Reading Lives Reconstructing Childhoods And Schools In Britain 1870 1920:

Galbraith, 1997-01 Drawing on a variety of disciplines this study examines the social political and cultural forces that redefined childhood in Britain between 1860 and 1920 as well as the relationship of childhood to struggles over class gender and race Taking as its focus the question of how children s literature and children s reading practices became central to contemporary preoccupation with childhood Galbraith seeks to identify the range of actors and institutions and the historical moments of conflict involved in reconstructing childhood

Romanticism and Childhood

Resources in Education, 1998

Between Women Sharon Marcus, 2009-07-10 Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship They pored over magazines that described the dangerous pleasures of corporal punishment A few had sexual relationships with each other exchanged rings and vows willed each other property and lived together in long term partnerships described as marriages But as Sharon Marcus shows these women were not seen as gender outlaws Their desires were fanned by consumer culture and their friendships and unions were accepted and even encouraged by family society and church Far from being sexless angels defined only by male desires Victorian women openly enjoyed looking at and even dominating other women Their friendships helped realize the ideal of companionate love between men and women celebrated by novels and their unions influenced politicians and social thinkers to reform marriage law Through a close examination of literature memoirs letters domestic magazines and political debates Marcus reveals how relationships between women were a crucial component of femininity Deeply researched powerfully argued and filled with original readings of familiar and surprising sources Between Women overturns everything we thought we knew about Victorian women and the history of marriage and family life It offers a new paradigm for theorizing gender and sexuality not just in the Victorian period but in our own

Children's Fantasy Literature Michael Levy, Farah Mendlesohn, 2016-04-16 Fantasy has been an important and much loved part of children's literature for hundreds of years yet relatively little has been written about it Children's Fantasy Literature traces the development of the

tradition of the children's fantastic fictions specifically written for children and fictions appropriated by them from the sixteenth to the twenty-first century examining the work of Lewis Carroll L. Frank Baum C. S. Lewis Roald Dahl J. K. Rowling and others from across the English-speaking world The volume considers changing views on both the nature of the child and on the appropriateness of fantasy for the child reader the role of children's fantasy literature in helping to develop the imagination and its complex interactions with issues of class politics and gender The text analyses hundreds of works of fiction placing each in its appropriate context within the tradition of fantasy literature **Juvenile Nation** Stephanie Olsen, 2014-01-16 In the first five months of the Great War one million men volunteered to fight Yet by the end of 1915 the British government realized that conscription would be required Why did so many enlist and conversely why so few Focusing on analyses of widely felt emotions related to moral and domestic duty **Juvenile Nation** broaches these questions in new ways **Juvenile Nation** examines how religious and secular youth groups the juvenile periodical press and a burgeoning new group of child psychologists social workers and other experts affected society's perception of a new problem character the adolescent By what means should this character be turned into a fit citizen Considering qualities such as loyalty character temperance manliness fatherhood and piety Stephanie Olsen discusses the idea of an informal education focused on building character through emotional control and how this education was seen as key to shaping the future citizenry of Britain and the Empire **Juvenile Nation** recasts the militarism of the 1880s onwards as part of an emotional outpouring based on association to family to community and to Christian cultural continuity Significantly the same emotional responses explain why so many men turned away from active militarism with duty to family and community perhaps thought to have been best carried out at home By linking the historical study of the emotions with an examination of the individual's place in society Olsen provides an important new insight on how a generation of young men was formed **Creating Memory** Farah Mendlesohn, 2020-09-23 This book considers the English Civil Wars and the civil wars in Scotland and Ireland through the lens of historical fiction primarily fiction for the young The text argues that the English Civil War lies at the heart of English and Irish political identities and considers how these identities have been shaped over the past three centuries in part by the children's literature that has influenced the popular memory of the English Civil War Examining nearly two hundred works of historical fiction Farah Mendlesohn reveals the delicate interplay between fiction and history **The British Working Class and Enthusiasm for War, 1914-1916** David Silbey, 2004-12-15 Millions of men volunteered to leave home hearth and family to go to a foreign land to fight in 1914 the start of the biggest war in British history It was a war fought by soldier citizens millions strong most of whom had volunteered willingly to go They made up the army that first held and then in 1918 thrust back the German Army to win **Donald Creighton** Donald A. Wright, 2015-09-15 A member of the same intellectual generation as Harold Innis Northrop Frye and George Grant Donald Creighton 1902-1979 was English Canada's first great historian The author of eleven books including *The Commercial Empire of the St. Lawrence* and a two-volume

