## **Readings On Fascism And National Socialism:**

**Readings on Fascism and National Socialism** University of Colorado Boulder. Department of Philosophy, 1984 The catastrophe and holocaust brought about by the two powerful movements of fascism and national socialism will mark human life always Now as we feel our hatred for them we find it difficult to understand how they could have been so powerful how they could have appealed so strongly to millions of people of a modern age To understand our own times it is necessary to understand these movements And to understand them we must read the basic philosophical and political documents which show the force of the ideas which moved a world to the brink of disaster This collection of readings has been selected to encourage students to clarify their thinking on social philosophy They will accordingly need to determine whether the readings contain more or less coherent body of ideas which constitutes a social philosophy They will also need to raise the more far reaching question of whether the ideas are acceptable To arrive at any satisfactory answer to this latter question they will necessarily have to compare the ideas of fascism and their practical meanings with the alternatives real and ideal that are the substance of live philosophical issues

Peikoff,2014-11-25 A truly revolutionary idea Clear tight disciplined beautifully structured and brilliantly reasoned Ayn Rand Self sacrifice Oriental mysticism racial truth the public good doing one s duty these are among the seductive catchphrases that circulated in pre Nazi Germany Objectivist author and philosopher Leonard Peikoff was Ayn Rand s long time associate In The Cause of Hitler s Germany previously published in The Ominous Parallels Peikoff demonstrates how unreason and collectivism led the seemingly civilized German society to become a Nazi regime *Ominous Parallels* Leonard Peikoff,1983-06-01 Ayn Rand chose Leonard Peikoff to be her successor as the spokesman for Objectivism And in this brilliantly reasoned thought provoking work we learn why as he demonstrates how far America has been detoured from its original path and led down the same road that Germany followed to Nazism Self sacrifice Oriental mysticism racial truth the public good doing one s duty these are among the seductive catch phrases that Leonard Peikoff dissects examining the kind of philosophy they symbolize the type of thinking that lured Germany to its doom and that he says is now prevalent in the United States Here is a frightening look at where America may be heading a clarion call for all who are concerned about preserving our right to individual freedom **Political Ideologies** Leon P. Baradat,2015-10-15 Brief and accessible Political Ideologies follows the evolution of political thought over 300 years Organized chronologically this text examines each major ideology within a political historical economic and social context Leon Baradat s skillful prose ensures that students obtain a clear understanding of how ideas are influencing the political realities of our time *The Conscription Society* Gregory James Kasza,1995-01-01 The ability to organize millions of people for political purposes is a potent and relatively recent weapon in the struggle for power Political scientists have studied two types of mass organization the political party and the interest group In this book Gregory Kasza examines a third type which he calls the administered mass organization AMOs are mass civilian bodies created by authoritarian regimes to implement public policy Officials use them to organize youths workers women or members of other social sectors into bodies resembling the mass conscript army A network of AMOs produces a conscription society a major force in twentieth century politics in over 45 countries Using comparative history and organization theory Kasza analyzes the politics of the conscription society in both military and single party regimes He discusses the origins of AMOs in Japan the Soviet Union and Fascist Italy and their subsequent spread to China Egypt Nazi Germany Peru Poland and Yugoslavia He focuses on the use of AMOs to curb political opposition to mobilize for war and to shift control over the means of production Kasza shows how in the hands of despotic rulers AMOs have contributed to the extremes of political barbarism characteristic of the twentieth century *Waves of Rancor* Robert L. Hilliard,Michael C. Keith,2016-07-01 The airwaves in America are being used by armed militias conspiracy theorists survivalists the religious right white supremacists neo Nazis and other radical groups to reach millions with their messages of hate and fear Waves of Rancor examines the origin nature and impact of right wing electronic media including radio television cable the internet and even music CDs The Poets of Rapallo Lauren Arrington,2021-07-08 A new story about the relationships between major

twentieth century English language poets Why did poets from the United States Britain and Ireland gather in a small town in Italy during the early years of Mussolini s regime These writers were or became some of the most famous poets of the twentieth century What brought them together and what did they hope to achieve The Poets of Rapallo is about the conversations collaborations and disagreements among Ezra and Dorothy Pound W B and George Yeats Richard Aldington and Brigit Patmore Thomas MacGreevy Louis Zukofsky and Basil Bunting Drawing on their correspondence diaries drafts of poems sketches and photographs this book shows how the backdrop of the Italian fascist regime is essential to their writing about their home countries and their ideas about modern art and poetry It also explores their interconnectedness as poets and shows how these connections were erased as their work was polished for publication Focusing on the years between 1928 and 1935 when Pound and Yeats hosted an array of visiting writers this book shows how the literary culture of Rapallo forged the lifelong friendships of Richard Aldington and Thomas MacGreevy both veterans of the First World War and of Louis Zukofsky and Basil Bunting who imagined a new kind of democratic poetry for the twentieth century In the wake of the Second World War these four poets all downplayed their relationship to Ezra Pound and avoided discussing how important Rapallo was to their development as poets But how did these democratic poets respond to the fascist context in which they worked during their time in Rapallo The Poets of Rapallo discusses their collaboration with Pound their awareness of the rising tide of fascism and even in some cases their complicity in the activities of the fascist regime The Poets of Rapallo charts the new direction for modernist writing that these writers imagined and in the process it exposes the dark underbelly of some of the most lauded poetry in the English language

