The Gospel According to St. John, Volume 1 B. F.

Westcott,2022-08-12 B F Westcott s classic work on the Greek text of the Gospel of John was the fruit of forty years of research the book having been commissioned around 1860 and published posthumously by his son The Greek text is that of Westcott and Hort Readings of select Greek uncial manuscripts are placed beneath the text in the case of textual variants noted in the Introduction and all the more important readings are treated in special critical notes which are indexed The Anointed Community Gary M. Burge,1987 Recent research on the Johannine literature has concluded that behind these writings stands a flourishing community of Christians who lived under the tutelage of the Beloved Disciple preserved his writings and venerated his memory In this book Gary M Burge examines one feature of this community s belief and experience the role of the Spirit in its view both of Christ and of the Christian experience **The Parousia in the New Testament** Moore,2014-04-09 The Parousia in the New Testament Arthur Lewis Moore,1966 *Daily Readings* William Temple,1965 *Lazarus, Come Out* Bonnie B. Thurston,2017-01-01 Fairacres Publications 181 This study by Bonnie Thurston regards the text from the perspective of a play in three acts with seven scenes each focusing on one of the dramatis personae It introduces the traditional Orthodox theology of the icon of the raising of Lazarus to illumine the text Each Act closes with questions for prayer and pondering making the monograph useful for a self directed retreat Of special liturgical interest in the Church s preparation for Holy Week this passage of Scripture is a timeless challenge to awaken us to awareness and aliveness We are encouraged to leave behind what is dead and to respond to Christ s call to liberation

Introduction to the Literary Art of the Gospel of John Paul Jaesuk Jo,2022-05-24 The Gospel of John is a magnificent book Intricate fabrics interweave its beautiful robe and its material is a finely twisted linen of many colors Throughout the history of the church interpreters have long been captivated by its loveliness and power Many modern interpreters however would not hesitate to call it puzzling confusing or ridden with riddles at least What is John is therefore a fascinating question that lingers During the last half century literary theories have been brought into the study of the Fourth Gospel with varying degrees of success New analytical lenses are cast over the Gospel to render its secrets but it feels as if only those who are initiated into its mystery have the knowledge Reading and rereading strategies are offered but the path out of the vast labyrinth is difficult to find The Gospel of John however surprisingly reads much like the Old Testament In fact its form is deeply imbued in the styles of Old Testament poetry narratives and prophets that when they are properly understood together John s message comes across clearly Taking a comprehensive view of the styles of the Old Testament this book
