After Full Employment John Keane, John Owens, 2018-12-07 First published in 1986 This book analyses at an introductory level the four main and competing political interpretations of the cause of unemployment and the future of paid work social democracy free market liberalism the disciplinary state and utopian socialism Considered together these four interpretations are highly revealing and challenging They raise considerable doubts about the viability or desirability of policies design to get the jobless back to work Keane and Owens central argument is that the post war policy of full male employment as well as its politic economic and social preconditions are not repeatable Starting with Keynes and Beveridge they explain how and why full employment welfare states developed in Britain and the US and how they had in turn been replaced by the strong state free market programmes of Thatcher and Reagan By focusing on an issue which was and still is at the heart of political debate the book provides a lucid and approachable guide to four key strands of political thought in Britain and the US It will be an ideal introductory text for students of politics sociology and economics

Reindustrializing New York State Morton Schoolman, Alvin Magid, 1986-01-01 This is the first study to comprehensively investigate economic revitalization strategies in a state economy that until recently had been the most

powerful in the United States In sixteen original essays Reindustrializing New York State documents the state's long term deindustrialization and examines and evaluates the policies initiated to reverse its decline Pursuing an analysis of each of the strategies crucial to New York's economic redevelopment the authors assess the significance of the state's policy actions and inactions while focusing attention on problems and trends likely to pose formidable barriers to future growth What crystallizes is the image of a state in passage to a radically different stage of political social and economic organization with new possibilities as well as new hazards

Promoting Active Citizenship Karl Henrik Sivesind, Jo Saglie, 2017-08-29 This book is open access under a CC BY 4.0 license This book analyses the considerable variation in the shares of private provision for core services in education health and social services in the Scandinavian countries The chapters compare countries service areas and the for profit non profit and public sectors Each focuses on different levels of change the mix of welfare providers national laws and regulations governance in municipalities nursing homes and schools and finally the consequences experienced by the users of the services The authors ask which combinations of governance structures service sector providers and user choice give the best results for active citizenship Promoting Active Citizenship will be of interest to students and scholars across a range of disciplines including Public Administration and Management Non Profit Management Social Policy Innovation in Public Service Social Care and Education and School Research

Defining the National Interest Peter Trubowitz, 1998-02-17 The United States has been marked by a highly politicized and divisive history of foreign policy making Why do the nation's leaders find it so difficult to define the national interest Peter Trubowitz offers a new and compelling conception of American foreign policy and the domestic geopolitical forces that shape and animate it Foreign policy conflict he argues is grounded in America's regional diversity The uneven nature of America's integration into the world economy has made regionalism a potent force shaping fights over the national interest As Trubowitz shows politicians from different parts of the country have consistently sought to equate their region's interests with that of the nation Domestic conflict over how to define the national interest is the result Challenging dominant accounts of American foreign policy making Defining the National Interest exemplifies how interdisciplinary scholarship can yield a deeper understanding of the connections between domestic and international change in an era of globalization

Reaganism, Thatcherism and the Social Novel C. Hutchinson, 2008-10-31 The social novel is the traditional haunt of the liberal conscience What does the triumph of the New Right mean for this type of fiction in Britain and the US Should the liberal left seek consensus or assertion This book examines these issues and assesses the state of both nations as well as that of the contemporary novel

Explaining U.S. Imprisonment Mary Bosworth, 2010 Explaining U.S. Imprisonment builds on and extends some of the contemporary issues of women in prison minorities and the historical path to modern prisons as well as the social influences on prison reform

Into Our Own Hands Sandra Morgen, 2002 Recent history has witnessed a revolution in women's health care Beginning in the late 1960s women in communities across the United States challenged

medical and male control over womens health Few people today realize the extent to which these grassroots efforts shifted power and responsibility from the medical establishment into womens hands as health care consumers providers and advocates Into Our Own Hands traces the womens health care movement in the United States Richly documented this study is based on more than a decade of research including interviews with leading activists documentary material from feminist health clinics and advocacy organizations a survey of womens health movement organizations in the early 1990s and ethnographic fieldwork Sandra Morgen focuses on the clinics born from this movement as well as how the movements encounters with organized medicine the state and ascendant neoconservative and neoliberal political forces of the 1970s to the 1980s shaped the confrontations and accomplishments in womens health care The book also explores the impact of political struggles over race and class within the movement organizations
