Real Guide Yugoslavia:

A Reader's Guide to Croatia Lawrence D. Orton, 1992 Bibliography of Sources on the Region of Former Yugoslavia
Volume III Rusko Matuli?, 1998 **Area Handbook for Yugoslavia** Gordon C. McDonald, 1973 General study of Yugoslavia covers the historical setting geographical aspects the social structure and living conditions ethnic groups the political system and the economic structure culture and education agriculture industry trade foreign policy and defence etc Bibliography pp 553 to 630 glossary maps and statistical tables **Yugoslav Facts and Views**, 1974 *Yugoslav Workers' Selfmanagement* M.J. Broekmeyer, 2012-12-06 This book contains the Proceedings of a Conference held on 7-9 January 1970 in Amsterdam on the problems and perspectives of Yugoslav workers self management The Yugoslav writers were selected according to the criteria that they are competent in their field and that they have different viewpoints in their assessment of the system We hope that the threefold purpose of this book will be attained namely to provide a clearer insight for the Western reader into the Yugoslav system secondly to confront Yugoslav society with the questions asked and the criticism voiced here with regard to the practice of workers selfmanagement and lastly to pay a modest tribute to the 20th anniversary of Yugoslav workers self management To be sure the range of subjects treated in Amsterdam might seem to be rather wide but one should bear in mind that this was unavoidable in the first large scale confrontation of two different social systems outside Yugoslavia Although the language used in this book may not always correspond with the official standards we trust that the published texts will be easily readable for the benevolent reader *The New Yugoslav Woman* Branka Bogdan, 2025-09-30 From 1945 to 1989 the Yugoslav state connected its claims of progressive politics and gender equality to its support of free healthcare sex education and contraception and laws that supported reproductive choice Yugoslav men and women internalized these messages proclaiming their homeland's superior care for its citizens in comparison to postwar Europe and the United States Even as Yugoslav women faced stigma and abuse for their usage of contraceptives and medical practitioners grappled with new regulations and technology alongside personal ideologies Yugoslavs celebrated their own reformation into new politically minded citizens who carefully navigated tradition and modernity as they reconstructed the nation The New Yugoslav Woman provides a social and cultural history of how Yugoslav communists used reproductive regulation to build a platform of socialism through self management and to position the country as a conduit between the global North and South Author Branka Bogdan traces reproduction as a central facet of socialist Yugoslavia's state formation through the nation's laws medical infrastructure technological growth and state run sex education programs Bringing this history to the present day with a discussion of more than two dozen interviews with Yugoslav patients and medical professionals Bogdan reveals how these recollections show key continuities with the past rather than an abrupt break between the socialist and post socialist worlds Drawing Yugoslavian women's experiences into the geopolitical history of reproduction and the Cold War era state The New Yugoslav Woman reveals the centrality of reproduction contraception and

abortion to socialist Yugoslavia's self-conception as the developed leader of the developing world Yugoslav News Bulletin, 1985 Quarterly Economic Review of Yugoslavia, 1980 **The Real Guide** Martin Dunford, Jack Holland, 1990 East European economies, 1986 *Bradt Travel Guide Serbia* Laurence Mitchell, 2007 Serbia covers fundamentals such as getting there a range of local travel options and accommodation for all budgets and styles Now a prime destination for winter sports mountain resorts and a range of health spas in spectacular settings are also covered Amazon.com viewed November 24 2020 **The Travel Club** Hilary Bradt, 2020-05-01 Welcome to The Travel Club and our inaugural e-zine Cue the trumpet blasts and laser displays You're now a member not only of what we hope will become the essential club for those who are serious about travel but of a club within that club the group of travellers who were there with us from the outset Thank you for joining us on this journey In some ways The Travel Club has been a long burn We've discussed establishing a community of this sort on many occasions but we've never quite got round to doing it There always seemed something else ahead of it in the queue Now as we sit in lockdown a club like this feels especially important Of course your support is hugely precious to us at this time and we're so very grateful for it But first and foremost our aim is to create something special something with genuine long-term value Something you'll be pleased and proud to be part of We want this e-zine to focus on travel features with real colour and passion indulgent articles that represent a warm bath of a reading experience We want you to look forward to receiving it each month And we want to involve you as far as possible whether by offering unique competitions to enter and puzzles to solve or simply inviting your feedback on what we could do to make the e-zine better And so without further ado I'll leave you to dive right in Thanks once more for signing up to The Travel Club Please do let us know what you think In this month's Travel Club e-zine GETTING LOST by Hilary Bradt Standout memories become a bit of a jumble if you've been travelling for 60 years But one experience jumps out clearly as setting the benchmark for travel misery the time I got lost for three days in the densest jungle in the world LITERARY LOCKDOWN by Helen Neil Matthews With imagination you can go anywhere The Chilterns and Thames Valley has inspired storytellers to create many of the world's best and most beloved tales come with us as we join Matilda Will Stanton Ratty and Mole on a literary adventure WORLDLY APPETITES AJVAR Try your hand at recreating this Balkan speciality the perfect accompaniment to a summer garden picnic FROM THE ARCHIVES YUGOSLAVIA by Hugh Brune We go back to 1989 in the company of Hilary Bradt and author Piers Letcher to learn the fascinating story behind our first guide to Yugoslavia Cue retro photos glasses of home-made livovica and tales of the dark arts of coding Slavic accents HOPS SKIP AND A JUMP by Rupert Wheeler Ted Bruning Britain has some of the world's best breweries The expert authors of our brand new Britain in a Bottle book pick out a few of the very finest COMPETITION WIN A BREWERY TOUR AT SHEPHERD NEAME We've teamed up with Britain's oldest brewery to offer one lucky winner and three friends an award-winning tour and tasting experience THE BRADT TRAVEL TEASER Suffering from a case of lockdown brain Get those cogs whirring again with our tricky travel crossword **Croatia** Piers Letcher, Robin
