Canada , Changing Women, Changing History Diana Lynn Pedersen, 1996 Changing Women Changing History is a bibliographic guide to the scholarship both English and French on Canadian's women's history Organized under broad subject headings and accompanied by author and subject indices it is accessible and comprehensive **Tricks with a Glass** , 2022-04-19 Studies of literary reflections on ethnicity are essential to the ever renewed definition of Canadian literature The essays in this collection explore the diverse ways of negotiating identity and the articulation of space in Canada taking ethnicity as a driving force with ideological and cultural implications that lend public and literary discourse an urgent dynamism While theorizing ethnicity is a valuable critical enterprise these essays centre on the concrete realization of the problematics of ethnicity in creative writing covering a wide range of Canada's mosaic The creative inscription of ethnicity stimulates the evolution and expansion of Canada's literary heritage the complexity of this cultural experience being the focus of the present collection Fourteen essays including a personal account by the Ukrainian Canadian Janice Kulyk Keefer on the merging of private and public history and two interviews with the Chinese Canadian writer Wayson Choy and the critic Linda Hutcheon analyze the manifestations of the pluralism that has always characterized Canadian writers consciousness of themselves their engagement with the notion of the multicultural and its significance in contemporary society and in particular its effect on creativity **Dammed** Brittany Luby, 2020-10-09 Dammed explores Canada's hydroelectric boom in

the Lake of the Woods area It complicates narratives of increasing affluence in postwar Canada revealing that the inverse was true for Indigenous communities along the Winnipeg River Dammed makes clear that hydroelectric generating stations were designed to serve settler populations Governments and developers excluded the Anishinabeg from planning and operations and failed to consider how power production might influence the health and economy of their communities By so doing Canada and Ontario thwarted a future that aligned with the terms of treaty a future in which both settlers and the Anishinabeg might thrive in shared territories The same hydroelectric development that powered settler communities flooded manomin fields washed away roads and compromised fish populations Anishinaabe families responded creatively to manage the government sanctioned environmental change and survive the resulting economic loss Luby reveals these responses to dam development inviting readers to consider how resistance might be expressed by individuals and families and across gendered and generational lines Luby weaves text testimony and experience together grounding this historical work in the territory of her paternal ancestors lands she calls home With evidence drawn from archival material oral history and environmental observation Dammed invites readers to confront Canadian colonialism in the twentieth century *Drawing Borders* David R. Spencer, 2013-01-31 Canada has not always had the role of friendly neighbor to the north In fact the seemingly peaceful history of relations between the United States and Canada is punctuated with instances of border disputes annexation manifestos and trade disagreements David R Spencer reveals the complexity of this relationship through a fascinating examination of political cartoons that appeared both in the U S and Canada from 1849 through the 1990s By first examining both the cultural and political differences and similarities between the two nations Spencer lays the groundwork for the main focus of his study deeper analysis of the political perspectives of the editorial cartoons Including 141 actual cartoons of the time Spencer provides meaningful references to the historical material covered An intriguing study by a leading Canadian American scholar this work is sure to interest many across the disciplines of journalism history cartoons media studies communication and international relations **Honoré Jaxon** Donald B. Smith, 2023-11-01 Born in 1861 to a Methodist family William Henry Jackson grew up in Ontario before moving to Prince Albert Saskatchewan where he sympathized with the M tis and became personal secretary to Louis Riel After the M tis defeat a Regina court committed the young English Canadian idealist to the lunatic asylum at Lower Fort Garry He eventually escaped to the United States joined the labour union movement and renounced his race Self identifying as M tis he changed his name to the French sounding Honor Jaxon and devoted the remainder of his life to fighting for the working class and the Indigenous peoples of North America In Honor Jaxon Donald B Smith draws on extensive archival research and interviews with family members to present a definitive biography of this complex political man The book follows Jaxon into the 1940s where his life mission became the establishment of a library for the First Nations in Saskatchewan collecting as many books newspapers and pamphlets relating to the M tis people as possible In 1951 at age ninety he was evicted from his apartment and his library discarded to

the New York City dump In poor health and broken in spirit he died one month later Heavily illustrated Honor Jaxon recounts the complicated story of a young English Canadian who imagined a society in which English and French Indigenous and M tis would be equals

Propensity to Protect W.H. Heick, 2006-01-01 For Canada the last century was one of great social and economic change an increasingly urban population witnessed shifts from an agricultural to a mixed economy and from moderate to greater wealth Heick chronicles how changing attitudes toward butter and margarine reflected the nature of that society He demonstrates how the ban on the manufacture importation and sale of margarine was instigated in 1986 at the behest of the nascent yet influential dairy industry particularly in Ontario This ban was based on the premise that margarine was not a pure food Despite the lifting of the ban in 1918 23 margarine would only appear as a permanent fixture of the Canadian food spectrum after World War II The author contends that post World War II urbanization and a desire to enjoy a more prosperous life after wartime stringencies were instrumental in this change It was increasingly difficult for the Canadian dairy industry to meet the nation s growing dairy requirements Margarine was no longer viewed as impure in fact it was now recognized as being a wholesome food and substitute for butter Heick s important study of the Canadian butter margarine competition brings to light how the lengthy debate manifested itself in political economic and social milieux **In Good Hands** Ellen Easton

