**Preaching with Evangelistic Persuasion** Ben D Rogers D Th, Ben D. Rogers, 2012-12-31 Paul says For our gospel came not unto you in word only but also in power and in the Holy Ghost and in much assurance 1 Thess 1 5 Why are so many pulpits today void of effective evangelical gospel preaching preachers of power and much assurance Is the Holy Spirit totally at fault here We dare not think so Rather the purpose of this book is to be a clear guide for preachers today using the Scriptures to create a basis for persuasive evangelistic preaching One of the primary needs in the effort of evangelistic preaching is to establish the relative place of the mind the conscience the emotions and the will in one s appeal Many criticize proclamation evangelism as securing decisions by appeals largely emotional and generally void of any intellectual involvement It is therefore necessary to establish the truth that true evangelistic preaching involves each of the elements of man s soul and not just his emotions Through effective evangelism the Holy Spirit touches each aspect of man s makeup and enables his decision for salvation as is expounded in the gospel of Jesus Christ The subject of this book is limited to one type of sermon the evangelistic sermon Four basic appeals in evangelistic preaching are expounded and organized in useful format Actual sermon structure and delivery of the sermon will be much more obvious after the very foundation of an effective sermon is dealt with as spelled out in this book Chapter One deals with Gospel preaching and its appeal to the intellect Chapter Two discusses Gospel preaching and its relationship to the conscience Chapter Three examines Gospel preaching s appeal to the emotions of man Chapter Four scrutinizes the appeal of Gospel preaching to the will of man In each chapter the writer gives a definition of the moral element dealt with in the study Then the design of the preacher in dealing with that element is stated Next the direction to be taken by the preacher is described Finally the writer demonstrates the use of appeals to man s moral elements by using examples of great evangelists of the past and present The conclusion includes general observations and pragmatic applications of the subject About the Author For sixty years this writer has preached as an international evangelistic preacher seeing thousands of souls persuaded to turn from sin and believe on the Lord Jesus Christ He has a lifetime of confirmation of these truths presented and calls upon all ministers to return to Peitkos persuasive preaching of the Gospel      *Evangelistic Preaching* Ozora Stearns Davis, 1921      Evangelistic Preaching That Connects Craig A. Loscalzo, 1995-10-24 Craig A Loscalzo shows how to develop evangelistic sermons that will appeal to today s audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice      The Gospel for

Today Reuben A. Torrey,2022-03-01 God s attitude toward the world is infinite love God s attitude toward sin is infinite hatred God s attitude toward His Son is unutterable love but He gave that Son up to die for you and me God s attitude toward the believer is to give him eternal life regardless of what his past has been God s attitude toward those who will not believe is to leave them to the perdition they so madly choose What will you choose today life or death People decide that question in a few minutes decide it for all eternity God help you to decide it right In addition to being saved from the power of sin a real faith that Jesus is the Son of God involves the surrender of our life to Him If Jesus is divine if He is the Son of God if He is God made manifest in the flesh we should surrender to Him all that we are and all that we have That is what He demands of us and has a right to demand of us Remember Jesus is the Son of God Have you made a surrender of your whole life to Him If not will you make that surrender now Reuben A Torrey About the Author Reuben Archer Torrey traveled all over the world leading evangelistic tours preaching to the unsaved It is believed that more than one hundred thousand were saved under his preaching Torrey married Clara Smith in 1879 with whom he had five children In 1908 he helped start the Montrose Bible Conference in Pennsylvania which continues today He became dean of the Bible Institute of Los Angeles now Biola University in 1912 and was the pastor of the Church of the Open Door in Los Angeles from 1915 to 1924 Torrey continued speaking all over the world and holding Bible conferences He died in Asheville North Carolina on October 26 1928

