Readings In Sexology:

Sexology Uncensored Lucy Bland, Laura Doan, 1998-02-15 *Sexology Uncensored* brings together for the first time many of the key documents of the modern science of sexuality that emerged in the late nineteenth century. The early pioneers of the new field of sexology examined and classified sexual behaviors, identities and relations. For years much of the material here has been censored in the sense that it is difficult to obtain, subject to restrictive circulation or available only in medical archives. The extracts which date from the 1880s to the 1940s cover a variety of topics including gender and sexual difference, homosexuality, transsexuality and bisexuality, heterosexuality, marriage and sex manuals, reproductive control, eugenics, race and various sexual proclivities. Offering readers access to the primary materials on which contemporary sexology is founded, *Sexology Uncensored* is an invaluable record for all those interested in how we have come to think about sex and sexuality over the last hundred years. *Sexology in Culture* and its companion *Sexology Uncensored* will interest all those concerned with understanding modern sexual discourse in its historical context.

Readings in Sexology Mary Ann Watson, 1991 Readings in Sexology Mary Ann Watson, 1984 **Queer Reading Practices and Sexology in**

Fin-de-Siècle Literature Zsolt Bojti, 2025-07-28 This book scrutinises the production and transnational distribution of sexological knowledge at the turn of the century. The works of three transnationally mobile authors are in the focus: *The Picture of Dorian Gray* 1890-1891 and *Teleny* 1893 by and attributed to Oscar Wilde; *The True Story of a Vampire* 1894 by Count Stanislaus Eric Stenbock; and *Imre A Memorandum* 1906 by Edward Prime Stevenson. The textual analysis is governed by references in all four works to Hungarian culture to demonstrate how they conceptualised Hungarianness and same sex desire simultaneously in the light of the new classificatory science of sexualities coming from German speaking Central Europe. By foregrounding a timely literary angle and a culturalist approach, this book offers non-Anglocentric insights not bound by either language or nationality to shed new light on the interdisciplinary reading practices of late Victorian subjects and the ways they contributed to the emergence of fin de siècle queer fiction.

Sexology and Translation Heike Bauer, 2015-10 Examines the shape and shaping of sexual ideas and related scientific practices and cultural representations in parts of Europe, Asia, the Middle East and South America between the late 19th century and the years leading up to World War II, offering insights on the intersections between sexuality and modernity in a range of disciplinary, cultural and transnational contexts.

Sex Education Research William J. Taverner, 2023-02-20 Curated by the chief editor of the *American Journal of Sexuality Education*, this book presents engaging and accessible chapters that capture current and essential research findings from leaders in the sexuality education field. William J. Taverner brings together an impressive array of contributors to help sexuality professionals remain up to date on the most relevant issues in sex education today. Covering a spectrum of hot sexuality education topics including abstinence, gender innovative programs, pleasure, the politics of sexuality education, porn literacy, sexual orientation and more, each chapter describes key findings on a particular topic, their

significance their practical application and how these new developments have arrived The book includes chapters that address individuals across all age ranges from children to older adults as well as sexuality education and training programs for specialized professions such as nurses and school based health occupations Practical and clear this book identifies priorities and trends in the field addresses marginalized audiences and overlooked topics and hopes to encourage important discussions to come Sex Education Research A Look Between the Sheets provides a wide range of occupations and academic disciplines with a foundation of research essential to their work such as public health professionals and students of human sexuality gender studies biology psychology sociology as well as community educators school nurses and health teachers and administrative leaders affiliated with sexuality education programs at community based organizations

Encyclopedia of Sex and Sexuality Heather L. Armstrong, 2021-03-01 Providing a comprehensive framework for the broad subject of human sexuality this two volume set offers a context of historical development scientific discovery and sociopolitical and sociocultural movements The broad topic of sex encompassing subjects as varied as sexuality sexual and gender identity abortion and such crimes as sexual assault is one of the most controversial in American society today This two volume encyclopedic set provides readers with more than 450 entries on the subject offering a comprehensive overview of major sexuality issues in American and global culture Themes that run throughout the volumes include sexual health and reproduction sexual identity and orientation sexual behaviors and expression the history of sex and sexology and sex and society Entries cover a breadth of subjects such as the major contributors to the field of sexology the biological psychological and cultural dimensions of sex and sexuality and how the modern day political climate and the government play a major role in determining attitudes and beliefs about sex Written in clear jargon free language this set is ideal for students as well as general readers

