REAL ISSUES. REAL CONVERSATIONS. REAL SOLUTIONS.* Marquis L. Cooper, 2020-10-12 How to save our men has been a topic of discussion that has taken place in schools churches community centers social justice platforms national initiatives and other venues across this country for years At some point in history a seed of irresponsibility grew in our males As a result of this seed still growing and getting out of control many of our sons will not understand the vital role of becoming the priest provider and protector of their homes unless we change this epidemic now You may be asking How do we change this epidemic The answer to this question starts with shifting the male back into his proper or rightful position in the household Whether you realize it or not the male was created to lead In many homes across America the family structure now looks like the following You have the son in an unknown spot mother in the father's spot daughter behind her mother out of her spot and the father totally removed from the family he has no spot When this style of familial transfer takes place it has a profound effect on the entire family unit but mostly with the male We can no longer make excuses for not reaching back to save our men both the young and old Through the power of being REAL and TRANSPARENT we can save the lives of countless males of all ethnic groups in this generation If you've picked up this curriculum then you've already answered the first call God has extended to you I believe your life is being changed now as