biography of John A Macdonald Creighton wrote history as if it had happened he said the day before yesterday And as a public intellectual he advised the prime minister of Canada the premier of Ontario and at least on one occasion the British government Yet he was as Donald Wright shows also profoundly out of step with his times As the nation was re imagined along bilingual and later multicultural lines in the 1960s and 1970s Creighton defended a British definition of Canada at the same time as he began to fear that he would be remembered only as a pessimist a bigot and a violent Tory partisan Through his virtuoso research into Creighton s own voluminous papers Wright paints a sensitive portrait of a brilliant but difficult man Ultimately Donald Creighton captures the twentieth century transformation of English Canada through the life and times of one of its leading intellectuals *British Hymn Books for Children, 1800-1900* Alisa Clapp-Itnyre,2016-09-17 Examining nineteenth century British hymns for children Alisa Clapp Itnyre argues that the unique qualities of children s hymnody created a space for children s empowerment Unlike other literature of the era hymn books were often compilations of many writers hymns presenting the discerning child with a multitude of perspectives on religion and childhood In addition the agency afforded children as singers meant that they were actively engaged with the text music and pictures of their hymnals Clapp Itnyre charts the history of children s hymn book publications from early to late nineteenth century considering major denominational movements the importance of musical tonality as it affected the popularity of hymns to both adults and children and children s reformation of adult society provided by such genres as missionary and temperance hymns While hymn books appear to distinguish the child from the adult intricate issues of theology and poetry typically kept within the domain of adulthood were purposely conveyed to those of younger years and comprehension Ultimately Clapp Itnyre shows how children s hymns complicate our understanding of the child adult binary traditionally seen to be a hallmark of Victorian society Intersecting with major aesthetic movements of the period from the peaking of Victorian hymnody to the Golden Age of Illustration children s hymn books require scholarly attention to deepen our understanding of the complex aesthetic network for children and adults Informed by extensive archival research *British Hymn Books for Children 1800 1900* brings this understudied genre of Victorian culture to critical light *Christina Rossetti and Illustration* Lorraine Janzen Kooistra,2002 Lorraine Janzen Kooistra s reading of Rossetti s illustrated works reveals for the first time the visual verbal aesthetic that was fundamental to Rossetti s poetics Her thorough archival research brings to light new information on how Rossetti s commitment to illustration and attitudes toward copyright and control influenced her transactions with publishers and the books they produced **Learning to Read in the Late Ottoman Empire and the Early Turkish Republic** B. Fortna,2012-10-10 An exploration of the ways in which children learned and were taught to read against the background of the transition from Ottoman Empire to Turkish Republic This study gives us a fresh perspective on the transition from empire to republic by showing us the ways that reading was central to the construction of modernity **Protestant Children, Missions and Education in the British World** Hugh Morrison,2021-11-29 At Christmas 1936 Presbyterian children in

New Zealand raised over 400 for an x ray machine in a south Chinese missionary hospital From the early 1800s thousands of children in the British world had engaged in similar activities raising significant amounts of money to support missionary projects world wide But was money the most important thing Hugh Morrison argues that children s education was a more important motive and outcome This is the first book length attempt to bring together evidence from across a range of British contexts In particular it focuses on children s literature the impact of imperialism and nationalism and the role of emotions
