,1911 Road Trip: Jesus, Jeremy and Me Rhonda J. Goff,2017-06-22 This book is about the road of grief I traveled when my only son died The death of my son struck me down in a place where I had never been before and it left a deep gut wrenching wound that had to have time to heal My son left to go to his eternal home and I was left to bear my sorrow However God in his abundant mercy came to me He gave miracles to me that blew me away On days that I knew I could not go on he carried me spoke to me rocked me sent help to me and visited me Oh yes he did The road was not one I wanted to be on but it was the one I was on The road was rocky yet the road was strewn with compassion love and joy I did not travel it alone God the Father Jesus the Son and the Great Holy Spirit were right there on that road with me They never left me They gave me grace strength and courage to keep going Satan was my enemy on this road He hurled stones at me tripped me tormented me and tried many ways to instill fear in me He wanted me to travel a road of defeat God would not allow him to win over me God was my refuge my rock my Father and my victory This book is as much about living as it is about dying You do not have to be in grief to read this book Open the book and take a look **On Tyranny** Leo Strauss,2013-11-15 *On Tyranny* is Leo Strauss's classic reading of Xenophon's dialogue *Hiero or Tyrannicus* in which the tyrant Hiero and the poet Simonides discuss the advantages and disadvantages of exercising tyranny Included are a translation of the dialogue from its original Greek a critique of Strauss's commentary by the French philosopher Alexandre Kojève and the complete correspondence between the two This revised and expanded edition introduces important corrections throughout and expands Strauss's restatement of his position in light of Kojève's commentary to bring it into conformity with the text as it was originally published in France

The Hidden Spirituality of Men , *Herndon on Lincoln* William H. Herndon,2016-01-30 After Abraham Lincoln's assassination in 1865 William H Herndon began work on a brief subjective biography of his former law partner but his research turned up such unexpected and often startling information that it became a lifelong obsession The biography finally published in 1889 Herndon's *Lincoln* was a collaboration with Jesse W Weik in which Herndon provided the materials and Weik did almost all the writing For this reason and because so much of what Herndon had to say about Lincoln was not included in the biography David Donald has observed To understand Herndon's own rather peculiar approach to Lincoln biography one must go back to his letters An exhaustive collection of what Herndon was told by others about Lincoln was

published by Douglas L Wilson and Rodney O Davis in Herndon's Informants Letters Interviews and Statements about Abraham Lincoln In this new volume Wilson and Davis have produced a comprehensive edition of what Herndon himself wrote about Lincoln in his own letters Because of Herndon's close association with Lincoln his intimate acquaintance with his partner's legal and political careers and because he sought out informants who knew Lincoln and preserved information that might otherwise have been lost his letters have become an indispensable resource for Lincoln biography Unfiltered by a collaborator and rendered in Herndon's own distinctive voice these letters constitute a matchless trove of primary source material Herndon on Lincoln Letters is a must for libraries research institutions and students of a towering American figure and his times