Sex between Body and Mind Katie Sutton, 2019-11-25 Ideas about human sexuality and sexual development changed dramatically across the first half of the 20th century As scholars such as Magnus Hirschfeld Iwan Bloch Albert Moll and Karen Horney in Berlin and Sigmund Freud Wilhelm Stekel and Helene Deutsch in Vienna were recognized as leaders in their fields the German speaking world quickly became the international center of medical scientific sex research and the birthplace of two new and distinct professional disciplines sexology and psychoanalysis This is the first book to closely examine vital encounters among this era s German speaking researchers across their emerging professional and disciplinary boundaries Although psychoanalysis was often considered part of a broader sexual science sexologists increasingly distanced themselves from its mysterious concepts and clinical methods Instead they turned to more pragmatic interventionist therapies in particular to the burgeoning field of hormone research which they saw as crucial to establishing their own professional relevance As sexology and psychoanalysis diverged heated debates arose around concerns such as the sexual life of the child the origins and treatment of homosexuality and transgender phenomena and female frigidity This new story of the emergence of two separate approaches to the study of sex demonstrates that the distinctions between them were

always part of a dialogic and competitive process It fundamentally revises our understanding of the production of modern sexual subjects

Sex in China Fang Fu Ruan,2013-11-22 China today is sexually and in many other ways a very repressive society yet ancient China was very different Some of the earliest surviving literature of China is devoted to discussions of sexual topics and the sexual implications of the Yin and Yang theories common in ancient China continue to influence Tantric and esoteric sexual practices today far distant from their Chinese origins In recent years a number of books have been written exploring the history of sexual practices and ideas in China but most have ended the discussion with ancient China and have not continued up to the present time Fang Fu Ruan first surveys the ancient assumptions and beliefs then carries the story to present day China with brief descriptions of homosexuality lesbianism transvestism transsexualism and prostitution and ends with a chapter on changing attitudes toward sex in China today Dr Ruan is well qualified to give such an overview Until he left China in the 1980s he was a leader in attempting to change the repressive attitudes of the government toward human sexuality He wrote a best selling book on sex in China and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems A physician and medical historian Dr Ruan's doctoral dissertation was a study of the history of sex in China

Readings in Sexualities from Africa Rachel Spronk,Thomas Hendriks,2020-02-04 Images and stories about African sexuality abound in today's globalized media Frequently old stereotypes and popular opinion inform these stories and sex in the media is predominately approached as a problem in need of solutions and intervention The authors gathered here refuse an easy characterization of African sexuality and instead seek to understand the various erotic realities sexual practices and gendered changes taking place across the continent They present a nuanced and comprehensive overview of the field of sex and sexuality in Africa to serve as a guide though the quickly expanding literature This collection offers a set of texts that use sexuality as a prism for studying how communities coalesce against the canvas of larger political and economic contexts and how personal lives evolve therein Scholars working in Africa the U S and Europe reflect on issues of representation health and biopolitics same sex relationships and identity transactional economies of sex religion and tradition and the importance of pleasure and agency This multidimensional reader provides a comprehensive view of sexuality from an African perspective

CBT for Compulsive Sexual Behaviour Thaddeus Birchard,2015-05-15 Increasing numbers of therapists are coming into contact with the problem of compulsive sexual behaviour disorders However it is still a relatively new field and there is little in the current literature available that enables the therapist to work with and treat this problem CBT for Compulsive Sexual Behaviour A guide for professionals addresses this by providing a guide to cognitive behavioural theory and practice which includes the assessment diagnosis and treatment of addictive sexually compulsive disorders Beginning with a description of addictive sexuality and an overview of cognitive behavioural therapy in which CBT is presented as the most useful response Thaddeus Birchard provides clear therapeutic information about the implementation of CBT treatment intervention The

chapters included cover the neuroscience that underpins the addictive process a how to chapter on the use of groups paraphilias trauma and attachment comorbid disorders and cross addictions and analysis on the function of internet pornography all written from a cognitive behavioural stance Using case vignettes throughout Thaddeus Birchard draws on his own experience as a psychosexual therapist along with the latest research in the field to enable the therapist to treat a range of compulsive sexual problems in a way that can be applied in individual practice or in a group setting as well as how to prevent relapse This book will be essential reading for psychosexual therapists cognitive behaviour therapists and other professional working with sexual compulsive disorders

