OFFERING PRACTICAL, LIFE-AFFIRMING
ALTERNATIVES TO ABORTION

UNDERSTANDING
THE NEEDS OF WOMEN
IN UNPLANNED PREGNANCIES

FREDERICA MATHEWES-GREEN

WITH FOREWORD BY GUY M. CONDON

Real Choices Offering Practical Life Affirming Alternatives To Abortion

R. Paul Stevens, Robert Banks

Real Choices Offering Practical Life Affirming Alternatives To Abortion:

Real Choices Frederica Mathewes-Green, 1994 Providing pregnant women with alternatives that are practical realistic and life affirming this book examines some of the questions that surround abortion and the reasons many women choose abortion Mathewes Green explores the resources available to alleviate the problems that come with an unplanned pregnancy and tells how those resources can be improved

Abortion and the Christian Tradition Margaret D. Kamitsuka, 2019-10-29 Abortion remains the most contested political issue in American life Poll results have remained surprisingly constant over the years with roughly equal numbers supporting and opposing it A common perception is that abortion is contrary to Christian teaching and values While some have challenged that perception few have attempted a comprehensive critique and constructive counterargument on Christian ethical and theological grounds Margaret Kamitsuka begins with a careful examination of the church's biblical and historical record refuting the assumption that Christianity has always condemned abortion or that it considered personhood as beginning at the moment of conception She then offers carefully crafted ethical arguments about the pregnant woman's authority to make reproductive decisions and builds a theological rationale for seeing abortion as something other than a sin

Stand for Life John Ensor, Scott Klusendorf, 2022-05-03 Of the 1.2 million abortions performed annually in the U.S. more than 500,000 are performed on college-aged women They make up 44% of all abortions in the country So it is not surprising that there is a large thriving network of pro-life groups on college campuses These groups serve to advocate for pro-life and educate other young people about the physical emotional psychological and spiritual effects that abortion has on women While there are online guides and booklets on the topic there are currently very few if any books that are specifically geared for use by young advocates for this cause Now there is Stand for Life a manual that addresses tough questions in a format that is concise and straightforward Topics include Defending your pro-life views in five minutes or less Understanding the sanctity of human life Simplifying the abortion debate Developing a Christian response to abortion Debate keeping cool under fire Q As about such thorny issues as unsafe abortions abortion when mother's lives are at risk my body my choice and more

 equipping yourself to walk alongside others this book will strengthen your faith and point you to the ultimate source of hope
 God s Word So that whatever you re facing or whoever comes to you you have every reason for hope for every challenge in
 life Because hope means everything Discover biblical answers Experience lasting hope Get your copy today *Students for*
Life John Ensor, Scott Klusendorf, 2012-09-01 More than 500 000 abortions are performed annually on college aged women
 Students for Life of America is a thriving network of 637 pro life student groups on college campuses in 48 states These
 groups educate people about the physical emotional psychological and spiritual effects that abortion has on women This
 helpful guide is geared for use by college aged students for the pro life cause *Counseling Through Your Bible Handbook*
 June Hunt, 2008-03-15 June shows us how to use biblical truth to change minds hearts and lives Dr Mark L Bailey President
 Dallas Theological Seminary Bestselling author June Hunt s Biblical Counseling Handbook is now available in hardcover This
 powerful resource is based on many years of careful research thousands of counseling phone calls and countless hundreds of
 pages of written resources produced by Hope for the Heart This 450 page handbook brings together the very best of June s
 extraordinary counseling ministry which has offered Christ centered hope and guidance to people around the world The 50
 chapters deal with the most pressing issues people face today and offer practical solutions firmly based on Scripture Among
 the topics are anger adultery fear phobias alcohol drug abuse guilt grief codependency cults rejection rape depression
 divorce self worth suicide Readers will want to keep this life changing resource handy alongside their Bibles *Kingdom*
Ethics, 2nd ed. David P. Gushee , Glen H. Stassen , 2016 Comprehensive update of the leading Christian ethics textbook of the
 21st century Ever since its original publication in 2003 Glen Stassen and David Gushee s Kingdom Ethics has offered
 students pastors and other readers an outstanding framework for Christian ethical thought one that is solidly rooted in
 Scripture especially Jesus s teachings in the Sermon on the Mount This substantially revised edition of Kingdom Ethics
 features enhanced and updated treatments of all major contemporary ethical issues David Gushee s revisions include
 updated data and examples a more global perspective more gender inclusive language a clearer focus on methodology
 discussion questions added **Choosing the Good** Dennis P. Hollinger, 2002-09 An intelligent discussion of the foundations
 and methods in ethics and ways to apply a Christian worldview to our secular culture **By Their Fruits** Ann
 FARMER, 2008 Though controversial in subject By Their Fruits presents an important examination of not only the history of
 abortion legislation but also the history and impact of the Eugenics movement *The Complete Book of Everyday*
Christianity R. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity
 is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better

collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ

The Encyclopedia of Christianity, Volume 1 (A-D) Erwin Fahlbusch, Jan Lochman, John Mbiti, Jaroslav Pelikan, Lukas Vischer, 2025-04-14 A major intellectual resource Jaroslav Pelikan from the foreword The multiple award winning Encyclopedia of Christianity EC copublished by Brill and Eerdmans is a monumental five volume work presenting the history and current state of the Christian faith in its rich spiritual and theological diversity around the world Volume 1 A D contains 465 articles featuring articles on all but the smallest countries of the world including the former communist nations that have gained independence since 1989 the latest statistical information from David B Barrett on the religious affiliation and ecclesiastical breakdown of each country and continent articles on doctrines denominations and social and ethical issues in relation to the churches biographical articles on prominent figures through church history The Encyclopedia of Christianity is also available online

