**Christian Ethics (Revised Edition)** Wayne Grudem,2024-09-18 What Does the Bible Teach about How to Live in Today s World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God s will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book Systematic Theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About series Biblical and Applicable Teaches readers how to protect 7 central tenets of God s law God s honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6 Real Family Values Robert Lewis,2000-03-15 This rerelease of the popular original edition continues to speak to parents in a society where family values

no longer seem to exist If anything today s community standards threaten the family Airwaves and movie theaters are drenched with obscenities perversion is glorified divorce is cheap and easy safe sex is promoted instead of abstinence parental authority is undermined sex roles are confused For children such cultural chaos is crippling But in Real Family Values parents will learn how to sort through today s moral confusion remove it from their homes and change the world by zeroing in on the part they love most their families