Core Readings in Psychiatry Michael H. Sacks, William H. Sledge, 1995 *Core Readings in Psychiatry* Second Edition stands as an essential text for the academic The contributors are distinguished experts who have a firm grasp of the relevant and classical citations in specific areas of psychiatry In the intervening 8 years since the first edition the profession's knowledge base has changed immensely Included in this second edition are numerous citations and new topics such as AIDS neuropsychiatry models of psychoanalytic thought child development and medical economics The book will open bibliographic doors for the academician as well as for the provider manager and consumer of psychiatric services and knowledge It is designed to be an introduction and guide to the entire psychiatric literature

Sexuality Chess Denman, 2017-05-01 Of interest to psychotherapists and counsellors of all kinds this text describes key issues and controversies in human sexuality as they present in therapy practice The author uses the biopsychosocial approach to human behaviour to analyze sexual behaviour object choice transgendered experience sexual problems transgressive sex and sex therapy Issues of sexuality in the consulting room including transference and countertransference are discussed and throughout therapeutic approaches to sexual problems are presented The human capacity for inventive imagining is presented as an important force for beneficial change and in relation to sexuality discussed in terms of the erotic imagination

Sexology in Culture Lucy Bland, Laura Doan, 1998 The key founders of sexology the science of desire were Havelock Ellis Richard von Krafft Ebing and Magnus Hirschfeld This volume examines the impact of their writings on English speaking culture from the 1880s to the early 1940s How influential a field was sexology during this period and how much power did sexologists wield What was the impact of their work on popular and official attitudes to sex Lucy Bland and Laura Doan have brought together leading historians of sex cultural and literary critics and scholars in gay lesbian and queer studies to reassess current debates on sexology in light of its history They address issues such as the relation of sexual science to the law government policy journalism eugenics programs marriage and sex manuals and literary representation They also map out new readings of transsexuality and bisexuality and the centrality of race within sexology *Sexology in Culture* and its companion *Sexology Uncensored* will interest all those concerned with understanding modern sexual discourse in its historical context

Readings in Contemporary Sexuality John P. Elia, Albert J. Angelo, 2000

Psychology of Sexuality & Mental Health Vol. 1 Naveen Pant, 2024-03-30 This book

focuses on indigenous and Indian concepts of sexuality exploring its psychology and its relationship with mental health Through theoretical review exploratory and mixed approaches the book delves into common fields of thought regarding indigenous sexuality which relate to psychology and mental health In the first section of the book Psychology of Sexuality Indigenous Approaches the book discusses various indigenous aspects of sexuality such as Indian indigenous Hindu and Buddhist The second section of the book Indigenous Psychology of Sexuality and Mental Health discusses indigenous aspects combined with sexuality and mental health *Modernism, Sex, and Gender* Celia Marshik, Allison Pease, 2018-10-04

Modernism Sex and Gender is an up to date and in depth review of how theories of gender and sexuality have shaped the way modernism has been read and interpreted from its inception to the present day The volume explores four key aspects of modernist literature and criticism that have contributed to the new modernist studies women s contributions to modernism masculinities sexuality and the intersection of gender and sexuality with politics and law Including brief case studies of such writers as May Sinclair and Radclyffe Hall this book is a valuable guide for those looking to understand the history of critical thought on gender and sexuality in modernist studies today **English Literary Sexology** H. Bauer, 2009-04-30 It is well known that much of our modern vocabulary of sex emerged within nineteenth century German sexology But how were the German ideas translated and transmitted into English culture This study provides an examination of the formation of sexual theory between the 1860s and 1930s and its migration across national and disciplinary boundaries **Legislative Proposals for Compensation of Victims of Sexual Crimes** United States. Congress. Senate. Committee on the Judiciary, 1992 Distributed to some depository libraries in microfiche **The Man Who Invented Gender** Terry Goldie, 2014-07-31 In 1955 the controversial and innovative sexologist John Money first used the term gender in a way that we all now take for granted to describe a human characteristic Money s work broke new ground and gave currency to medical ideas about human sexuality As an ardent advocate for sexual liberation he became something of a fixture in the popular imagination This book cuts through Money s talent for polemic and self promotion by digging into the substance of Money s theories and achievements It offers for the first time a balanced and probing textual analysis of this pioneering scholar s writing to assess Money s profound impact on the debates and research on sexuality and gender that dominated the last half of the twentieth century Through his analysis Goldie recovers Money s brilliance and insight from simplistic dismissals of his work due to his involvement in the tragic David Reimer case while never losing sight of his flaws

Getting the books **Readings In Sexology** now is not type of challenging means. You could not unaccompanied going following ebook amassing or library or borrowing from your friends to gain access to them. This is an agreed simple means to specifically acquire lead by on-line.