**Evangelistic Preaching** Lloyd M. Perry,John R. Strubhar,2000-02-05      **Biblical Preaching for Today's World** Lloyd Perry,1990-03-08 Biblical preaching has not outgrown its usefulness The methods may vary but the message remains the same God s challenge and call to the preacher still come through loud and clear Preach the Word Lloyd M Perry s Biblical Preaching for Today s World has been helping pastors and speakers preach the Word since 1973 Although the principles Perry originally established are timeless the needs and concerns of audiences are always changing To help pastors preach more effectively to today s congregations Perry has updated his original manuscript He offers pastors help in understanding and adjusting to the effects television has had on an audience s listening skills Historical references throughout each chapter will also help preachers learn from yesterday s teachers and styles Biblical Preaching for Today s World continues to offer sound time tested principles for preaching regardless of the preacher s style Filled with helpful suggestions annotated outlines and solid documentation it is invaluable reading for all who aspire to preach the Word      *Preaching Evangelistically* Al Fasol,Roy Fish,Steve Gaines,Ralph Douglas West,2006 What is the point of preaching With so many agendas competing for pulpit time these days it can be easy to forget the exact purpose of our Christian calling to proclaim God s salvation through Jesus who died and is now resurrected Preaching Evangelistically looks at the different elements of gospel preaching and how they are best used to effectively proclaim Jesus They include sermon setting text selection preparation preaching with biblical authority giving an invitation and hiding behind the cross as you preach Also here are eyes on text examples of evangelistic sermons from selected preachers Cowriter Al Fasol states The purpose of our book is to provide information on

preaching evangelistically with integrity with biblical accuracy with appeal to contemporary listeners and absolutely for the glory of God Back cover      **Real Evangelism** Bailey Smith,1999-10-08 Real Evangelism shows how aspects of church culture actually dampen the evangelistic task entrusted to it Smith exposes what he calls subtle substitutes to evangelism While there is nothing wrong with ministries that help established Christians Bailey Smith impresses upon the church that these types of ministries must not take place of reaching out to the lost      **Evangelistic Preaching** Charles Gresham,1991

**Preparing Evangelistic Sermons** Ramesh Richard,2015-08-11 When it comes to evangelism converting the sinner is God's part Communicating the gospel is the preacher's part But how is this done effectively Professor of expository preaching Ramesh Richard offers pastors a simple do it yourself resource for preparing and delivering evangelistic sermons Incorporating a seven step process this book guides readers through the foundation framework method and special issues of evangelistic preaching With six appendices that provide relevant information outlines and checklists Preparing Evangelistic Sermons is ideal for students of evangelism preachers and ministry leaders who seek a better way to proclaim Christ to others      **The Pastor-evangelist in Worship** ,1986-01-01 The role of the pastor as worship leader and preacher takes on additional significance when viewed in the context of evangelism Building on the foundation laid in his earlier book The Pastor as Evangelist Richard Stoll Armstrong provides practical down to earth guidance for the minister who wants to participate more fully in the church's mission of evangelism      *How Effective Sermons End* Ben Awbrey,2022-07-21

Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light      Acts: Jimmy Swaggart Bible Commentary Jimmy Swaggart,1996 ACTS BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by

chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God

**Symposium on Evangelism (JCR Vol. 07 No. 02)** R. J. Rushdoony, Kenneth Gentry Jr., Herbert Bowsher, Lewis Bulkeley, Donovan Courville, Jefferson Duckett, P. Richard Flinn, James Jordan, Francis Mahaffy, Tommy W. Rogers, What s wrong with Reformed evangelism Something certainly appears to be wrong When we look at the growth of Arminian Baptist churches and compare this growth with the various Reformed Baptist and Presbyterian denominations the numbers are very discouraging When J Gresham Machen left the old Presbyterian Church of the USA he believed that his newly formed Presbyterian Church of America would grow rapidly as a result of its commitment to biblical inerrancy and the fundamentals of the faith Instead it suffered a split the next year June 1937 and the two new denominations the Bible Presbyterians and Orthodox Presbyterians have not grown much in membership since 1937 Much the same has been true of the various Dutch based Reformed denominations They grow only if the birth rate increases and the death rate decreases within the respective groups As I noted at age 21 the Dutch churches seem to have substituted procreation for a Board of Home Missions I wasn t tactful in my youth the way I am today So what s the problem As you might expect there is more than one problem There is a whole pile of problems such as 1 not systematic evangelism programs 2 imitation Arminian evangelism programs 3 ineffective evangelism programs 4 a message geared to confrontation not conquest 5 the humanism of our era 6 lack of capital 7 lack of confidence 8 lack of past successes to serve as precedents 9 seminaries that don t emphasize evangelism 10 too much concern for the rigors of theological speculation and not enough for the demands of applied theology 11 an inability to recognize and emphasize the strong points of the Reformed heritage relevance concrete answers for social problems scholarship organization 12 fatalism regarding stagnation and defeat 13 ignorance of the warfare between Christianity and humanism 14 compromised apologetic methodology rationalism 15 a constricted view of the Kingdom of God 16 incompetence in the area of communication 17 a failure to tithe One of the criticisms that has been aimed at the Christian reconstructionist movement is that it has not been concerned with evangelism An odd charge coming from pastors who have never demonstrated that they have had any grasp of evangelism techniques given their tiny churches and invisibility in their communities The Christian reconstruction movement is less than a decade old It has little capital Yet despite its youth and its lack of capital it has been influential enough to become a force in American thought and culture When Newsweek identified the source of the religious right s ideas it listed Chalcedon and only Chalcedon Feb 2 1981 p 60

