pentecostalsisterstoo Since 2018 hashtags and stories of sexual violence have appeared in all sectors of life from Hollywood
to the Olympics from politics to religion from universities to seminaries and among pentecostals But amid all these stories of
sexual abuse and assaults one may wonder if any stories of healing from sexual violence exist If so what does healing look
like particularly among pentecostals who believe in divine healing Is it a single prayer of faith or a conglomeration of healing
factors In true pentecostal form See My Body See Me systematically examines the healing stories of eight pentecostal
survivors and the experiences of five pentecostal licensed counselors It then combines these experiences of both males and
females with Scripture theology psychology and culture to provide a pentecostal perspective on healing from sexual violence
As a practical theological approach See My Body See Me also offers acts of ministry to provide healing spaces by way of
three embodied praxes that are historically and theologically pentecostal listening waiting and learning See My Body See Me
is an invitation to participate in Christ s healing ministry to see hear and believe survivors as God sees hears and believes