McLeod, 1999-12-20 The Canadian Handicrafts Guild broadened the definition of art and the artist in Canada Linking decorative arts with home arts and handicrafts the Guild consistently showed them together at annual exhibitions at the art gallery in Montreal and formed a permanent collection documenting old and contemporary crafts The Guild women combined creativity and philanthropy voluntarism and an entrepreneurial spirit education and concern with quality in a movement that provided income and recognition to craftspeople and a craft legacy to Canada *In Good Hands* is alive with the interplay

between art and social history and the issues this dialogue raised at the time and those we bring to it now constantly overlap It deals with noblesse oblige and the era's patronizing attitude to cultural difference but shows how the Guild consciously fostered an inclusive national feeling by exhibiting and selling crafts of all Canadians on an equal footing It also draws a much broader perspective of women's roles in shaping our culture than has been the norm in Canadian art history

Unsettled Pasts Sarah Carter, 2005 The traditional mythology of the West is dominated by male images the fur trader the Mountie the missionary the miner the cowboy the politician the Chief Unsettled Pasts Reconceiving the West claims to re-examine the West through women's eyes It draws together contributions from researchers scholars and academic and community activists and seeks to create dialogue across geographic cultural and disciplinary boundaries Ranging from scholarly essays to poetry these pieces offer the reader a sample of some of today's most innovative approaches to western Canadian women's history several of the themes that run throughout the volume have only recently been critically addressed By rewriting the West from the perspective of women the contributors complicate traditional narratives of the region's past by contesting historical generalizations thus transcending the myths and frontier legacies that emerged out of imperial and masculine priorities and perspectives With Contributions by Kristin Burnett Cristine Georgina Bye Sarah Carter Mary Leah De Zwart Lesley A Erickson Cheryl Foggo Nadine I Kozak Siri Louie Graham A Macdonald Florence Melchior Patricia A Roome Eliane Leslau Silverman Olive Stickney Aritha Van Herk Muriel Stanley Venne Cora J Voyageur *Constructions of Race, Place, and Nation* Peter Jackson, Jan Penrose, 1994 **Commonwealth Fiction** Rajeshwar Mittapalli, Alessandro Monti, 2002 Commonwealth Literature Continues To Retain A Separate Identity In The Twenty First Century Even Though Some Of Its Creators Do Not Favour The Term Any Longer Our Identity Stems From Our History English Was A Historical Accident That Gave An Overwhelming Majority Of The Commonwealth Countries The First Opportunity For Creative Expression English Is Now The Chief Marker Of Identity For Commonwealth Fiction Which Owes Its Current High Visibility In The International Arena To English In This Light Stimulating Answers May Be Found To The Questions Concerning The Relevance Of Commonwealth As A Literary Category The Common Characteristics Of The Literatures Produced In The Former British Colonies And The Role Of Academia In Keeping Alive The Idea Of Commonwealth Literature In This Anthology Scholars From At Least Three Continents Analyse Some Important Works Of Fiction Originating From The Former British Colonies Deal With Major Topics In The Current Postcolonial Debate And Put Commonwealth Fiction Itself Into Perspective

Bringing Culture Back In Michael Böss, 2015-09-30 Economists used to claim that material self interest and the rational choices of the individual were universal factors that transcended cultural values and differences This position has been challenged by critics who have pointed out the methodological and philosophical weaknesses of this approach They dispute the idea that social order can be explained as the product of the choices of individual agents and that social agents operate independently of their social and cultural values and norms Today there is virtual agreement not only among students of

culture but also among social scientists that culture counts in both politics and society as well as in international relations In this book a number of international political scientists economists philosophers and humanist scholars address the role of culture ethnicity and religion in contemporary states and societies *The Chinese in Vancouver, 1945-80* Wing Chung Ng, 2011-11-01 In *The Chinese in Vancouver* Wing Chung Ng captures the fascinating story of the city's Chinese in their search for identity He juxtaposes the cultural positions of different generations of Chinese immigrants and their Canadian born descendants and unveils the ongoing struggle over the definition of being Chinese It is an engrossing story about cultural identity in the context of migration and settlement where the influence of the native land and the appeal of the host city continued to impinge on the consciousness of the ethnic Chinese *The Chinese in Canada* is long overdue in view of the many previous studies that tend to describe Chinese people as victims of racial prejudice and discrimination and Chinese identity a matter of Western cultural hegemony Ng's account gives the Chinese people their own voice and shows that the Chinese in Vancouver had much to say and often disagreed about the meaning of being Chinese In his concluding chapter Ng looks beyond the Canadian context by engaging in a comparative discussion of the experiences of ethnic Chinese elsewhere in the diaspora References to the Chinese in various Southeast Asian countries and the U S force a rethinking of Chineseness He ends with reflections about Vancouver's Chinese community since 1980
