Education Triple Cocktail Brahm Fleisch,2018-08-15 The Education Triple Cocktail brings together rigorous quantitative
 and qualitative research on a new approach to improving foundational teaching and learning for schoolchildren living in
 working class poor and remote rural communities in resource constrained systems like South Africa At the core of this book
 is the theory and evidence for a powerful new interlocking and mutually reinforcing change model Inspired by the AIDS
 treatment story the three pronged approach of structured daily lesson plans appropriate and high quality educational
 materials and one on one instructional coaching to help teachers transform their instructional practices in early grade
 classrooms shows that it will improve learning outcomes For education systems defined by low levels of early grade learning
 and profoundly unequal outcomes The Education Triple Cocktail offers a theoretically informed evidence based way forward