Answering the Call John Ensor, 2021-04-18 A life affirming message for those who counsel couples facing an unplanned pregnancy Encouraging readers to reach out with compassion and sensitivity Ensor offers updated scientific knowledge practical applications and theological insights to help you gently guide women to choose life and prospective fathers to protect and provide for their children especially those in the womb

Abortion Marie Costa, 1996 Abortion has existed since ancient times but the debate over the legality and morality of abortion has never been so widespread It is a controversy that concerns YAs not only because it has become a notorious political issue but because it is an issue that many may have to face For this reason it is a common topic for research papers in middle school and high school Costa's book will be a great starting point for these papers It is the second edition of a book that was well reviewed when first published in 1991 The first edition made Library Journal's list of Best Reference Books of 1991 and School Library Journal's Recommended Reference Books 1992 Unlike The Abortion Controversy Greenhaven 1995 it is not organized by arguments pro and con Rather it consists of several chapters of objective research material a chronology of events beginning with Classical Greece biographical sketches of current movers and shakers on both sides of the issue laws policies and landmark court cases as well as extensive abortion statistics There is a frank discussion of abortion techniques and complications psychological and physical and an overview of fetal development It concludes with a lengthy annotated directory of organizations and an extensive bibliography of print and nonprint materials The purpose of the book is to present historical and factual background information objectively along with resources for further exploration For instance the reader will learn that in 1864 the American Medical Association established a prize for the best anti abortion book written for

the lay public One will also find that the most common reason for having an abortion is that a baby would interfere with work school or other responsibilities In the statistical section a reader will see that 89 percent of abortions are performed within the first twelve weeks of pregnancy The biography section includes a profile of Mary Cunningham Agee founder of the Nurturing Network which offers alternatives to abortion for women who fear that their unintended pregnancies will do irreparable harm to their education or career Abortion A Reference Handbook is just what the title says It is packed with information but strives to be factual It is a resource for student researchers and will be welcomed in any public or high school library Paula J Lacey Copyright 1997 Voya Reviews **The Human Life Review** ,1996 **Human Dignity and**

Contemporary Liberalism Brad Stetson,1998-01-21 The author of Human Dignity and Contemporary Liberalism argues that the nature and application of contemporary liberalism is significantly dissonant with the deepest inclinations and most persistent moral sentiments of human beings and it therefore distorts human self understanding and defaces human dignity This mismatch between human nature and the essence of contemporary liberalism hobbles our public life and the author suggests is the Gordian knot that must be loosed if the new millennium is to manifest a more humane and satisfying American civitas This wide ranging book begins with a discussion of certain consequences and implications of contemporary liberalism s heavy emphasis on individual rights moving into a reflection on two general categories of human dignity suggesting that there is in contemporary liberal thought a lack of clarity concerning the meaning and gravity of this concept The focus then shifts to the idea of desert or deservingness The viability of desert rightly understood is advanced as a useful general concept for understanding American public life and as an important tool for restoring a measure of common sense to our politics The second section of the book concentrates on the actual application of contemporary liberalism s values as it has occurred since the 1960s particularly in the culturally contentious areas of race and abortion Emerging from this survey is an unflattering image of a political paradigm which according to the author must be abandoned or at least radically revised if America is to strike a posture of moral intensity and genuine social understanding **Thoughtful Parenting** R. Paul

Stevens,Robert Banks,2001-08-09 Parenting Is there anything more important Or more difficult How can you help your children navigate complex situations gray areas rapid change and other danger zones How can you understand and apply biblical principles in today s world This is a constant challenge for thoughtful parents Featuring the combined wisdom of doctors pastors business people counselors homemakers lawyers and professors Thoughtful Parenting is an excellent guide for families From adolescence baptism and computer games to allowances blessing and credit cards editors R Paul Stevens and Robert Banks have compiled concise summaries of biblical teaching and practical advice on nearly one hundred topics critical to parents While providing a source for quick reference Thoughtful Parenting also goes further than most books on parenting offering fresh and fascinating reflection on how come as well as how to Thoughtful Parenting is essential reading for parents who want biblical practical balanced and reliable answers for themselves and for their children **The**

Encyclopedia of Christianity Erwin Fahlbusch, Geoffrey William Bromiley, 1999 This multifaceted and up to date encyclopedia is sure to be of interest to pastors and church workers of all confessions equally so to students scholars and researchers around the world who are interested in any aspect of Christianity or religion in general The first volume contains 465 articles that address a comprehensive list of topics Life and Learning VI University Faculty for Life. Conference, 1997

Bearing Witness Karen O'Donnell, Katie Cross, 2022-08-31 Much like theology itself the experience of trauma has the potential to reach into almost any aspect of life refusing to fit within the tramlines A follow up to the 2020 volume Feminist Trauma Theologies Bearing Witness explores further into global intersectional and as yet relatively unexplored perspectives With a particular focus on poverty gender and sexualities race and ethnicity and health in dialogue with trauma theology the book seeks to demonstrate both the far reaching and intersectional nature of trauma encouraging creative and ground breaking theological reflections on trauma and constructions of theology in the light of the trauma experience A unique set of insights into the real life experience of trauma the book includes chapters authored by a diverse group of academic theologians practitioners and activists The result is a theology which extend far into the public square **Life and Learning** University Faculty for Life. Conference, 1997
