Text** Mark Cameron Love,1999-11-01 This work employs an eclectic mix of structuralist and post structuralist theories in a doomed attempt to discover the symbolic logic at work in Zechariah 1 8 s surreal narrative world Lengthy analyses of Zechariah s intra and intertextual logic or lack thereof are presented It is finally concluded that Zechariah lacks a concrete symbolic logic defies grammatical conventions and is unreadable as it stands and always was this way One suggestion is that it was the intent of the author conceived of in a postmodern way to produce such a work It is finally concluded that the post prophetic age of Hebrew literature has much in common with the postmodern *The Prophetic Literature* Prof. Marvin A.
