## **Reaffirming Rehabilitation:**

Reaffirming Rehabilitation Francis T. Cullen, Karen E. Gilbert, 2012-11-13 Reaffirming Rehabilitation 2nd Edition brings fresh insights to one of the core works of criminal justice literature This groundbreaking work analyzes the rehabilitative ideal within the American correctional system and discusses its relationship to and conflict with political ideologies Many researchers and policymakers rejected the value of rehabilitation after Robert Martinson's proclamation that nothing works Cullen and Gilbert's book helped stem the tide of negativism that engulfed the U S correctional system in the years that followed the popularization of the nothing works doctrine Now Cullen traces the social impact on U S corrections policy This new edition is appropriate as a textbook in corrections courses and as recommended reading in related courses It also serves as a resource for researchers and policymakers working in the field of corrections

*A Criminologist's Life* Cheryl Lero Jonson, Travis C. Pratt, 2022-09-13 A Criminologist's Life Essays in Honor of the Criminological Legacy of Francis T Cullen honors the vast scholarly contributions of Francis T Frank Cullen as well as the immeasurable influence that he has had on the field for over 40 years With over 500 publications to his name and more than 67 000 citations to his work Frank Cullen has left an indelible mark on the fields of criminology and criminal justice Although best known for his work on rehabilitation and criminological theory Frank also has profusely published in and shaped the areas of white collar crime the use of meta analytic techniques to organize knowledge the sexual victimization of college women and public opinion on crime and punishment However Frank's legacy on the field is not limited to his scholarly contributions He has served as a mentor to countless students colleagues and others in the field helping support and guide the next generation of scholars Thus the current volume is organized to recognize both his scholarly work and mentoring as well as to provide an opportunity for Frank to reflect on his career in his own words The result is a collection of essays from Frank's former students colleagues and friends written to pay homage to the more than 40 years of work he has done to advance criminological knowledge and shape the field

*Correctional Theory* Francis T. Cullen, Cheryl Lero Jonson, 2016-01-18 The text is an incredible composite of the literature that has shaped correctional practice The authors have a great capacity for making research interesting and accessible Cullen and Jonson have accomplished their goal of motivating readers to become sophisticated consumers of correctional knowledge Betsy Matthews Eastern Kentucky University The Second Edition of Correctional Theory Context and Consequences continues to identify and evaluate the major competing theories used to guide the goals policies and practices of the correctional system Authors Francis T Cullen and Cheryl Lero Jonson demonstrate that changes in theories can legitimize new ways of treating and punishing offenders and they help readers understand how transformations in the social and political context of U S society impact correctional theory and policy Designed to motivate readers to become sophisticated consumers of correctional information the book emphasizes the importance of using evidence based information to guide decisions rather than relying on nonscientific commonsense or ideology based beliefs

Souryal,2014-10-24 Introducing the fundamentals of ethical theory this text exposes the reader to the ways and means of making moral judgments by covering the teachings of the great philosophers sources of criminal justice ethics and unethical patterns in the criminal justice system It is presented from two perspectives a thematic perspective that addresses ethical principles common to all components of the discipline and an area specific perspective that addresses the state of ethics in criminal justice in the fields of policing corrections and probation and parole The fourth edition features expanded discussion of the formula of ethical discretion to enhance students understanding of ethics decision making in real life situations as well as a new chapter on the ethics of loyalty and loyalties in the workplace      *Federal Probation* ,1995

**Corrections: A Text/Reader** Mary K. Stohr,Anthony Walsh,Craig Hemmens,2012-03-20 Corrections A Text Reader Second Edition is designed for undergraduate and or graduate corrections courses Organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key Section followed by carefully selected and edited original articles by leading scholars This hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these advances are determined by research      Criminal Justice Theory, Volume 26 Cecilia Chouhy,Joshua C. Cochran,Cheryl Lero Jonson,2020-02-14 Criminal Justice Theory Explanations and Effects

