Readings In Christian Thought:

Readings in Christian Thought Hugh T. Kerr, 2010-09-01 Illuminates the history and development of Christian thought by offering selections from the writings of 55 great Christian theologians The volume includes substantial excerpts from notable women theologians and from black and liberation perspectives plus a new section from deceased theologians such as Thomas Merton Martin Luther King Jr and Karl Rahner Each passage is prefaced by detailed introductory comments on the life and thought of each theologian and the significance of his her work *Readings in Christian Thought* Hugh T. (Hugh Thomson) Kerr, 1989 Readings in Christian Thought Hugh Thomson Kerr, 1966 **Christology** Jeff Astley, David Brown, Ann Loades, 2009-04-14 This book is designed to meet the needs of today's teachers and students of Christian theology Focusing on specific doctrines and themes the book includes selected primary readings that track the development of the doctrine of Jesus Christ including the important questions and debates surrounding it Selections consider both the person and the work of Christ Topics include the development of classic Christology from its biblical roots through patristic debates responses to the modern distinction between the Jesus of history and the Christ of faith the understanding of incarnation as kenosis and the critical and constructive developments of liberation and feminist theologies The book includes a bibliography and each chapter includes topics for further discussion Readings in the History of Christian Theology, Volume 1, Revised Edition William C. Placher, Derek R. Nelson, 2015-08-19 William C Placher and Derek Nelson compile significant passages written by the most important Christian thinkers from the early church through the Middle Ages and up to the beginning of the sixteenth century Illustrating the major theologians controversies and schools of thought Readings in the History of Christian Theology is an essential companion to the study of church history and historical theology Excerpts are preceded by the editors introductions allowing the book to stand alone as a coherent history This revised edition expands the work's scope with the addition of many new texts especially those from the voices of women and others who have been marginalized from the theological tradition This valuable resource brings together the writings of major theologians from the church's history for a new generation of students Theology Alister E. McGrath, 2011-09-13 Completely updated and expanded this third edition from one of the world's leading theologians introduces students to key theological issues contextualizing them within the bible and the works of seminal theologians Introduces readers to key theological issues such as God Jesus the Holy Spirit faith creation salvation atonement religious history and heaven Thoroughly updated with the addition of a new chapter on the Holy Spirit Now includes images and more pedagogical features to engage the reader Each chapter offers an overview of an important theme presents relevant biblical passages and summarizes the contribution of a major theologian Expands the range of theological positions discussed within the book especially those of contemporary and feminist theologians Maintains the user friendly structure of the previous edition with the Apostle's Creed as a framework Concludes with suggestions on how readers can take their study further Can be used alongside the new edition of Theology The Basic Readings for a

complete overview of the field Readings in the History of Christian Theology: From its beginnings to the eve of the Reformation William Carl Placher, 1988-01-01 Discusses Gnosticism the School of Alexandria the Trinitarian controversies Eastern theology Saint Augustine and theologians of the Middle Ages Readings in the History of Christian Thought Robert L. Ferm, 1966 **Readings in Christian Theology** Peter Crafts Hodgson, Robert Harlen King, 1985 From Augustine to Gutierrez from Creation to Eschatology this volume provides a rich selection of the most important readings from classical modern and contemporary theologians covers all the major doctrines of Christian belief is carefully edited to provide key passages and concentrated readings can be used in conjunction with such introductions as Christian Theology and Reconstructing Christian Theology **Elements of Christian Thought** Eugene F. Rogers, Jr., 2021-05-25 In the spring of 2020 as the coronavirus pandemic disrupted classrooms around the world teachers scrambled to convert their lectures and presentations into a format more conducive to online and distance learning For Eugene Rogers this meant transcribing as closely as possible the spoken lectures that have made his Introduction to Christian Thought course at UNC Greensboro a course he has taught some forty times justly famous The result is this book an insightful winsome and engaging introduction to the history of Christian thought by a teacher at the height of his craft For Rogers the history of Christian thought is the story of a language it s Christianese if you will that participants use to frame their agreements and their disagreements alike From Anselm to Wyschogrod Rogers introduces us to the most interesting speakers of Christianese and their importance enabling us to both listen in on and take part in the living conversation about God s activity in and for our world

