Independent candidate to be elected to the Office of the President of the United States Subversive activities are uncovered which suggest the possibility of another attempt on the lives of the Anthony brothers is being constructed This information reinforces the brothers conclusion that they must devise a plan which will pit them against the most powerful man in the world the President of the United States The Mailman the consummate assassin will face the ultimate test of will and skill by deciding to undertake his most unimaginable delivery The Mailman who fears nothing spends no time thinking about aspirations or destiny thus when an exploit is needed cares little about his own demise The action he must take is straight forward take the sword of Lady Justice rebalance her scale and then remove her blindfold for her to judge his handiwork A journey is about to take place that will not only affect Thomas and Mathew Anthony s respective lives but also the lives of the very nation the brothers so unconventionally love and defend To the brothers one man the President of the United States evolves from being a life s passage distraction to an imminent danger For the Anthony brothers every value principle and belief will be tested to be entrenched or to be tossed aside The very existence of the strongest nation in the world will be pushed to the brink of hell in this survivor takes all conflict SET NO LIMITS HAVE NO FEAR AND ALLOW NO REMORSE