But this is not evangelism in the eyes of the critics This doesn't count So what does count Not sheer numbers certainly the critics cannot point to their own success using this criterion What is the nature of legitimate evangelism The latest issue of The Journal of Christian Reconstruction addresses itself to this important question But more than this it offers specific affordable suggestions to struggling congregations about how they can grow become more influential and count for something within their communities We need both a theory of evangelism and a practical program for evangelism The Symposium on Evangelism offers both There has been an enormous waste in virtually all popular programs of evangelism They have not been cost effective They have not targeted their audiences properly They have not been geared to repeated contacts They have not been structured in terms of long range objectives objectives stretching out two or more generations The evangelism programs popular if that word can even be used in Reformed circles have generally been warmed over versions of Arminian evangelism These techniques have not worked for Reformed churches yet the pastors have not been willing to scrap them and rethink the whole question Is there a distinctively Reformed evangelism Are its techniques fundamentally different from those employed by Arminian churches Is there a distinctively Christian reconstructionist evangelism a type of evangelism unavailable to the majority of Arminian denominations and congregations The answer to all three questions is the same Yes The Journal provides the evidence Far from being unconcerned with evangelism the Chalcedon movement is vitally concerned with evangelism It is a small movement at present and it needs capital How can it expect to become a world wide force for social change if it neglects evangelism How can its perspective spread to the decision makers of this age except by evangelism Everyone needs evangelism the Arminians the introspective Reformed groups the traditional conservatives the Roman Catholics the universities the heathen seats of power the media the Iron Curtain nations and all points in between But the average pastor faces more immediate problems He has to build up his struggling congregation He needs to take the first steps That's why we have devoted an issue of the Journal to evangelism What distinguishes the Chalcedon movement's view of evangelism from the rival varieties that are common today is the scope of evangelism We are convinced that no evangelism program can hope to succeed unless it is driven by a vision of universal conquest The three strongest political forces in the world today are Marxism militant Islam and modern science All three are predestinarian All three are officially optimistic All three believe that they possess the key which will unlock the door of history All three believe that they have access to the true law structure which will give them power over the world All three see themselves as agents of historical and social change All three see the whole world as their proper and required domain Until Christians can match them doctrine for doctrine vision for vision we will sit on the sidelines of history cheering for no one in particular Waiting for the game to end so that we can go home That's what most Christians are doing now This produces an ineffective evangelism It produces a socially irrelevant witness It produces the kind of witness the Roman emperors would have preferred to see the early church proclaim The emperors of our day can live with this sort of witness

too It is time to change both our strategy and our tactics Gary North      **Christ-Centered Preaching** Bryan Chapell, 2005-03-01 This complete guide to expository preaching teaches the basics of preparation organization and delivery the trademarks of great preaching With the help of charts and creative learning exercises Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching He also provides help for special preaching situations The second edition contains updates and clarifications allowing this classic to continue to serve the needs of budding preachers Numerous appendixes address many practical issues      *Is the office or ministry of the Dissenting minister to be found in the Scriptures?.* ,1865      Preaching the Whole Bible as Christian Scripture Graeme Goldsworthy, 2000-06-26 While strong gospel centered preaching abounds many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament This practical handbook offers help Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ centered way Goldsworthy first examines the Bible biblical theology and preaching and shows how they relate in the preparation of Christ centered sermons He then applies the biblical theological method to the various types of literature found in the Bible drawing out their contributions to expository preaching focused on the person and work of Christ Clear complete and immediately applicable this volume will become a fundamental text for teachers pastors and students preparing for ministry
