*Modern Chinese History*, 1966      *Modern Chinese History* Harley Farnsworth MacNair, 1966      **Readings in Modern Chinese History** Immanuel Chung-Yueh Hsü, 1971      Readings in modern Chinese history and social sciences Yuru Zhi, 1966      *Modern Chinese History, Selected Readings* Harley Farnsworth MacNair, 1967      *Modern Chinese History* Harley Farnsworth MacNair, 1923      **Readings in modern Chinese history and social sciences** Yuru Zhi, 1967

**Readings in modern Chinese history and social sciences** Yu-ju Chih, 1966      **Readings in modern Chinese history and social sciences** Yu-ju Chih, 1966      **China** Michael Dillon, 2010-07-30 China's transformation in the last few decades has been perhaps the most remarkable and most controversial development in modern history. Barely a century removed from the struggling and outdated Qing Empire, China has managed to reinvent itself on an unprecedented scale from Empire to Communist state to hybrid capitalist superpower. Yet the full implications of China's rapid march to modernity are not widely understood, particularly the effects of China's meteoric rise on the nation's many ethnic minorities. China A Modern History is the definitive guide to this complex contemporary phenomenon. Deng Xiaoping's 1980s policy of reform and opening, which saw China enter the world market, is only the most recent in a series of dramatic shifts that have transformed Chinese society over the past 150 years. China A Modern History explores these contrasts in detail while also highlighting the enduring values which have informed Chinese identity for millennia. Michael Dillon's China A Modern History is essential reading for those interested in the past, present and future course of one of the world's great nations. Clearly and compellingly written, this will stand as the best introduction to this spectacular and still unfinished story.

**The 1937 - 1938 Nanjing Atrocities** Suping Lu, 2019-12-06 This book presents a comprehensive overview of the Nanjing Massacre together with an in-depth analysis of various aspects of the event and related issues. Drawing on original source materials collected from various national archives, national libraries, church historical society archives and university libraries in China, Japan, Germany, United Kingdom and the United States, it represents the first English language academic attempt to analyze the Nanjing Massacre in such detail and scope. The book examines massacres and other killings in addition to other war crimes such as rape, looting and burning. These atrocities are then explored further via a historical analysis of Chinese survivors' testimony, Japanese soldiers' diaries, Westerners' eyewitness accounts, the news coverage from American and British correspondents and American, British and German diplomatic dispatches. Further, the book explores issues such as the role and function of the International Committee for Nanking Safety Zone, burial records of massacre victims, post-war military tribunals, controversies over the Nanjing Massacre and the 100 Man Killing Contest. This book is intended for all researchers, scholars, graduate and undergraduate students and members of the general public who are interested in Second World War issues, Sino-Japanese conflicts, Sino-Japan relations, war crimes, atrocity and Holocaust studies.

revolutionize the nascent forms of modern Chinese narrative innovating strategies of representing the nation the social other time and space while problematizing their deployment of squalor for aesthetic purposes This book examines why Russian literature itself long preoccupied with a problem of belatedness vis vis Western Europe occupied a privileged place for Chinese intellectuals of this era Comparing Chinese fiction about poverty to Russian intertexts by Gogol Andreev Chekhov Turgenev and others the book shows how Chinese writers drew and innovated upon themes such as madness or human animality and formal elements such as metonymy Keru Cai s multi scalar approach emphasizing close textual analysis situates modern Chinese realism in the trans Eurasian axis of world literature      **University of Michigan Official**