undertakes a systematic study of theories of the criminal justice system which historically have received very little attention from scholars. This is a glaring omission given the risk of mass imprisonment, the increasing presence of police in inner city communities and the emergence of new policy initiatives aimed at improving the quality and effectiveness of the administration of justice. Fortunately, however, a number of disparate theoretical works have appeared that seek to provide insight into the nature and impact of criminal justice. Based on 13 original essays by influential scholars, this volume pulls together the most significant of these perspectives, thus creating a state of the art assessment of contemporary criminal justice theory. Criminal justice theory can be divided into two main categories. The first includes works that seek to explain the operation of the criminal justice system. Most of these contributions have grappled with the core reality of American criminal justice: its rising embrace of punitiveness and the growth of mass imprisonment. The second category focuses on works that identify theories that have often guided efforts to reduce crime. The issue here focuses mainly on the effects of certain theoretically guided criminal justice interventions. The current volume is thus organized into these two categories: explanations and effects. The result is an innovative and comprehensive book that not only serves researchers by advancing scholarship but also is appropriate for advanced undergraduate or graduate classroom use.

**Research Handbook on the Punishment of Atrocity Crimes** Róisín Mulgrew, Mikkel J. Christensen, 2024-11-08. This Research Handbook examines the punishment of atrocity crime and presents a wide ranging critique of post conviction law policy and practice. With a team of expert contributing authors, Róisín Mulgrew and Mikkel Jarle Christensen provide insights into the impact and implications of punishment models, strategies and frameworks.

[The Oxford Handbook of Prisons and Imprisonment](#) John Wooldredge, Paula H. Smith, 2018. The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives, providing graduate students with a more comprehensive understanding of the topic, academics with a body of knowledge that will more effectively inform their own research, and practitioners with an overview of evidence based best practices.

**Criminological Theory** J. Robert Lilly, Francis T. Cullen, Richard A. Ball, 2018-10-17. Updated Edition of a Best Seller. Offering a rich introduction to how scholars analyze crime, Criminological Theory: Context and Consequences moves readers beyond a commonsense knowledge of crime to a deeper understanding of the importance of theory in shaping crime control policies. The Seventh Edition of the authors' clear, accessible and thoroughly revised text covers traditional and contemporary theory within a larger sociological and historical context. It includes new sources that assess the empirical status of the major theories as well as updated coverage of crime control policies and their connection to criminological theory.

**Criminological Perspectives** Eugene McLaughlin, John Muncie, Gordon Hughes, 2003-02-24. This book presents in accessible form the most relevant readings from the diverse criminology literature and provides students with direct access to the main theories and perspectives which underpin and shape the discipline of criminology.

**The Right to Be Punished** Gabriel Hallevy, 2012-10-12. Does an offender have the right to be punished? The

right to be punished may sound like an oxymoron but it is not necessarily so With the emergence of modern criminal law the offender gained the right to be punished by rational criminal law rather than being lynched by an angry mob The present day offender may have the right to be punished by doctrinal sentencing rather than being subjected to verdicts based on vague unclear and uncertain principles In modern criminal law the imposition of criminal liability follows accurate and strict rules whereas there are no similar rules for the imposition of punishment The process of sentencing is vague and obscure as are the considerations used for the imposition of punishments The objective of the present book is to propose a comprehensive general and legally sophisticated theory of modern doctrinal sentencing The challenges of such a legal theory are plenty and complex In addition to increasing clarity and certainty modern doctrinal sentencing must deal with modern types of delinquency e g organized crime recidivism corporate offenders high tech offenses etc and modern principles of criminal law Modern doctrinal sentencing must serve to ensure optimal sentencing

*Environmental Corrections* Lacey Schaefer, Francis T. Cullen, John E. Eck, 2015-10-09 A new paradigm for supervising offenders in the community *Environmental Corrections* is an innovative guide filled with rich insights and strategies for probation and parole officers to effectively integrate offenders back into the community and reduce recidivism Authors Lacey Schaefer Francis T Cullen and John E Eck move beyond traditional models for interventions and build directly on the applied focus of environmental criminology theories Using this approach the authors answer the question of what officers can do to decrease opportunities for an offender to commit a crime Readers will learn how to recognize and assess specific criminal opportunities in an offender's past and gain the tools and strategies they need to design an individualized supervision plan that channels offenders away from these criminogenic situations