*Protocols of Reading* Robert Scholes,1989-01-01 Discussing a wide range of literary theory in a clear and accessible way prize winning author Robert Scholes here continues his ongoing construction of a humane semiotic approach to the problems of reading writing and teaching Taking the view that all the world s a text Scholes considers numerous texts from life and literature including photographs paintings and television commercials as well as biographies and novels A significant and thoughtful effort to think about the responsibilities of reading in the wake of deconstruction Choice *Protocols of Reading* is a personal avuncular book attractive in its common sense and brevity Wendy Steiner *Times Literary Supplement* A complex argument developed in delightful plain English *Protocols of Reading* sees both textual fundamentalism and deconstructive debunking as needful opposites in an oscillation that Scholes labels nihilistic hermeneutics Fine tuning this oscillation is what the humanistic enterprise is all about he suggests it is our key to the true connection between reading and ethics Richard A Lanham University of California Los Angeles Robert Scholes Andrew W Mellon Professor of Humanities at Brown University is also the author of *Textual Power Literary Theory and the Teaching of English Semiotics and Interpretation and Structuralism in Literature An Introduction*

*The Third Reich* Martin Kitchen,2014-01-14 The twelve years of the Third Reich casts a dark shadow over history Fierce debates still rage over many of the hows whys and wherefores of this perplexing period Leading expert on German history

Martin Kitchen provides a concise accessible and provocative account of Nazi Germany It takes into account the political social economic and cultural ramifications and sets it within the context of the times while pointing out those areas that still defy our understanding This lively account addresses major issues such as the reasons for Hitlers extraordinary popularity his hold over the German people even when all seemed lost the role of ideology the cooption of the elites and the descent into war for race and space culminating in the horrors of the holocaust

**Eric Voegelin's Political Readings** Bernat Torres,Josep Monserrat Molas,2021-07-22 Eric Voegelin s Political Readings fills a critical void by providing an original approach to studying the work of Eric Voegelin one of the major political philosophers of the twenty first century Across six chapters experts guide the reader from classical to modern times presenting six political philosophers who have had an impact on the life and philosophical production of Eric Voegelin Philosophers examined include Plato Aristotle Saint Augustine Hobbes Weber and Kelsen Through this innovative structure the chapters collectively illustrate how Voegelin was an exceptional thinker through his engagement with political philosophers both modern and antique The plurality of unique academic perspectives and voices enriches our understanding of Voegelin s own thought while also encouraging a re think of ancient and modern thinkers and the transformation and continuity between these Designed for students and scholars alike Eric Voegelin s Political Readings will appeal to all those with an interest in Voegelin as well as readers familiar with classical and modern political philosophers

**Re-Reading Pareto on Elite Power and Societal Bipolarisation** Alasdair J. Marshall,2025-08-22 Assessing Vilfredo Pareto s sociological reworkings of Machiavelli s Fox and Lion animal spirits as friend enemy codings this book offers a unique insight into the growing division today between relatively liberal elites and relatively conservative non elites Re Reading Pareto on Elite Power and Societal Bipolarisation utilises key ideas common to Pareto s elite theory general sociology and theory of demagogic plutocracy and fleshes out a unique perspective for making sense of contemporary societal bipolarisation in terms of friend enemy codings The first part of the book explores what Pareto s core ideas are and outlines why they matter today The second part considers how we might elaborate and apply Pareto s concept of open elites to reverse contemporary societal bipolarisation and build safer and more mature democracies The third part explains how we can apply Pareto to predict further deterioration towards fundamental social conflict such that Pareto s sociological imagination becomes risk imagination we desperately need today For academics and students across the domains of sociology political science and social science in general the book warns of widespread elite institutional bias in their research and points to Pareto s neutral and balanced approach as a corrective offering a uniquely Paretian view of minimal criteria for democracy as well as a uniquely balanced analytical perspective for making sense of our culture war

**Contemporary Political Ideologies** Lyman Tower Sargent,1990 Since 1969 this book has been praised for its breadth of coverage and clarity It goes beyond the usual bland ahistorical and static mass of information to present arguments positions and counterpositions This edition includes coverage of events in China and the USSR liberation theology

environmentalism and the fourth world