Jean-Luc Nancy and Christian Thought Christina Smerick, 2017-12-06 Jean Luc Nancy and Christian Thought explores Nancy s deconstruction of Christianity via the various bodies of Christ that accumulate in Christian doctrine specifically the incarnated body the resurrected body and the body of Christ the church The work ties Nancy s deconstruction to the writings of the early church demonstrating that the seeds of auto deconstruction are indeed sown in the doctrines of Western Christianity It then provides brief sketches of current theological works that touch upon similar deconstructive themes Thus the work aims to flesh out Nancy s deconstruction for the non theologian tying his complex scans of Christian thought to early patristics and also aims to help theologians unfamiliar with deconstruction or with Nancy s work recognize the value of the deconstructive method for unpacking Christian doctrine and practice This book will be of interest to philosophers of religion hermeneutics and post Frankfurt School critical theory and theologians interested in current French philosophy of religion **The Oxford Companion to Christian Thought** Adrian Hastings, Alistair Mason, Hugh S. Pyper, 2000-12-21 Embracing the viewpoints of Catholic Protestant or Orthodox thinkers of conservatives liberals radicals and agnostics Christianity today is anything but monolithic or univocal In The Oxford Companion to Christian Thought general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought Indeed the 260 contributors who hail from twenty countries represent as wide a range of perspectives as possible

Here is a comprehensive and authoritative though not dogmatic overview of the full spectrum of Christian thinking Within its 600 alphabetically arranged entries readers will find lengthy survey articles on the history of Christian thought on national and regional traditions and on various denominations from Anglican to Unitarian There is ample coverage of Eastern thought as well examining the Christian tradition in China Japan India and Africa The contributors examine major theological topics such as resurrection the Eucharist and grace as well as controversial issues such as homosexuality and abortion In addition short entries illuminate symbols such as water and wine and there are many profiles of leading theologians of non Christians who have deeply influenced Christian thinking including Aristotle and Plato and of literary figures such as Dante Milton and Tolstoy Most articles end with a list of suggested readings and the book features a large number of cross references The Oxford Companion to Christian Thought is an indispensable guide to one of the central strands of Western culture An essential volume for all Christians it is a thoughtful gift for the holidays

A History of Christian Thought: From the Protestant Reformation to the twentieth century Justo L. González, 1987 A treatment of the evolution of Christian thought from the birth of Christ to the Apostles to the early church to the great flowering of Christianity across the world The final volume begins with the towering theological leaders of the Protestant Reformation and traces the development of Christian thought through its encounter with modernity

The Christian Theology Reader Alister E. McGrath, 2016-08-05 Regarded as the leading text in Christian theology for the last 25 years Alister E McGrath's The Christian Theology Reader is now available in a new 5th edition featuring completely revised and updated content Brings together more than 350 readings from over 200 sources that chart 2 000 years of Christian history Situates each reading within the appropriate historical and theological context with its own introduction commentary and study questions Includes new readings on world Christianity and feminist liberation and postcolonial theologies as well as more selections by female theologians and theologians from the developing world Contains additional pedagogical features such as new discussion questions and case studies and a robust website with new videos by the author to aid student learning Designed to function as a stand alone volume or as a companion to Christian Theology An Introduction 6th edition for a complete overview of the subject

The Oxford Handbook of Nineteenth-century Christian Thought Joel D. S. Rasmussen, Judith E. Wolfe, Johannes Zachhuber, 2017 This Handbook considers Christian thought in the long nineteenth century from the French Revolution to the First World War encompassing not only doctrine and theology but also Christianity's mutual influence on literature and the arts political and economic thought and the natural and social sciences

Issues in Contemporary Christian Thought Duane Olson, Olson's clear and concise overview roots contemporary questions firmly in Christian responses to the Enlightenment He discusses the range of contemporary opinions their rationales and what's at stake Olson illustrates these alternate frameworks as they play out in central concerns over the being of God in relation to the universe how to understand the figure of Christ today and the distinctively new notions of being human Specifically geared to the novice theologian in college or seminary settings

Olson's text includes Reflection Research Questions Suggestions for Further Reading and a Glossary **A History of Christian Thought Volume III** Dr. Justo L. Gonzalez, 2010-09-01 A treatment of the evolution of Christian thought from the birth of Christ to the Apostles to the early church to the great flowering of Christianity across the world The final volume begins with the towering theological leaders of the Protestant Reformation and traces the development of Christian thought through its encounter with modernity Volume 2 9781426721915 Volume 1 9781426721892 *Christianity and Plurality* Richard J.
